To the Board of Trustees:

We have completed certain procedures in accordance with Ohio Rev. Code § 117.01(G) to the accounting records and related documents of Wayne Township, Monroe County, Ohio (the Township), for the years ended December 31, 2019 and 2018.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code § 117.11(A). Because our procedures were not designed to opine on the Township's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Township's financial statements, transactions or balances for the years ended December 31, 2019 and 2018.

The Township's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code § 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issue to report.

Current Year Observation

Ohio Rev. Code § 109.43(B) states in part the attorney general shall develop, provide, and certify training programs and seminars for all elected officials or their appropriate designees, in order to enhance the officials' knowledge of the duty to provide access to public records as required by § 149.43 of the Revised Code. The training shall be three hours for every term of office for which the elected official was appointed or elected to the public office involved. One Trustee did not attend public records training for his term ending during the audit period, nor did the Trustee have a designee go to the training in his place. The Township officials or their designees should attend at least 3 hours of training on Ohio's Public Records Laws during their term of office.
