INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Greene County Park District
Greene County
635 Dayton Xenia Road
Xenia, Ohio 45385

We have performed the procedures enumerated below on the Greene County Park District's (the District) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the District. The District is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the District.

The Board of Trustees and the management of the District have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. Greene County is custodian (fiscal agent) of the District's deposits. Therefore, Greene County's deposit and investment pool holds the District's cash. We agreed the totals for the December 31, 2020 and 2019 fund cash balances reported in the Statement of Cash from Revenue and Expense to the financial statements filed by the District in the Hinkle System. The amounts agreed.
2. We agreed the January 1, 2019 beginning fund balances recorded in the Statement of Cash from Revenue and Expense to the December 31, 2018 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances recorded in the Statement of Cash from Revenue and Expense to the December 31, 2019 balances in the Statement of Cash from Revenue and Expense. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes* and the Greene County Auditor's Vendor Audit Trail Report from 2020 and a total of five from 2019:
 - a. We compared the amounts from the above named reports to the amount recorded in the Revenue Audit Trail Report. The amounts agreed.
 - b. We inspected the Revenue Audit Trail Report to determine these receipts were allocated to the proper fund as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Revenue Audit Trail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Audit Trail Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Revenue Audit Trail Report included the proper number of tax receipts for each year.

Other Receipts

We selected 10 other receipts from the year ended December 31, 2019 recorded in the Revenue Audit Trail Report and:

- a. Agreed the receipt amount recorded in the Revenue Audit Trail Report to supporting documentation. The amounts agreed.
- b. Inspected the Revenue Audit Trail Report to determine the receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2018.
2. We inquired of management, and inspected the Revenue Audit Trail Report and Expense Audit Trail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. There were no new debt issuances, nor any debt payment activity during 2020 or 2019.

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Expense Audit Trail Report for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Expense Audit Trail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, Ranger/Courts/Drug Fines and Parks & Trails – Hwy Training State Grant funds. There were no funds for which expenditures exceeded appropriations.

Compliance – Budgetary (Continued)

2. We inspected the Statement of Cash from Revenue and Expense Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the District's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with District management and determined that the District did not have any completed public records requests during the engagement period.
3. We inquired whether the District had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inquired if the District possessed written evidence that its public records policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). No such written evidence existed. Failure by the District to have the records custodian acknowledge receipt of its public records policy could lead to a lack of understanding of the District's public records policy. The District should establish and implement procedures to ensure that an acknowledgement form is obtained from the records custodian of the District as evidence that the public records policy was received.
5. We inspected the District's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We inquired that the District's poster describing their Public Records Policy was displayed conspicuously in all branches of the District as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with District management and determined that the District did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inquired with District management and determined that the District did not have any elected officials subject to the Public Records Training requirements during the engagement period as required by Ohio Rev. Code §§ 149.43(E)(1) and 109.43(B).
9. We inspected the public notices for the public meetings held during the engagement period and determined the District notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

Sunshine Law Compliance (Continued)

10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
- Prepared – a file is created following the date of the meeting
 - Filed – placed with similar documents in an organized manner
 - Maintained - retained, at a minimum, for the engagement period
 - Open to public inspection – available for public viewing or request.

We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
- Executive sessions were only held at regular or special meetings.
 - The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - Formal governing board actions were adopted in open meetings.

We found no exceptions.

Other Compliance

Ohio Rev. Code § 117.38 requires these districts to file their financial information in the Hinkle System within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle System. There were no exceptions.

We were engaged by the District to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the District and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
