Independent Accountants' Report on Applying Agreed-Upon Procedures

Ohio Department of Medicaid
50 West Town Street, Suite 400
Columbus, Ohio 43215

RE: Andrea L. Shields, C.N.P. NPI: 1205136207
Program Year 2017: Meaningful Use Stage 2 Year 2

We have performed the procedures enumerated below, which were agreed to by the Ohio Department of Medicaid (ODM), on Andrea L. Shields's (hereafter referred to as the Provider) compliance with the requirements of the Medicaid Promoting Interoperability Program (MPIP) for the year ended December 31, 2017. The Provider is responsible for compliance with the MPIP requirements. The sufficiency of these procedures is solely the responsibility of ODM. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

1. We scanned the Provider's encounters during the patient volume attestation period, found and removed duplicate encounters, and noted multiple payer sources. We recalculated the Medicaid patient volume from the unduplicated encounters and confirmed the Provider met the 30 percent requirement.
2. We compared the system generated dashboards for an alternate period (August 17, 2017 to November 15, 2017) to the applicable criteria and to the Meaningful Use Objectives and Clinical Quality Measure Summaries. We found all reported objectives met the applicable criteria. We noted a variance greater than 10 percent in CMS 156: Use of High Risk Medications-One High Risk Medication in the Elderly.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Provider's compliance with the requirements of the Medicaid Promoting Interoperability Program. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported. This report is intended solely for the information and use of the ODM, and is not intended to be, and should not be used by anyone other than the specified party.
