INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Debbie Bastel, Fiscal Officer
Crane Township
Wyandot County
PO Box 331
Upper Sandusky, OH 43351

We have performed the procedures enumerated below on Crane Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2018 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2019 balances in the Fund Status Report. We found no exceptions.

Cash and Investments (Continued)

3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We attempted to confirm the December 31, 2020 bank account balances with the Township's financial institution for the certificates of deposit held at First Citizens National Bank. The balances did not agree due to \$10.86 in accrued interest that was included in the confirmed balances, but not included in the Township's accounting records since the certificates of deposit had not matured. We also attempted to agree the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation; however, the balances did not agree due to the accrued but unrecorded interest of \$10.86 since the certificates of deposit had not matured.

We confirmed the December 31, 2020 bank account balance with the Township's financial institution for the Now Business account held at First Citizens National Bank. We found no exceptions. We also agreed the confirmed balance to the amount appearing in the December 31, 2020 bank reconciliation without exception.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the Payment Register Detail Report, and determined the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2020 and December 31, 2019 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code § 135.13, 135.14 or 135.144. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We noted no exceptions.

Property Taxes and Intergovernmental

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor Expenditure History by Vendor Report for 2020 and a total of five from 2019:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Receipt Detail Report included the proper number of tax receipts for each year.

Other Receipts

We selected 10 other receipts from the year ended December 31, 2020 and 10 other receipts from the year ended 2019 and:

- a. Agreed the receipt amount recorded in the Receipt Detail Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Detail Report to determine the receipt was posted to the proper funds, and was recorded in the proper year. We found no exceptions.

Debt

- 1. From the prior audit documentation, we observed the following loans and leases were outstanding as of December 31, 2018. The amount agreed to the Township's January 1, 2019 balances on the summary we used in procedure 3 for the Mission Drive Land Loan. The amount was understated by \$2,576.50 for the 45% Public Revenue Share of Rock Run Project Loan and was overstated by \$10,526 for the Dump Truck Capital Lease on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2018:
45% Public Revenue Share of Rock Run Project Loan	\$10,312
Mission Drive Land Loan	\$31,500
Dump Truck Capital Lease	\$107,290

- 2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt agreed to the summary we used in procedure 3.
- 3. We obtained a summary of loans and leases debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedule to General Fund and Issue I Projects Capital Projects Fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.

Payroll Cash Disbursements

- 1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the payroll binder for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.
We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record or as required by statute. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.

Payroll Cash Disbursements (Continued)

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2021	December 28, 2020	\$787.61	\$787.61
Ohio income taxes	January 31, 2021	December 28, 2020	\$111.97	\$111.97
City of Upper Sandusky income tax	January 31, 2021	December 28, 2020	\$109.37	\$109.37
OPERS retirement	February 1, 2021	December 21, 2020	\$1,689.70	\$1,689.70
School Income Tax	January 31, 2021	December 28, 2020	\$95.75	\$95.75

3. For the pay periods ended October 31, 2020 and July 31, 2019, we
 - a. Recomputed the allocation of the Boards' salary amounts to the General and Gasoline Tax Fund per the Wage Detail Report.
 - b. Traced the Boards' pay for time or services performed to supporting certifications the Revised Code requires.

For the pay periods tested, we noted that the fund allocations for payments to the Board of Trustees did not agree to the Trustees' salary certifications. The salary certifications indicated that 50% of the Trustees' pay should be allocated to the General Fund and 50% should be allocated to the Gasoline Tax Fund; however, 100% of the Trustees' salaries were allocated to the Gasoline Tax Fund for the pay periods tested. We did note that the total annual allocations for 2019 and 2020 agreed to the salary certification percentages for each Trustee.

4. We compared total gross pay for the fiscal officer and each board member for 2020 and 2019 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found the Fiscal Officer was overcompensated by \$165 in 2020 and undercompensated by \$1,820 in 2019. We found the Trustees were under compensated by \$825 in 2019.
5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2020 and 2019 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, Gasoline Tax, and Cemetery funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
2. We inspected the interfund transfers from 2020 Revenue Status Report and Appropriation Status Report for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Ohio Rev. Code § 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

We attempted to select all applications submitted to the Records Commission for one-time disposal of obsolete records, and management's review of the schedules of records retention and dispositions for the engagement period. We attempted to inspect the approval by the Records Commission for the records selected and the review of the schedules. The Records Commission approved the disposal of records within the meeting minutes dated December 9, 2019 and December 7, 2020; however, the Township did not prepare or submit applications to the Records Commission for approval. This was required by Ohio Rev. Code §149.42.

Sunshine Law Compliance (Continued)

Ohio Rev. Code §149.42 states, in part, The function of the commission shall be to review applications for one-time disposal of obsolete records and schedules of records retention and disposition submitted by township offices. The commission may dispose of records pursuant to the procedure outlined in section 149.381 of the Revised Code. The Records Commission approved the disposal of records within the meeting minutes dated December 9, 2019 and December 7, 2020; however, the Township did not prepare or submit applications to the Records Commission for approval.

8. We inspected individual training certificates and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). 1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.
2. We inquired of the fiscal officer *and* inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. Fiscal Officer obtained the required training.
