### Special Fund Budgetary Compliance

1. We inspected the District's *Special Fund* Budget Request submitted to the County Commissioners for the years ended December 31, 2021 and 2020. The request included the *Special Fund's Needs, Income and Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the *Special Fund* Budgetary Activity footnote of the *Cash Basis Annual Financial Report*. The amounts agreed.

Expenditures did not exceed appropriations for the *Special Fund*.
3. We inspected the *Cash Basis Annual Financial Report* for the years ended December 31, 2021 and 2020 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having a negative cash fund balance.

### Sunshine Law Compliance

1. We obtained and inspected the District's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We selected all public records requests from the engagement period and inspected each request to determine the following:
  - a. The District was compliant and responded to the request in accordance with its adopted policy as required by Ohio Rev. Code § 149.43(B)(1). We found no exceptions.
  - b. The District did not have any denied public records requests during the engagement period.
  - c. The District did not have any public records requests with redactions during the engagement period.
3. We inquired whether the District had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the District's policy manual and determined the Public Records Policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

8. We inquired with District management and determined that the District did not have any elected officials subject to the public records training requirements during the engagement period as required by Ohio Rev. Code §§ 149.43(E)(1) and 109.43(B).
9. We inspected the public notices for the public meetings held during the engagement period and determined the District notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared - a file is created following the date of the meeting;
  - b. Filed - placed with similar documents in an organized manner;

  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.We found an instance on January 14, 2020 where the purpose of going into executive session did not correlate with one of the matters listed in Ohio Rev. Code § 121.22(G), as the minutes listed "to conduct annual performance review" (not an enumerated reason to enter into executive session) of the Administrative Assistant as the reason for entering into the executive session. Failure to enter into executive session for allowable reasons could result in an illegal public meeting.

### **Other Compliance**

Ohio Rev. Code § 117.38 requires Districts to file their financial information in the Hinkle System within 60 days after the close of the fiscal year. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed its complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle System. We found no exceptions.

We were engaged by the District to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the District and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
