The sufficiency of the procedures is solely the responsibility of the parties specified in this report. This report only describes exceptions exceeding \$10.

2. We agreed the January 1, 2019 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2018 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2019 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.
4. We observed the year-end bank balances on the financial institution's website and through the Ohio Pooled Collateral System. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. There were no exceptions.

6. We traced interbank account transfers occurring in December of 2020 and 2019 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2020 and December 31, 2019 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We haphazardly selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes* and State Distribution Lists (DTLs):
 - a. We compared the amounts from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper fund as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Register Report to determine whether the receipts were recorded in the proper year. The receipts were recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts plus two advances for 2020 and 2019, respectfully. The Receipt Register Report included the proper number of tax receipts for each year.

Income Tax Receipts

We obtained the December 31, 2020 and 2019 Monthly Distribution Summary Reports submitted by the Regional Income Tax Agency (RITA), the agency responsible for collecting income taxes on behalf of the Village. We agreed the total gross income taxes per year to the Village's Receipt Register Report. The amounts agreed.

Other Receipts

We selected 10 other receipts from the year ended December 31, 2020 and 10 other receipts from the year ended December 31, 2019 and:

- a. Agreed the receipt amounts recorded in the Receipt Register Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Register Report to determine the receipts were posted to the proper funds, and was recorded in the proper year. We found no exceptions.

Debt

1. From the prior audit documentation, we observed the following bonds were outstanding as of December 31, 2018. These amounts agreed to the Village's January 1, 2019 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2018:
OPWC - CG05H - Perry Sewer Improvements	\$110,813
OPWC - CG44S - Center Street Reconstruction	\$77,500
OPWC - CG59U - Manchester Road Reconstruction	\$70,928
Land Purchase - Champion Farm	\$334,585

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loan debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedules to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the Debt Service, Center Street Reconstruction, Manchester Road, and Property Purchase funds per the Receipt Register Report. The amounts agreed. The Village properly recorded the proceeds in a bond fund as required by Ohio Rev. Code Section 5705.09(E).
5. For new debt issued during 2020 and 2019, we inspected the debt legislation, which stated the Village must use the proceeds to construct sewer lines, a pump station and related improvements and acquiring real estate and equipment. We inspected the Payment Register Detail Report and observed the Village made purchases towards the aforementioned improvements.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the Wage Detail Report to determine the fund and account codes to which the check was posted were allowable based on the employees' duties as documented in the employees' personnel files. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2020. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2021	December 24, 2020	\$2,355.76	\$2,355.76
State income taxes	January 15, 2021	December 24, 2020	\$941.55	\$941.55
Local income tax	January 31, 2021	December 24, 2020	\$808.08	\$808.08
OPERS retirement	January 30, 2021	December 30, 2020	\$4,259.08	\$4,259.08
OP&F retirement	January 31, 2021	December 24, 2020	\$7,193.65	\$7,193.65

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended December 31, 2019 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found one instance in 2020 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Mayors Court Transactions and Cash Balances

1. We recalculated the December 31, 2019 bank reconciliation. We found no exceptions.
2. We compared the reconciled cash totals as of December 31, 2019 to the Mayor's Court Fund balance reported in the Fund Status Reports. The balances agreed.
3. We agreed the totals per the bank reconciliations to the total of December 31, 2019 listing of unpaid distributions as of December 31. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balance through the Ohio Pooled Collateral System. We also agreed the confirmed balance to the amount appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five cases from the court cash book and agreed the payee and amount posted to the:
 - a. Duplicate receipt book.
 - b. Docket, including comparing the total fine paid to the judgment issued by the judge.
 - c. Case file.
 The amounts recorded in the cash book, receipts book, docket and case file agreed.

6. From the cash book, we selected one month from the year ended December 31, 2019 and determined whether:
 - a. The monthly sum of fines and costs collected for that month agreed to the amounts reported as remitted to the Village, State or other applicable government in the following month. We found no exceptions.
 - b. The totals remitted per the cash book agreed to the returned canceled checks. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the cash book.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, SRO and Debt Service – Perry JEDD Bond fund, as recorded in the Appropriation Status Report. We observed that Debt Service – Perry JEDD Bond fund expenditures exceeded total appropriations by \$143 and \$5,870, for 2020 and 2019, respectively, contrary to Ohio Rev. Code Section 5705.41(B). The Fiscal Officer should not certify the availability of funds and should deny payment requests exceeding appropriations. The Fiscal Officer may request the Council to approve increased expenditure levels by increasing appropriations and amending estimated resources, if necessary, and if resources are available.
2. We inspected all interfund transfers from 2020 and 2019 Revenue Status Reports and Appropriation Status Reports for compliance with Ohio Rev. Code Sections 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balance. Ohio Rev. Code Section 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Village management and determined that the Village did not have any completed public records request during the engagement period.
3. We inquired whether the Village had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code §§ 149.43(B)(2) and 149.43(B)(3). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Village's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

6. We observed that the Village's poster describing their Public Records Policy was displayed conspicuously in all branches of the Village as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We selected all applications submitted to the Records Commission for one-time disposal of obsolete records, and management's review of the schedules of records retention and dispositions for the engagement period. We inspected the approval by the Records Commission for the five selected and the review of the schedules. This was required by Ohio Rev. Code § 149.39. We found no exceptions.
8. We inspected individual training certificates and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting.
 - b. Filed – placed with similar documents in an organized manner.
 - c. Maintained - retained, at a minimum, for the engagement period.
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.

 - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance

1. We inquired of management and those charged with governance and documented how the Village decided to spend their CRF allocations and how the Village evaluated and documented their compliance with the CARES Act three-prong test. We then selected five payroll, non-payroll, and subgrant/subloan transactions. and determined the Village:
 - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
 - b. Maintained appropriate supporting documentation.We found no exceptions.
2. We recalculated the unencumbered balance the local government paid back to the county treasurer and determined the proper amount was repaid. We also compared the date of the repayment to the required date of November 20, 2020 and determined the repayment was made in a timely manner. We found the Village did not send back the unencumbered balance of \$38,913 by the required date.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the Fiscal Officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.
3. For all credit card accounts we obtained:
 - Copies of existing internal control policies,
 - A list of authorized users, and
 - A list of all credit card account transactions.
 - a. We inspected the established policy obtained above and determined it is:
 - i. In compliance with the HB 312 statutory requirements, and
 - ii. Implemented by the Village.We found no exceptions.
 - b. We selected 1 credit card transaction from each account for testing. For selected transactions we inspected documentation to determine that:
 - i. Use was by an authorized user within the guidelines established in the policy, and
 - ii. Each transaction was supported with original invoices and for a proper public purpose.We found no exceptions.

 - ii. Ending statement balance was paid in full, and
 - iii. Statement contained no interest or late fees.We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
