Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Street Construction and Emergency Medical Services fund, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$5,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balance. Ohio Rev. Code Section 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code § 149.43(E)(2) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

7. We inspected the Village's policy manual and determined the public records policy was not included as required by Ohio Rev. Code § 149.43(E)(2).

10. We inspected individual training certificates and determined whether each elected official (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
11. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period are to be held. We found no exceptions.
12. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:

Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.

 - a list of all credit card account transactions.
- a. We inspected the established policy(ies) obtained above and determined it is
 - i. in compliance with the HB 312 statutory requirements, and
 - ii. implemented by the entity.We found no exceptions.
- b. We selected 1 credit card transaction from each account for testing. For selected transactions we inspected documentation to determine that:
 - i. Use was by an authorized user within the guidelines established in the policy, and
 - ii. Each transaction was supported with original invoices and for a proper public purpose.We found no exceptions.
- c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
 - i. No unpaid beginning balance was carried forward to the current billing cycle,
 - ii. Ending statement balance was paid in full, and
 - iii. Statement contained no interest or late fees.We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
