Champaign County  
Ohio Public Employees Retirement System  
Plante & Moran, PLLC  
1512 South U.S. Highway 68, Suite B300

We have examined Champaign County management's assertion that the census data and pensionable wages reported to the Ohio Public Employees Retirement System as of December 31, 2021 and for the year then ended was accurate and complete.

Management asserts that:

- The census data provided to the Ohio Public Employees Retirement System as of December 31, 2021 is accurate and complete. Census data includes
  - First and Last Name;
  - Last four digits of the social security number;
  - Gender;
  - Date of Birth;
  - Contributions remitted to the plan;
  - Pensionable Compensation.
- The census data provided to the Ohio Public Employees Retirement System as of December 31, 2021 included all enrolled employees.
- Census data changes occurring during the year ended December 31, 2021 to an enrolled employee's eligible compensation, were properly updated with the Ohio Public Employees Retirement System.
- All employees required to be enrolled in the Ohio Public Employees Retirement System in accordance with statutory requirements were properly enrolled.
- The total pensionable wages and employee contributions information reported to the Ohio Public Employees Retirement System for the year ended December 31, 2021 agrees with the payroll records of the employer.

Champaign County's management is responsible for the assertions. Our responsibility is to opine on management's assertions based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements included in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertions are fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertions, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, management's assertions related to the accuracy and completeness of the census data and pensionable wages as described above provided to Ohio Public Employees Retirement System as of and for the year ended December 31, 2021 are fairly stated in all material respects.

This report is intended solely for the information and use of the Champaign County's management, those charged with governance, and Ohio Public Employees Retirement System management, and plan auditors to provide assurances that the census data reported to the Ohio Public Employees Retirement System is accurate and complete. This report is not suitable for any other purpose.
