## INDEPENDENT AUDITOR'S REPORT

Family and Children First Council  
Fayette County  
133 South Main Street  
Washington Court House, Ohio 43160

To the Council:

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the cash balances, receipts and disbursements for each governmental fund type combined total as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of the Family and Children First Council, Fayette County, Ohio (the Council).

### ***Management's Responsibility for the Financial Statements***

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

### ***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 2 of the financial statements, the Council prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Council does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Council, as of December 31, 2020 and 2019, and the respective changes in financial position thereof for the years then ended.

***Opinion on Regulatory Basis of Accounting***

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental combined total as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of the Council, in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

**Emphasis of Matter:**

As discussed in Note 5 to the 2020 financial statements, the financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Council. We did not modify our opinion regarding this matter.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 17, 2021 on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

**Note 1 – Reporting Entity**

Ohio Revised Code Section 121.37 created the Ohio Family and Children First Cabinet Council and required each Board of County Commissioners to establish a County Family and Children First Council. Statutory membership of County Council consists of the following individuals:

1. At least three individuals representing the interest of families in the County. Where possible, the number of members representing families shall be equal to twenty percent of the Council's remaining membership;
2. The Director of the Board of Alcohol, Drug Addiction, and Mental Health Services that serves the County, or, in the case of a County that has a Board of Alcohol and Drug Addiction Services and a Community Mental Health Board, the Directors of both Boards. If a Board of Alcohol, Drug Addiction, and Mental Health Services covers more than one County, the Director may designate a person to participate on the County's Council;
3. The Health Commissioner, or the Commissioner's designee, of the Board of Health of each City or General Health District in the County. If the County has two or more health districts, the Health Commissioner membership may be limited to the Commissioners of the two districts with the largest populations;
4. The Director of the County Department of Job and Family Services;
5. The Executive Director of the public children services agency or the County agency responsible for the administration of children services pursuant to the Ohio Revised Code Section 5153.15;
6. The Superintendent of the County Board of Developmental Disabilities or if the Superintendent serves as Superintendent as more than one County Board of Developmental Disabilities, the Superintendent's designee;
7. The Superintendent of the city, exempted village, or local school district with the largest number of pupils residing in the County, as determined by the Ohio Department of Education, which shall notify each County of its determination at least biennially;
8. A School Superintendent representing all other school districts with territory in the County, as designated at a biennial meeting of the superintendents of those districts;
9. A representative of the municipal corporation with the largest population in the County;
10. The President of the Board of County Commissioners or an individual designated by the Board;
11. A representative of the regional office of the Ohio Department of Youth Services;
12. A representative of the County's Head Start agencies, as defined in Ohio Revised Code Section 3301.32;
13. A representative of the County's Early Intervention collaborative established pursuant to the federal early intervention program operated under the "Individuals with Disabilities Education Act of 2004"; and

14. A representative of a local nonprofit entity that funds, advocates, or provides services to children and families.

A County Family and Children First Council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the Council.

The purpose of the County Council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a County Council shall provide for the following:

1. Referrals to the Cabinet Council of those children for whom the County Council cannot provide adequate services;
2. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
3. Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the Department of Health for early intervention services under the “Individuals with Disabilities Education Act of 2004”;
4. Maintenance of an accountability system to monitor the County Council’s progress in achieving results for families and children; and
5. Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the County system.

The Council’s management believes these financial statements present all activities for which the Council is financially accountable.

**Note 2 – Summary of Significant Accounting Policies**

***Basis of Presentation***

The Council’s financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis).

***Fund Accounting***

The Council uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Council are presented below:

**Family and Children First Council**  
*Fayette County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2020*

---

**General Fund** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Council for any purpose provided it is expended or transferred according to the general laws of Ohio.

**Special Revenue Funds** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Council had the following significant Special Revenue Funds:

**Help Me Grow Grant Fund** This fund receives state and federal grant monies restricted for the purpose of the grant provisions.

**Special Education Grant – Infants and Families (HMG-Part C)** This fund receives federal grant monies restricted for expectant parents; newborns and their families; and infants and toddlers at risk for or with developmental delays and disabilities and their families.

**Family-Centered Services and Supports Fund** This fund receives grant monies restricted for maintaining children and youth in their homes and communities by meeting the multi-systemic needs of children receiving service coordination.

***Administrative/Fiscal Agent***

Ohio Revised Code Section 121.37(B)(5)(a) requires the Council to select an administrative agent to provide fiscal and administrative services to the Council. The Council has selected the Fayette County Department of Job and Family Services (JFS) to serve as the Council’s administrative agent and the Fayette County Auditor to serve as the Council’s fiscal officer.

***Basis of Accounting***

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

***Budgetary Process***

A Family and Children First Council established under Ohio Revised Code Section 121.37 is not a taxing authority and is not subject to Ohio Revised Code Chapter 5705. As of October 1, 1997, all Family and Children First Councils are required to file an annual budget with its administrative agent. The Council filed an estimate of financial resources and an appropriation measure with [the ABC County Auditor / the ABC Educational Service Center] as required by Ohio law.

***Deposits and Investments***

The Council designated the Fayette County Auditor as the fiscal agent for all funds received in the name of the Council. Deposits of monies are made with the Fayette County Treasurer and fund expenditures and balances are reported through the Fayette County Auditor. Deposits and investments are made in accordance with the Ohio Revised Code and are valued at the fiscal agent's carrying amount.

***Fund Balance***

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

***Nonspendable*** The Council classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

***Restricted*** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

***Committed*** The Council can *commit* amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

***Assigned*** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*.

***Unassigned*** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

**Note 3 – Deposits and Investments**

The Fayette County Auditor, as fiscal agent for the Council, maintains a cash and investments pool used by all of Fayette County Auditor's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments and the Fayette County Auditor is responsible for compliance. The carrying amount of deposits and investments at December 31, 2020 was \$103,665.

This fiscal agent is responsible for maintaining adequate depository collateral for all funds in the fiscal agent's pooled and deposit accounts. All risks associated with the above deposits are the responsibility of the fiscal agent.

**Note 4 – Risk Management**

The Council is covered under the Fayette County Auditor’s insurance policy.

**NOTE 5 – COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Council. In addition, the impact on the Council's future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Family and Children First Council  
Fayette County  
133 South Main Street  
Washington Court House, Ohio 43160

To the Council:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements for each governmental fund type combined total as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of the Family and Children First Council, Fayette County, (the Council) and have issued our report thereon dated November 17, 2021 wherein we noted the Council followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. We also noted the financial impact of COVID-19 and the continuing emergency measures, which may impact subsequent periods of the Council.

### ***Internal Control Over Financial Reporting***

As part of our financial statement audit, we considered the Council's internal control over financial reporting (internal control) as a basis for designing audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Council's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Council's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

### ***Compliance and Other Matters***

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the financial statements. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

***Purpose of this Report***

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
