## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Perry Township  
Licking County  
6207 Reform Road  
Newark, Ohio 43055

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Perry Township (the Township), on the receipts, disbursements and balances recorded in the Township's cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash and Investments

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Fund Status Report to the December 31, 2017 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2019 beginning fund balances recorded in the Fund Status Report to the December 31, 2018 balances in the Fund Status Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

**Cash and Investments (Continued)**

6. We inspected investments held at December 31, 2019 and December 31, 2018 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

**Property Taxes and Intergovernmental Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor Expenditure Ledger for 2019 and a total of five from 2018:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts 2019 and 2018. The Receipt Detail Report included the proper number of tax receipts for each year.

**Debt**

1. From the prior audit documentation, we observed the following bonds and loans were outstanding as of December 31, 2017. These amounts agreed to the Townships January 1, 2018 balances on the summary we used in procedure 3.

| <b>Issue</b>                 | <b>Principal outstanding as of December 31, 2017:</b> |
|------------------------------|---|
| Fire Station Loan            | 81,306  |
| Real Estate Acquisition Bond | 19,031  |

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of bond and loan debt activity for 2019 and 2018 and agreed principal and interest payments from the related debt amortization schedules to Special Levy fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.

**Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account code(s) to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the Employee General Information Report and Timesheets or Payroll Certifications. We also confirmed the payment was posted to the proper year. We found two instances where a Township Trustee was paid out of the Gasoline Tax Fund instead of the Road and Bridge Fund as indicated on their Payroll Certification form. Exceptions in the amounts of \$585 and \$390 were noted for 2019 and 2018, respectively. The Township did not post the corrections to its accounting system. However, because we did not inspect all payroll disbursements, our report provides no assurance regarding whether or not other similar errors occurred.
  
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

| <b>Withholding<br/>(plus employer share,<br/>where applicable)</b> | <b>Date<br/>Due</b> | <b>Date<br/>Paid</b>  | <b>Amount<br/>Due</b> | <b>Amount<br/>Paid</b> |
|--|---------------------|---|-----------------------|------------------------|
| Federal income taxes & Medicare                                    | January 31, 2020    | October 7, 2019,<br>November 4, 2019,<br>December 2, 2019,<br>December 30, 2019 | \$1,428.21            | \$1,428.21             |
| State income taxes   | January 31, 2020    | December 30, 2019   | \$282.16              | \$282.16               |
| Local income tax   | January 31, 2020    | December 30, 2019   | \$235.02              | \$235.02               |
| OPERS retirement   | January 30, 2020    | December 31, 2019   | \$1,768.90            | \$1,768.90             |

3. For the pay periods ended March 31, 2019 and June 30, 2018, we
  - a. Recomputed the allocation of the Fiscal Officer's and Boards' salaries to the General and Gasoline Tax Fund per the Wage Detail Report.
  - b. Traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.
  
4. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions.
  
5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

### Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found one instance where Community Day expenses totaling \$1,961.42 were paid out of the Special Levy Fund rather than the General Fund. The Special Levy Fund is for the purpose of constructing a new firehouse. The Township is responsible for ensuring financial activity is properly posted to its accounting system and its financials are complete and accurate. The Township has agreed to and posted the total amount of receipts \$3,646 and expenses \$3,912 for 2019 relating to the Community Day Event as adjustments to its accounting system. However, because we did not inspect all non-payroll disbursements, our report provides no assurance regarding whether or not other similar errors occurred.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Gasoline Tax and Road and Bridge funds. There were no funds for which expenditures exceeded appropriations.
2. We inspected the Appropriation Ledger Report for the Cemetery Bequest Fund. Not more than 5% of non-spendable monies were released, spent, or otherwise modified during the engagement period.
3. We inspected the 2019 and 2018 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
4. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

## Sunshine Law Compliance

1. We requested the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code § 149.43(E)(2), and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found that the Township did not have a written public records policy per inquiry and review of records.
2. We requested public records requests from the engagement period to determine the Township was compliant and responded to the request in accordance with their adopted policy. We found that no public records requests were made in 2018 or 2019 per inquiry and review of records.
3. We requested denied public records requests from the engagement period to determine the Township provided an explanation which included the legal authority to the requester. We found that no public records requests were made in 2018 or 2019 per inquiry and review of records.
4. We requested public records requests with redactions from the engagement period to determine the Township was redacting records and making the redactions visible, and provided an explanation which included the legal authority to the requester. We found that no public records requests were made in 2018 or 2019 per inquiry and review of records.
5. We inquired whether the Township has a records retention policy, and observed that it is readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found that the Township did not have a records retention policy per inquiry and review of records.
6. We requested written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43 (E)(2). We found that the Township did not have Public Records Policy per inquiry and review of records.
7. We requested the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found that the Township did not have a policy manual per inquiry and review of records.
8. We inquired whether the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township. We found that the Township did not have a Public Records Policy per inquiry and review of records as required by Ohio Rev. Code § 149.43(E)(2).
9. We requested applications submitted to the Records Commission for one-time disposal of obsolete records, and management's review of the schedules of records retention and dispositions for the engagement period. We inspected the approval by the Records Commission for the selected and the review of the schedules. (Note: the records retention schedule is not the same policy as the public records policy.) We found that the Township did not receive any applications for one-time disposal of obsolete records during 2018 or 2019.
10. We inspected individual training certificates and determined whether each elected official (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office. We found no exceptions.
11. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period are to be held. We found no exceptions.

### Sunshine Law Compliance (Continued)

12. We inspected the minutes of public meetings during the engagement period and determined whether they were:

- a. Prepared – a file is created following the date of the meeting
- b. Filed – placed with similar documents in an organized manner
- c. Maintained - retained, at a minimum, for the engagement period
- d. Open to public inspection – available for public viewing or request.

We found no exceptions.

13. We inspected the minutes from the engagement period and determined the following:

- a. Executive sessions were only held at regular or special meetings.
- b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
- c. Formal governing board actions were adopted in open meetings.

We found no exceptions.

### Other Compliance

1. Ohio Rev. Code Section 117.38 requires Townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.

2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.

3. For all credit card accounts we obtained:

- copies of existing internal control policies,
- a list(s) of authorized users, and
- a list of all credit card account transactions.

a. We inspected the established policy obtained above and determined it is:

- i. in compliance with the HB 312 statutory requirements, and
- ii. implemented by the Township.

We found no exceptions.

b. We selected 1 credit card transaction from each credit card account for testing. For selected transactions we inspected documentation to determine that:

- i. Use was by an authorized user within the guidelines established in the policy, and
- ii. Each transaction was supported with original invoices and for a proper public purpose.

We found no exceptions.

**Other Compliance (Continued)**

- c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
- i. No unpaid beginning balance was carried forward to the current billing cycle,
  - ii. Ending statement balance was paid in full, and
  - iii. Statement contained no interest or late fees.

We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
