Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any

such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.

2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.

 - iii. Total prior year reimbursements per contract /TIF
 - iv. Total current engagement period reimbursements per contract /TIF
 - v. Remaining allowable amount per contract/TIF
 - vi. Does the reimbursement exceed the total allowable amounts (this would be considered a possible FFA)

We found one exception based on the testing above. It was noted that the Township made one payment out of the TIF fund based on the Fiscal Officers allocation method that did not have an allowable invoice amount for a total of \$556.28. It was also noted during testing that the Township does not have any approved policies or procedures on how TIF revenues are to be accounted for within the TIF fund to track the revenues, expenditures, and balances of each TIF agreement.
