We have performed the procedures enumerated below, which were agreed to by the Board of Trustees (the Board) and the management of Ida Rupp Public Library, Ottawa County, Ohio (the Library), on the receipts, disbursements and balances recorded in the Library's cash-basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Library. The Library is responsible for the receipts, disbursements and balances recorded in the cash-basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Library. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash and Investments

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2018 balances in the prior year documentation in the prior year agreed-upon procedures working papers. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2019 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Library in the Hinkle system. The amounts agreed.
4. We confirmed the December 31, 2020 bank account balances with the Library's financial institution and through the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the Outstanding Payments Report and determined the debits were dated prior to December 31. There were no exceptions.

### **Property Taxes and Intergovernmental Cash Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes (the Statement)*, the State Distribution Transaction Lists (DTL) and the Ottawa County Local Government Confirmations from 2020 and a total of five from 2019:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed except for the 2020 and 2019 first half property tax settlements. These receipts were posted at net, resulting in receipts and disbursements being understated by \$11,518 and \$12,354 in 2020 and 2019, respectively. The Library should implement policies and procedures to help ensure property tax settlement receipts are posted at gross as indicated on the *Statement*. The administrative fees should then be posted as offsetting disbursements.
