INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Licking Township
Licking County
6864 National Road
Jacksontown, Ohio 43030

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Licking Township (the Township), on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2017 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2019 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2018 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balances with the Township's financial institutions. We noted that the CDARS interest was not recorded resulting in the bank balances being understated by \$26. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation with the exception of the \$26 in interest noted above.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.

6. We selected the only two reconciling credits (such as deposits in transit) from the December 31, 2019 bank reconciliation:
 - a. We could not trace each credit to a subsequent bank statement. We found a reconciling credit was long outstanding from 2013 in the amount of \$628.36 from the Licking County Auditor.
 - b. We agreed the credit amounts to the Receipts Register. Each credit was recorded as a December receipt for the same amount recorded in the reconciliation with the exception of the receipt noted above outstanding since 2013.
7. We traced interbank account transfers occurring in December of 2019 and 2018 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
8. We inspected investments held at December 31, 2019 and December 31, 2018 to determine that they:

We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid

We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Permanent and Special Revenue fund.
