BASIC AUDIT REPORT

Community Improvement Corporation of Paulding Village
Paulding County
101 East Perry Street
Paulding, Ohio 45879-1408

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Community Improvement Corporation of Paulding Village, Paulding County, Ohio (the CIC) for the years ended December 31, 2021 and 2020.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the CIC's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the CIC's financial statements, transactions or balances for the years ended December 31, 2021 and 2020.

The CIC's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

Current Year Observations

1. The CIC has not adopted a public records policy. Ohio Rev. Code § 149.43(E)(2) requires all public offices to adopt a public records policy. In adopting a public records policy under this division, a public office may obtain guidance from the model public records policy developed and provided to the public office by the attorney general under Ohio Rev. Code § 109.43. Failure to adopt a public records policy could lead to noncompliance with the Ohio Public Records Act when handling public records requests. The CIC should adopt a public records policy and could model it after the example published by the Ohio Attorney General.
2. We noted the CIC has not adopted a records retention schedule. Ohio Rev. Code § 149.43(B)(2) states, in part, a public office also "shall have available a copy of its current records retention schedule at a location readily available to the public." Failure to have and follow a records retention schedule could result in public records being disposed of prematurely. The CIC should implement procedures to ensure the appropriate records retention schedule is approved to help avoid issues with public records requests.

Current Status of Matters Reported in our Prior Engagement

Items 1 and 2 noted above were also reported in our prior engagement for the years ended December 31, 2019 and 2018.
