To the people of the State of Ohio:

In an effort to enhance transparency and provide greater public insight into JobsOhio's operations, the Ohio General Assembly passed legislation requiring JobsOhio to work with the Auditor of State to select an independent private audit firm who would conduct a compliance and control review that would be shared with the public. This report is the culmination of those efforts. We thank JobsOhio for their cooperation during this process and to the independent audit firm for working with the Auditor of State's Office to complete a meaningful review of JobsOhio operations.

By way of background, JobsOhio is a 501(c)(4) non-profit corporation designed to promote and drive economic development through job creation and new capital investment in Ohio through business attraction, retention and expansion efforts.

As mentioned above, the General Assembly requires that JobsOhio work with the Auditor of State to select a private independent auditor to perform audit engagements of financial statements and compliance with relevant statutes and internal controls for JobsOhio.

Ohio Revised Code section 187.01(J) provides in relevant part that:

The articles shall require that the audit committee hire a firm of independent certified public accountants, selected in consultation with the auditor of state, to perform, once each year, a financial audit of the corporation and of any nonprofit entity the sole member of which is JobsOhio. The articles also shall require all of the following:

- (1) Commencing with JobsOhio's fiscal year beginning July 1, 2012, the financial statements to be audited are to be prepared in accordance with accounting principles and standards set forth in all applicable pronouncements of the governmental accounting standards board;
- (2) The firm of independent certified public accountants hired is to conduct a supplemental compliance and control review pursuant to a written agreement by and among the firm, the auditor of state, JobsOhio, and any nonprofit entity the sole member of which is JobsOhio; and
- (3) A copy of each financial audit report and each report of the results of the compliance and control review are to be provided to the governor, the auditor of state, the speaker of the house of representatives, and the president of the senate.

This report is the fulfillment of those statutory obligations for the fiscal year ended June 30, 2022. The Auditor of State did not examine the records or books of JobsOhio, our role was solely to suggest what work should be performed, and to review the work once it was performed. The work, and this report, are the product of the private auditor, Deloitte & Touche LLP.

Accordingly, we express no professional opinion regarding it or the operations and finances of JobsOhio.

AGREED-UPON PROCEDURES FOR COMPLIANCE MATTERS FOR THE FISCAL YEAR ENDED JUNE 30, 2022

JobsOhio

Procedure 1

Obtain from management a list of JobsOhio credit cardholders and the credit card statements for four months selected randomly during fiscal year 2022. Inquire of management and inspect documentation that credit card transactions were reviewed on a monthly basis by the appropriate person, as identified on management's list of authorized approvers. Obtain an employee expense report and the supporting documentation completed by the cardholder for each of the selected months. Ascertain whether or not an authorized approver approved each selected employee expense report and compare and agree the amounts to the credit card statement.

Results

JobsOhio has 1 credit card account with separate cards issued to each of the multiple users and 1 credit card statement is received each month, which lists all transactions. JobsOhio's Chief Financial Officer (CFO) or a designated member of the accounting team downloads the credit card statement each month from the bank website and forwards each cardholder's individual statement to the cardholder. The cardholder then prepares an expense report and provides receipts, which is sent to an authorized approver for review. JobsOhio's CFO or a designated member of the accounting team then reviews each report to ensure that each transaction on the credit card statement agrees without exception to an approved entry on an expense report.

We obtained 1 employee expense report for each of the randomly selected 4 months (October 2021, December 2021, March 2022 and June 2022) during fiscal year 2022 along with supporting receipts. We compared and agreed each of the items claimed on the employee expense report to the corresponding credit card statement. All credit card statements agree to the employee expense reports without note. All employee expense reports were approved by an authorized approver, who was listed on the authorized approvers list provided by management. No exceptions were found as a result of applying the procedure.

Procedure 2

ORC 187.01(F)(2) - Inquire of management if an employee compensation plan was approved by the JobsOhio Board of Directors ("Board") and obtain a copy of minutes of the Board documenting such approval. If such plan was approved, randomly select a sample of 10 employees from the payroll register for the last payroll paid in June 2022 and compare the employee's gross earnings to the approval by the President and Chief Investment Officer (CIO) in accordance with the plan, by reference to the employee's offer letter or other wage documentation.

We inquired of management and were informed that an employee compensation plan was approved by the Board on December 14, 2021. We inspected meeting minutes for the executive session of the Board, which evidenced such approval. The compensation plan requires the Board to approve the compensation for executives and management to approve the compensation for all other employees. We randomly selected a sample of 10 employees from the June 24, 2022 payroll register, which was the last payroll pay date of the fiscal year. For the ten sampled employees, we obtained the employee's respective offer letter, adjustment authorization form, or promotion letter, if applicable, and observed the compensation amount was approved by the President and CIO for each of the 10 selected employees. We multiplied the employees' listed payroll register amount by 26 to calculate the total annual compensation amount. We then compared and agreed the annual recalculated compensation amount to the approved amount for all 10 employees selected. No exceptions were found as a result of applying the procedure.

Procedure 3

ORC 187.01(F)(5) - Inspect the minutes of the Board and list the date the strategic plan was established by the Board for calendar year 2022.

Results

We inspected the minutes of the Board and confirmed that the strategic plan for calendar year 2022 was established on June 2, 2022. No exceptions were found as a result of applying the procedure.

Procedure 4

ORC 187.01(F)(4) - Obtain a list of all major contracts from management (as defined by the JobsOhio Board) for services recommended by the President and CIO. Compare such contracts with the minutes of the Board to ascertain whether or not the Board approved these contracts.

Results

We obtained the list of major contracts from management (as defined by the JobsOhio Board) for services recommended by the President and CIO. The 16 listed contracts were compared to minutes of the Board and we ascertained through inspection of the Board minutes that there was approval for all 16 of the contracts. No exceptions were found as a result of applying the procedure.

Procedure 5

ORC 187.01(G) - Obtain from management a listing of disbursements, and the corresponding documentation, made to Board members in fiscal year 2022. Inspect the corresponding documentation to ascertain whether or not the disbursements were for travel, lodging, meals, or supplies. If the disbursement was not for travel, lodging, meals, or supplies, then inspect documentation and inquire of management to ascertain if the disbursement was for compensation. List any disbursements to Board members that were for compensation.

We obtained a listing of disbursements made to the Board members in fiscal year 2022. We inspected the corresponding documentation (invoices and expense reimbursement forms) in order to note the classification of the disbursements. All of the disbursements were classified as travel, lodging, meals, or supplies. No exceptions were found as a result of applying the procedure.

Procedure 6

Obtain the Board minutes and through inspection of the minutes ascertain whether or not there were any new Board members appointed in fiscal year 2022. If so, inspect documentation obtained by management and obtain a management's representation indicating the new Board member had the qualifications required by ORC 187.02.

Results

We obtained the Board minutes for fiscal year 2022 and observed 1 new appointment. We obtained a management representation letter indicating that the individual appointed to the Board had the qualifications required by ORC 187.02. No exceptions were found as result of applying this procedure.

Procedure 7

Obtain the listing from JobsOhio of all individuals who were required to file a financial disclosure statement with the Ohio Ethics Commission (OEC) according to ORC 187.03(B)(2). For each of the individuals who were required to file a financial disclosure statement, obtain from management the file-stamped cover page for the financial disclosure statement and compare to the date such statement was filed. Identify the number of statements not filed on or before May 16, 2022. For those who filed a financial disclosure statement after May 16, 2022, inspect the date of the individual's offer letter to make sure the financial disclosure statement was filed within 90 days of employment or a promotion.

Results

We obtained the listing from management of all individuals who were required to file a financial disclosure statement with the Ohio Ethics Commission (OEC) according to ORC 187.03(B)(2). There was 1 financial disclosure statement not filed before May 16, 2022 for an employee who was not hired nor promoted during fiscal year 2022, whose extension request was approved by the Ohio Ethics Commission to be filed by June 15, 2022. The individual filed on May 19, 2022, which was before the new deadline of June 15, 2022. We obtained the file-stamped cover page for all other employees and board members who were required to file. No exceptions were found as result of applying this procedure.

Procedure 8

Obtain the quarterly written reports of expenditures filed with the Ohio Development Services Agency (DSA) (NKA The Ohio Department of Development [ODOD]) for the Governor and public officials designated by the Governor required to be submitted for compliance with ORC 187.03(B)(3) ("187.03 Report") for the period July 1, 2021 through June 30, 2022. Obtain email correspondence for the report

submittal to ascertain whether or not the report was submitted as required. For submittals that were not evidenced by email, confirm in writing with ODOD the receipt date of the report. Inspect the report for the following elements: the dollar value and purpose of each expenditure, the date of each expenditure, the name of the person that paid or incurred each expenditure, and the location, if any, where services or benefits of an expenditure were received. Obtain a copy of the business rules for preparing the 187.03 Reports ("Business Rules"). Randomly select a sample of up to 10 transactions from the reports' subledgers and compare and agree the dollar value, purpose of each expenditure, the date of each expenditure, and the location, if any, where services or benefits of an expenditure were received, to the Business Rules and corresponding documentation. Report any instances where the expenditure reported was not supported by the Business Rules and the supporting documentation.

Results

We obtained the quarterly written reports of expenditures filed with the ODOD for the Governor and public officials designated by the Governor required to be submitted for compliance with ORC 187.03(B)(3) ("187.03 Report") for the period July 1, 2021 through June 30, 2022. The reports with expenditures contained columns, which identified the following elements "dollar value," "purpose," "date," "name of person that paid," and "location." We observed that each report was originally submitted, as required by ORC 187.04(B)(2)(b) as referenced in ORC 187.03(B)(3), no less than quarterly by inspecting email correspondence. We also obtained a copy of the most updated business rules for preparing the 187.03 Reports ("Business Rules") dated July 1, 2014. For the 10 selected transactions that occurred in this fiscal year, we compared and agreed the dollar value, purpose of each expenditure, the date of each expenditure, and the location, if any, where services or benefits of an expenditure were received, to the Business Rules and corresponding documentation. We confirmed that each reported transaction was supported by management's Business Rules and supporting documentation for the selections. No exceptions were found as a result of applying the procedure.

Procedure 9

Obtain minutes and the list of public meetings of the Board at which a quorum is required to be physically present under ORC 187.01(F)(7), for the fiscal year ended June 30, 2022. Obtain JobsOhio's method for notifying persons of the time/place of such public meetings, and obtain the notices given for each such meeting. Ascertain whether or not a minimum of four meetings were held and that the minutes contained documentation that the meetings were open to the public except, by a majority vote of the directors present at the meeting, the meeting may be closed to the public. Ascertain whether or not these minutes were prepared, filed, and maintained for each of the meetings on the list of meetings provided by JobsOhio pursuant to ORC 187.03(E). For any such meetings during which a portion of the meeting was closed to the public, pursuant to ORC 187.03(C), inspect the Board-approved description of why a portion of such meeting was closed to the public and ascertain whether or not it was for one or more of the following purposes:

- (1) To consider business strategy of the corporation.
- (2) To consider proprietary information belonging to potential applicants or potential recipients of business recruitment, retention, or creation incentives. For the purposes of this division, "proprietary information" means marketing plans, specific business strategy, production

techniques and trade secrets, financial projections, or personal financial statements of applicants or members of the applicants' immediate family, including, but not limited to, tax records or other similar information not open to the public inspection.

- (3) To consider legal matters, including litigation, in which the corporation is or maybe involved.
- (4) To consider personnel matters related to an individual employee of the corporation.

Results

We obtained the Board meeting minutes for public meetings where a quorum is required to be physically present under ORC 187.01(F). There were 4 such meetings held during fiscal year 2022. The minutes were appropriately prepared, filed, and maintained for each of the meetings. The 4 public meetings did not have a portion closed to the public. Management informed us that its method for notifying persons of the time/place of such public meetings is to issue a press release, save the date, registration reminders, social media promotions, and a day before reminder prior to the meeting date. We obtained screenshots evidencing email communication for each of the meetings that there was to be an immediate Media Advisory release to the public discussing the who, what, when and where of the board meetings occurrence. No exceptions were found as a result of applying the procedure.

Procedure 10

Inspect the report submitted by the President and CIO of JobsOhio to the Governor detailing the Corporation's activities for the year ended December 31, 2021. Ascertain whether or not it was submitted by July 1, 2022 by inspecting email correspondence for submittal. Through a written certification of management which will provide a listing of the pages from the report which correspond with the below five elements and inspection of the report, ascertain whether or not the report contained the following five elements:

- (1) An analysis of the state's economy;
- (2) A description of the structure, operation, and financial status of the corporation;
- (3) A description of the corporation's strategy to improve the state economy and the standards of measure used to evaluate its progress;
- (4) An evaluation of the performance of current strategies and major initiatives;
- (5) An analysis of any statutory or administrative barriers to successful economic development, business recruitment, and job growth in the state identified by the JobsOhio during the preceding year.

Results

We obtained and inspected the report entitled "JobsOhio 2021 Annual Report/2022 Strategic Plan," which details JobsOhio's activities for the year ended December 31, 2021. We obtained and inspected

the email correspondence, which transmitted this report to the Governor's office and confirmed that the date of submittal was June 30, 2022, which meets the required submittal of July 1, 2022. As per email correspondence, the following documents were submitted to the Governor: a) the JobsOhio 2021 Annual Report/2022 Strategic Plan and b) Guide to Supporting Our State's Economic Development. We obtained written representation from management identifying the pages from the report entitled "JobsOhio 2021 Annual Report/2022 Strategic Plan," which correspond to the five elements indicated in the Procedure 10 above. We compared and agreed the page numbers and respective sections from the written representation to the report confirming all elements to be present. For the element specified in (5) above, management provided a document entitled "Guide to Supporting Our State's Economic Development" and this document was submitted with the report as evidenced by the email correspondence. No exceptions were found as a result of applying the procedure.

Procedure 11

Obtain from management documentation of the filing with the ODOD the following designated records described in the contract entered into between JobsOhio and the ODOD to assist the ODOD in its functions and duties:

- (1) The corporation's federal income tax returns;
- (2) The report of expenditures described in Division (B)(3) of Section 187.03 of the ORC. The records shall be filed with the agency at such times and frequency as agreed to by the corporation and the agency, which shall not be less frequently than quarterly;

Results

We obtained an email dated June 30, 2022, from JobsOhio to the ODOD, which indicated submission of the records and/or responses required per Procedure 11 as derived from the Agreement for Services, related to the points above, dated July 1, 2021, between JobsOhio and the ODOD. We observed that the filing included each of the designated records described in this procedure. No exceptions were found as a result of applying the procedure.

Procedure 12

Randomly select a sample of 20 employees from those officers and employees reported on the ORC 187.04(B)(2) report filed with the ODOD for Procedure 11 (3) above, and compare the amount reported as annual total compensation paid to the employee's 2021 Form W-2, Box 18. Report any instances where the amount reported to the ODOD does not match.

Results

We obtained the list of officers and employees reported on the ORC 187.04(B)(2) report filed with the ODOD and made a sample of 20 employees. We compared the amount reported as annual total compensation paid to the employee or officer to their respective 2021 Form W-2, Box 18. No exceptions were found as a result of applying the procedure.

Procedure 13

Ascertain through inquiry of management and inspection of minutes of the Board whether or not there were any changes to the conflicts of interest policy of JobsOhio during the fiscal year ended June 30, 2022.

- (1) If there were changes during that fiscal year, inspect the revised policy(ies) and ensure that it (they) continue to prohibit any director of JobsOhio from soliciting or accepting employment with any person that receives or has received an incentive or other assistance as a result of a decision the director participated in as a director of JobsOhio.
- (2) Inspect JobsOhio's Board minutes for disclosures of financial interests and report whether the minutes reflect that the conflicts of interest policy was followed.

Results

We obtained all minutes of the Board meetings held during fiscal year 2022. We inquired with management and inspected the minutes of the Board and did not identify any changes in the conflicts of interest policy. We did not identify instances where financial interests were required to be disclosed. Inspection of the minutes indicate that conflicts of interest policy was followed. No exceptions were found as a result of applying the procedure.

Procedure 14

Randomly select a sample of 10 companies from the OEC compilation lists (of each Board member's employer or ownership interests) that the Board member reported per ORC 187.06 (the "OEC Compilation List") dated July 16, 2022 for calendar year 2021 and compare it to the JobsOhio economic development incentive projects ("Projects") or arrangements made by JobsOhio taken from the ODOD End-of-Year Report for calendar year 2021. Identify any companies in the sample that had active Projects or arrangements, defined as having received an offer from JobsOhio during the first six months of fiscal year 2022. From that list identify whether JobsOhio reported those companies where an offer had been made back to OEC by its letter to the OEC dated August 23, 2022.

We randomly selected a sample of 10 companies from the OEC Compilation Lists dated July 16, 2022 and compared the company names to the ODOD End-of-Year Report. We identified one Company with an active project(s) or arrangement(s), defined as having received an offer from JobsOhio during the first six months of fiscal year 2022. Therefore, we inspected the OEC letter dated August 23, 2022 and ascertained that the Company with the active project was properly included. No exceptions were found as a result of applying the procedure.

Procedure 15

For fiscal year 2022, obtain from the JobsOhio Senior Director of Compliance the confidential list of each Board member's and employee's financial and fiduciary interests (the "JO Disclosures List"). From the JO Disclosures List, randomly select a sample of 10 Board members or employees and compare their financial and fiduciary interests with the Projects or arrangements listed on the ODOD End-of-Year Reports covering the final six months of calendar year 2021. Where a Board member or employee had a financial or fiduciary interest in an entity that JobsOhio had a Project or arrangement with during fiscal year 2022, inspect the JobsOhio customer relationship management (CRM) system Project file for the Project or arrangement and identify whether the financial or fiduciary interest was listed in the Conflict of Interest section of that Project file. Report any Project files where the potential conflict was not identified by JobsOhio. Additionally, inspect the rest of the Project file for the subject Board member's or employee's name and report if the person is listed as having participated in the Project.

Results

We obtained the confidential list of financial and fiduciary interests for each Board member and employee from the JobsOhio Senior Director of Compliance and randomly selected a sample of 10 Board members or employees. For each of the selections, we compared their financial and fiduciary interests with the Projects or arrangements listed on the ODOD End-of-Year Reports covering the final six months of calendar year 2021. We identified 1 Board member or employee who was said to have a de minimis financial or fiduciary interest in an entity that JobsOhio had a Project or arrangement with during fiscal year 2022. De minimis is defined by the Conflicts of Interest Policy established by JobsOhio. For this interest, we inspected the JobsOhio CRM system Project file for the Project or arrangement and observed therein that the Board Member or employee did not participate in the project. No exceptions were found as a result of applying the procedure.

Procedure 16

From the ODOD End-of-Year Report covering the last six months of calendar year 2021, randomly select a sample of 20 Projects and provide them to the Senior Director of Compliance. The Senior Director of Compliance will provide a list of any Board member or employee names that were identified in the Project file for the selected Projects as participating in the Project ("Participants List"). Compare the Participants List to the JO Disclosures List and ascertain whether or not any individuals on the Participants List are listed as having a financial or fiduciary interest, including de minimis interests, in the Project. If so, report whether JobsOhio documented the financial or fiduciary interest (not to include consumer debt, which includes credit cards, student loans, and car loans) in the Conflicts of Interest section of that Project file.

We randomly selected 20 Projects from the ODOD End of Year Report which covered the last six months of calendar year 2021. For each of the twenty Projects selected, the JobsOhio Senior Director of Compliance provided a list of any Board member or employee names which were identified in the CRM system as participating in the Project. We compared the Participant List to the JO Disclosure list and identified 1 project that was listed on the disclosure list. We identified 2 individuals that were listed as having a financial or fiduciary interest in the identified project that was on the disclosure list. We inspected the Conflicts of Interest section of that Project file and noted that the interest was denoted therein. No exceptions were found as a result of applying the procedure.

Procedure 17

ORC 187.06(G) - Obtain a listing of each officer and director and ascertain whether or not each individual listed has signed a statement affirming that the individual:

- (1) has received the conflicts of interest policy,
- (2) has read and understands the policy,
- (3) has agreed to comply with the policy, and
- (4) understands JobsOhio's statutory purpose and that it is a nonprofit corporation.

Results

We obtained from management the listing of officers and directors in fiscal year 2022. We also obtained the annual conflicts of interest statement for each of the individuals as of the date of this report, observing that all statements were signed by the officer or director. The statement affirmed that the individual has received the conflicts of interest policy, has read and understands the policy, has agreed to comply with the policy, and understands JobsOhio's statutory purpose and that it is a nonprofit corporation. No exceptions were found as a result of applying the procedure.

Procedure 18

ORC 187.061(A) - Obtain the ethical conduct statement and the gift policy acknowledgement for all officers and employees of JobsOhio and compare such statements to a listing of employees listed on the last payroll register for the last payroll paid in June 2022. Through inspection of an employee listing, ascertain whether or not anyone was hired after the last payroll register of the fiscal year and prior to the end of the fiscal year and signed the ethical conduct statement and the gift policy acknowledgements.

We obtained the ethical conduct statement and gift policy acknowledgement for all officers and employees of JobsOhio as of the end of fiscal year 2022. We compared each of the employees' names (excluding officers that are not also employees) to the head count of the last payroll in June 2022. We obtained the ethical conduct statement and gift policy acknowledgement for all employees and officers. No exceptions were found as a result of applying the procedure.

Procedure 19

ORC 187.061(A) - Obtain completion certificates or an attendance register for the annual course or program of study on ethics for all officers and employees of JobsOhio and compare the names of officers and employees to a listing of employees listed on the payroll register for the last payroll paid in June 2022. Through inspection of an employee listing, ascertain whether or not anyone was hired after the last payroll register of the fiscal year and prior to the end of the fiscal year and signed the ethical conduct statement and the gift policy acknowledgements.

Results

We obtained the attendance registers or the acknowledgment for the annual courses on ethics (collectively "training records") for all other officers and employees of JobsOhio that completed the training in the fiscal year and compared the names of officers and employees to the last payroll paid in June 2022. Through inspection of the employee listing dated June 30, 2022, we ascertained that there were no employees hired after the last payroll date of the fiscal year through June 30, 2022. No exceptions were found as a result of applying this procedure.

Procedure 20

Obtain a written representation from JobsOhio management that JobsOhio has not made any contribution to any campaign committee, political party, legislative campaign fund, political action committee, or political contributing entity as those terms are defined in ORC 3517.01.

Results

We obtained a management's representation indicating that at no time did JobsOhio or any of its employees or agents, on its behalf, make a contribution to any campaign committee, political party, legislative campaign fund, political action committee, or political contributing entity as those terms are defined in ORC 3517.01. No exceptions were found as a result of applying the procedure.

Procedure 21

From the JobsOhio Monthly Executed Agreement Reports located on the JobsOhio website covering the period July 1, 2021 through June 30, 2022, randomly select one JobsOhio Economic Development Grant, one JobsOhio Workforce Grant, one JobsOhio Research and Development Grant, one JobsOhio Revitalization Grant, one JobsOhio Phase II Grant, one JobsOhio Inclusion Grant, one JobsOhio

Speculative Development Grant-OSIP, one JobsOhio Vibrant Community Grant, one JobsOhio Growth Fund Loan, one JobsOhio Revitalization Loan, and one JobsOhio Speculative Development Loan-OSIP.

- (1) Through inspection of the notes of the twice weekly JO/ODOD Project Review meetings in the CRM ("JO/ODOD Project Review meeting"), ascertain whether or not the grant/loan was discussed during at least one of those meetings and before the agreement was executed as reflected in the CRM.
- (2) By inspection of the JO/ODOD Project Review meeting notes, ascertain whether or not the leadership of both JobsOhio (at least three of the following: Senior and other Managing Directors, and/or General Counsel) and ODOD (the Director, Assistant Director, and/or Chief of the Business Services Division or designee) was in attendance at the JO/ODOD Project Review meeting or if on or after August 24, 2020, whether or not the JobsOhio Managing Director of Projects approved the projects at the JO/ODOD Meetings and provided the meeting agendas to ODOD. If the project only had a JO incentive, ODOD would not be in attendance at the JO/ODOD Project Review Meeting.
- (3) Obtain from management the original offer letter that was sent to the company. Compare the date of the offer letter to the date of the notes of the twice weekly JO/ODOD Project Review meeting. Report the number of grants/loans selected where:
 - (a) an offer letter was issued before the review at a JO/ODOD Project Review meeting or
 - (b) the offer letter was never issued.
- (4) Compare the application submission date of the company indicated in the Project record in the CRM to the offer letter date. Report the number of grants/loans where an application submission date was prior to the original offer letter.
- (5) For each of the loans selected, inspect the Project record and ascertain whether or not the JobsOhio loan review committee reviewed each loan by reference to the loan review meeting notes ("Loan Review Meeting Notes") in the CRM.
- (6) Through inspection of the agenda and other records of the Independent Review Panel meeting notes ("Independent Review Panel Notes") in the CRM, ascertain whether or not the panel reviewed each grant/loan. This section is not applicable to Inclusion Grants or Vibrancy Grants.
- (7) JobsOhio requires the creation of jobs or other metrics within a specified time period, known as the Metric Evaluation Date (MEvD). Inspect the grant/loan agreement and ascertain whether or not a MEvD was included. Compare the MEvD in the agreement to the MEvD approved during the JO/ODOD Project Review meeting and reflected in the most recent offer letter (either an offer letter or a supersedes offer letter) for the Project. If there are any differences, inspect the Project records for and identify documentation confirming the change in MEvD from the offer letter to the final approved agreement.
- (8) In the record for the Project, inspect the Project description and identified industry cluster and

ascertain whether or not it was for retail and "other population driven businesses," (defined as hospitals, schools, entertainment uses, residential, or multifamily developments) other than for headquarters, back office, or logistics Projects for a retail entity. Report the number of Projects selected that were for retail and/or other population-driven businesses.

(9) Inspect the Project record to ascertain the average hourly rate of the jobs committed to be created and ascertain whether or not it is at or above the wage floor defined by JobsOhio as 150% of federal minimum wage applicable on the execution date of the grant/loan agreement. (This wage floor is not a requirement of the Board approved guidelines for the Research and Development Grant, and so this procedure is not required for such Grants). This section is not applicable to Phase II Grants, Site Redevelopment Grants, Site Redevelopment Loans, Speculative Development Grants and Speculative Development Loans.

Results-Exception Identified

No exceptions were found as a result of applying the procedures for the remaining 10 selections.

Procedure 30

For the JobsOhio Growth Fund Loan selected in Procedure 21, obtain the executed loan agreement and perform the following:

- (1) Ascertain whether or not, by inspection of the executed loan agreement, that the Growth Fund Loan was within the typical range of \$500,000 to \$5,000,000 as outlined in the Board Guidelines of the program. If the loan was not within that range, agree the amount of the loan in the executed loan agreement to the amount of the loan approved in the most recent term sheet reviewed and approved by the JobsOhio loan review committee for the loan.
- (2) Eligible costs include the following as described by the Board Guidelines: Land; building (purchase, construction, or renovation); machinery and equipment; capitalized costs directly related to a fixed asset purchase; and software development. Inspect the loan agreement and ascertain whether or not it includes one or more of the foregoing eligible costs (as outlined in the Board Guidelines for the program).

- (5) Inquire of management what security documents were used to secure the loan and inspect the Closing Binder in the Project record to ascertain whether or not those documents were included.

Results

For the Grown Fund Loan selected in Procedure 21, we obtained the executed loan agreement and performed each of the aforementioned procedures. We inspected the loan agreement and confirmed that the one Growth Fund Loan selected was within the typical range of \$500,000 to \$5,000,000. For the one loan selected, we observed that eligible costs were directly related to a fixed asset purchase. We inspected the loan agreement term matched the most recent term sheet and that the applicant selected committed to make at least a 20% contribution in allowable Project costs and uses. We inquired of management as to the security documents and inspected the documents that were included in the Closing Binder. No exceptions were found as a result of applying this procedure.

If the Project loan was not within that range, agree the amount of the loan in the executed loan agreement to the amount of the loan approved in the most recent term sheet reviewed by the JobsOhio loan review committee for the Project.
- (4) Inspect the term of the note and ascertain whether or not it is within the typical range of between 10 and 15 years. If the term was not within that range, agree the term in the executed loan agreement to the term approved in the most recent term sheet reviewed by the JobsOhio loan review committee for the Project.

Results-Exception Identified

For the Revitalization Loan selected in Procedure 21, we obtained the executed loan agreement and performed each of the aforementioned procedures. We inspected the loan agreement to ascertain that it required at least 20 jobs created and/or retained. We inspected the Project records and did not identify a signed agreement from the borrower or evidence that the borrower holds title for the Project site. The borrower was a special purpose limited liability company formed to incur and repay all debt for the overall transaction, consistent with statutory requirements to enable the end-user companies to receive New Market and Historic Tax Credits. We inspected the loan agreement to ascertain that it includes one or more eligible costs (as outlined in the Board Guidelines for the program). We ascertained that the loan amount was within the typical dollar amount of the range but was outside the 20% and 75% of eligible costs. However, we agreed the amount of the loan in the executed loan agreements to the amount of the loan approved in the most recent term sheet reviewed by the JobsOhio loan review committee. We ascertained that the loan was within the typical range of between 10 and 15 years.

If it does not, inspect the Project records for and ascertain whether or not the cost was approved in the most recent term sheet reviewed and approved by the JobsOhio loan review committee for the loan.
- (3) Ascertain whether or not, by inspection of the loan agreement, whether or not the loan, in combination with the grant, were within the typical range of less than or equal to \$5,000,000

and did not exceed 50% of the total project costs unless authorized by JobsOhio President/CIO.

Results

For the JobsOhio Speculative Development Loan-OSIP selected in procedure 21, we obtained the executed loan agreement to ascertain that it was awarded to an eligible applicant and project as outlined in the Board Guidelines for the program. Per inspection, the executed loan agreement included one or more eligible costs as outlined by the Board Guidelines for the program. Therefore, we did not inspect the most recent term sheet. We ascertained through inspection of the loan agreement that it was within the typical range and did not exceed 50% of the total project costs. No exceptions were found as a result of applying the procedure.

Procedure 33

From the loans selected in Procedure 21, randomly select one reimbursement request paid during fiscal year 2022, if any, and perform the following:

- (1) Inspect the loan agreement for the disbursement requirements specific to that loan (typically located in Section 2.5) and ascertain whether or not by inspection of the Closing Binder, disbursement, and other program records for the Project that JobsOhio received proof that the conditions were met prior to JobsOhio disbursing any loan proceeds.
- (2) If the Loan Agreement requires that disbursements are limited to a certain percentage of eligible costs, inspect the approved disbursement records to ascertain whether or not they were within the required percentage.
- (3) For each loan, randomly select one reimbursement request paid during fiscal year 2022, if any, and ascertain whether or not by inspection of the disbursement records, that source documentation, when aggregated, is greater than or equal to the amount of the disbursement and were for eligible costs in accordance with the terms of the agreement.
- (4) Ascertain whether or not the Metric updates were included with the reimbursement request prior to approval of the reimbursement request.
- (5) Ascertain whether or not both a staff member and the Chief Financial Officer or designee approved each reimbursement request prior to disbursement of funds, as evidenced by the date on the reimbursement request approval and the date the payment was disbursed.

Results

We inspected the loan agreement for the 3 loans selected in Procedure 21 for disbursement requirements specific to each loan. For the 3 selected loans in procedure 21, we inspected the project record and noted there were no disbursements paid during fiscal year 2022. Given there were no disbursements in fiscal year 2022 steps 2 through 5 were not applicable. No exceptions were found as a result of applying the procedure.

Procedure 34

From the grants selected in Procedure 21, randomly select one reimbursement request paid during fiscal year 2022, if any, and perform the following:

- (1) Ascertain whether or not, by inspection of the disbursement records that source documentation, when aggregated, is greater than or equal to the amount of the disbursement and were for eligible costs in accordance with the terms of the agreement, unless through an inspection of the Project record, the grant was approved to participate in the JobsOhio Rapid Deployment Initiative (JORDI). If so, select another reimbursement request until a non-JORDI reimbursement request has been selected.
- (2) Ascertain whether or not the Metric updates were included with the reimbursement request prior to approval of the reimbursement request.
- (3) Ascertain whether or not both a staff member and the Chief Financial Officer or designee approved each reimbursement request prior to disbursement of funds, as evidenced by the date on the reimbursement request approval and the date the payment was disbursed.
- (4) If a deficiency in the reimbursement request was listed by JobsOhio, ascertain whether or not JobsOhio notified the grantee of the deficiencies by inspecting the documentation of the notification. Ascertain through an inspection of the approved disbursement request that the deficiency amount was not included in the funds disbursed.

Results

For each of the seven grants selected in Procedure 21, we selected one fiscal year 2022 reimbursement, unless there were none, and performed each of the aforementioned procedures. We observed that six out of the eight grants selected did not have any disbursements paid during fiscal year 2022. For the remaining two grant selections we randomly selected one reimbursement request paid during fiscal year 2022 and ascertained through inspection of the project records that the source documentation was greater to or equal to the disbursement amount. Further, that the amount only included eligible costs in accordance with the agreement and that metric updates were included with the reimbursement prior to approval. Both a staff member and Chief Financial Officer approved each reimbursement prior to disbursement of funds. There was no deficiency reimbursements for either of the disbursements selected. No exceptions were found as a result of applying this procedure.

Procedure 35

Obtain from management a list of all Projects approved to participate in the JobsOhio Rapid Deployment Initiative (JORDI) that had an outstanding requirement as of July 1st, 2021, and randomly select one loan and one grant and perform the following:

(1) Ascertain that the Company provided supporting documentation for the original JORDI reimbursement request by June 30, 2022;

(2) If supporting documentation was not received by June 30, 2022, ascertain whether or not JobsOhio approved an extension or took action.

Results

We obtained a list of all Projects approved to participate in JobsOhio Rapid Deployment Initiative and selected 1 loan and 1 grant to perform the aforementioned procedures. No exceptions were found as a result of applying this procedure.

Procedure 36

From the JobsOhio Monthly Executed Agreement Reports covering the period January 1, 2021 through December 31, 2021, randomly select one loan and one grant (excluding Phase II Grants) and perform the following:

- (2) If an annual report was received later than March 1, 2022, by inspection of the Project records, note the date the report was received and if an extension had been approved by the Senior Director of Compliance or the Senior Project Performance Manager.

Results

We obtained the JobsOhio Monthly Executed Agreement Reports covering the period January 1, 2021, through December 31, 2021, and selected a sample of 1 loan and 1 grant. We performed each of the aforementioned procedures for the grant and loan selected. For both selections, we observed through the Project records in the CRM that an annual report was submitted to JobsOhio no later than March 1, 2022. No exceptions were found as a result of applying the procedure.

Procedure 37

Obtain from management a list of all Projects that reached their MEvD on December 31, 2021 ("2021 MEvD List"). Of the non-Phase II JobsOhio Projects with a MEvD of December 31, 2021, randomly select a Project.

- (1) For the Project selected, ascertain whether or not, through inspection of the Project record, the company submitted an Annual Report for calendar year 2021.
- (2) If the company did not submit an Annual Report for calendar year 2021, inspect the PPRT meeting notes in the Project record to ascertain whether or not the Project was selected to go before the PPRT. If it was selected to go before the PPRT, ascertain whether or not it was on the PPRT meeting agenda for discussion.
- (3) Inspect the PPRT meeting notes in the Project record to ascertain what the PPRT decided, and

whether the decision was acted on through the date of the Agreed-Upon Procedures.

Results

We obtained a listing of Projects that reached their MEvD on December 31, 2021 and made a random selection of a non-Phase II Project. As the selected Project submitted an Annual Report for calendar year 2021 no further procedures were performed. No exceptions were found as a result of applying the procedure.

Procedure 38

For the Project selected in Procedure 37, ascertain whether or not the company requested and received any of the grant and/or loan funds. If the Project received funds, ascertain whether or not the company requested a disbursement of funds after the MEvD. If the company did, inspect the PPRT meeting notes in the Project record to ascertain PPRT approved the disbursement request.

Results

For the Project selected in Procedure 37, we inspected the project record to ascertain if the company received any funds. Through inspection of the project record it was observed that the disbursement request was requested prior to the MEvD. No exceptions were found as a result of applying the procedure.

Procedure 39

Of the Projects listed on the 2021 MEvD List, excluding Phase II Grants, select a random sampling of 15 of the Projects listed, and inspect the Annual Report submitted for calendar year 2021 for those Projects. For each Project selected, JobsOhio will complete the first five columns of the chart attached as Exhibit A to these procedures to reflect whether or not the company met its metric commitments. Ascertain whether or not the information in the first five columns agrees to supporting documentation obtained from JobsOhio.

If the company did not meet its job number, payroll, or fixed asset metric commitments, then perform the following:

- (1) Inspect the Project record to ascertain whether or not the company requested or provided Market Conditions and Other Factors (as provided in their Grant or Loan Agreement) to explain the shortfall.
- (2) Inspect the Project record to ascertain whether or not JobsOhio documented its follow up with the company.
- (3) Ascertain whether or not the Project was selected by JobOhio's Project Performance Team to go to PPRT or through a Project Change Request (PCR), and that the determination made by the Project Performance Team was consistent with the JobsOhio Decision Matrix for these projects.

(4) If selected to go before PPRT:

- a. Inspect the PPRT meeting notes in the Project record to ascertain whether or not the Project was on the PPRT meeting agenda for discussion.
- b. Inspect the PPRT meeting notes in the Project record to ascertain what PPRT decided, and whether the decision was acted on through the date of the Agreed-Upon Procedures report.

(5) If selected to go through a PCR:

- a. Inspect the PCR notes to ascertain whether or not the Project had input provided.
- b. Inspect the PCR in the Project record to ascertain what was decided, and whether the decision was acted on through the date of the Agreed-Upon Procedures report

Results

We selected 15 Projects from the 2021 MEvD list and inspected the 2021 Annual Reports for all of the projects selected. Of those projects selected, 7 projects had met all their metrics while 8 of the Projects did not meet at least 1 of their metrics. We then performed each of the aforementioned procedures. We inspected the project records and observed that all 8 projects that missed at least one of their metrics provided an explanation of the shortfall. Of the 8 projects that did not meet at least one performance metrics, 7 of them went through the project change request (PCR) while 1 project went to PPRT. For the 8 aforementioned projects, we ascertained that the determination made by the Project Performance Team was consistent with the JobsOhio Decision Matrix for these projects. For the 1 project selected to go to PPRT we inspected the meeting agenda to ascertain that the project was included on the agenda and the decision was acted on through the date of the Agreed-Upon Procedures report. For the 7 projects that went through PCR we inspected the project record to ascertain there was input provided and the decision was acted upon through the date of the Agreed-Upon Procedures report. No exceptions were found as a result of applying the procedure.

Procedure 40

We inspected the project record and observed there was approval for the project by a staff member and CFO prior to the disbursement of funds. No exceptions were found as a result of applying this procedure.

JobsOhio Beverage System (JOBS)

Procedure 1

Obtain a written representation from management that JOBS has not made any contribution to any campaign committee, political party, legislative campaign fund, political action committee, or political contributing entity as those terms are defined in ORC 3517.01.

Results

We obtained a copy of management's representation indicating that at no time did JOBS or any of its employees or agents, on its behalf, make a contribution to any campaign committee, political party, legislative campaign fund, political action committee, or political contributing entity as those terms are defined in ORC 3517.01. No exceptions were found as a result of applying the procedure.

Procedure 2

Following the fiscal year ended June 30, 2022, ascertain whether or not JOBS made an overpayment or underpayment of actual ordinary operating expenses by obtaining the JOBS Annual Reconciliation Report, which is calculated by DLC. If an overpayment has been made, ascertain whether or not the overpayment was credited as an adjustment amount against the Estimated Expense Payment for the second quarter of the following fiscal year. If an underpayment was made, ascertain whether or not JOBS paid such adjustment amount to DLC no later than 31 days after receipt of DLC's written notice and calculation of such underpayment as evidenced by the date on the disbursement utilized to pay such amount.

Results

We obtained the JOBS Annual Reconciliation Report for the fiscal year ended June 30, 2022 which showed an overpayment of actual ordinary operating expenses of \$5,917,966.45. Per inspection of the canceled check copy for the second quarter of the following fiscal year, we confirmed that the overpayment was credited as an adjustment against the Estimated Expense Payment. No exceptions were found as a result of applying the procedure.

Procedure 3

Obtain a listing of liquor tax payments made during fiscal year 2022 from management and randomly select a sample of 10 liquor tax payments. Ascertain whether or not JOBS (or the master trustee on its behalf) paid applicable liquor taxes on or before the 5th and 20th days of the calendar month following applicable tax calculations made by DLC as evidenced by the date on the disbursement utilized to pay such amount. If the fifth or 20th day of the month is not a business day, ascertain whether or not the disbursement date was the next business day of the month.

Results-Exception Identified

We obtained a listing of liquor tax payments from JOBS management and randomly selected 10 liquor tax payments. There were 9 payments made on or before the 5th or 20th days of the calendar month or

the first business day before or following the 5th or the 20th, if they did not fall on a business day. There was 1 payment made on the 7th day of the calendar month as evidenced by the disbursement date which was not the next business day of the month. JOBS submitted the payment to the bank on the 6th day of the month as the 5th day was not a business day. However, the bank disbursement was dated the 7th day of the month.

Procedure 4

Inquire of management if there is a process in place to ascertain whether or not "reportable events" have occurred per Section 6 of the Continuing Disclosure Undertaking Agreement. Inquire of management whether any reportable event did occur that was required to be disclosed. If so, ascertain whether or not, by reference to the Electronic Municipal Market Access (EMMA) System (https://emma.msrb.org) that the disclosure was made.

Results

We inquired of JOBS' management and were informed that it regularly monitors events per Section 6 of the Continuing Disclosure Undertaking Agreement during the normal course of business through weekly meetings attended by the CFO and President/CIO. Management also informed us that there were no "reportable events" during fiscal year 2022. No exceptions were found as a result of applying the procedure.

Procedure 5

For a randomly selected sample of six weeks during fiscal year 2022, ascertain whether or not JOBS provided the Trustee with an officer's certificate(s) providing an estimated Operating Expense of the Liquor Enterprise for the next week, including the amounts estimated to be paid under the Service Agreement.

Results

We randomly selected a sample of 6 weeks and confirmed that JOBS provided the Trustee with an officer's certificate providing an estimated Operating Expense of the Liquor Enterprise for the next week, including the amounts estimated to be paid under the Service Agreement. No exceptions were found as a result of applying the procedure.

Procedure 6

Inquire of management and through inspection of the management-provided memorandum to the Ohio Office of Budget and Management (OBM), ascertain whether or not liquor enterprise profits exceeded the base franchise profits (for fiscal year 2022, the base amount is \$335,979,095.) If the base franchise profits were exceeded, recalculate that the cash payment made to the state (the "supplemental payment") was equal to 75% of the amount by which the liquor enterprise profits exceeded the base franchise profits. Ascertain whether or not JOBS paid the calculated amount to the state by inspecting the bank statement for indication that the payment was either wired to OBM or paid by physical check.

We inquired of management and obtained the memorandum to the Ohio Office of Budget and Management (entitled "Deferred Payment Notice"), which indicated that the liquor enterprise profits were \$480,575,980. The profits exceeded the base franchise profits of \$335,979,095 by \$144,596,885. We recalculated the resultant supplemental payment of \$108,447,664 by multiplying the excess profit of \$144,596,885 by 75%. We also obtained the JOBS' bank statement for August 2022 and observed that the payment of \$108,447,664 was made on August 29, 2022. No exceptions were found as a result of applying the procedure.

Procedure 7

Obtain from management filings to the trustee (as evidenced by email correspondence for submittal), for filing on the EMMA System, the following financial information with respect to the Series 2013 Bonds:

- (1) Within 120 days, or when available, the audited financial statements for the year ended June 30, 2022.
- (2) Within 60 days of the close of each March 31, June 30, October 30, and December 31, commencing June 30, 2022, financial information for the preceding three-month period, including unaudited financial statements and income statements, if audited financial statements are not available. Perform this procedure for any three-month period for which the filing date was in fiscal year 2022.
- (3) Within 120 days of the close of each fiscal year, commencing June 30, 2022, operating data of the general type included under the heading, "THE LIQUOR ENTERPRISE" in the final offering circular. Perform this procedure for the required filing which occurred in fiscal year 2022.

Report any instances where the filings were not made to the trustee within the time period specified above.

Results

We obtained from management the filings to the trustee for filing on the EMMA System and confirmed that all financial statements were filed within the deadlines. No exceptions were found as a result of applying the procedure.

Procedure 8

Ascertain through inquiry of JOBS management and OBM management whether or not JOBS received reimbursement from the State of Ohio for PPE purchases that were direct shipped to the Ohio Department of Health for intake and distribution during FY 2021.

We inquired with management and OBM Management whether or not JOBS received reimbursement from the State of Ohio for PPE purchases. Based on inquiries held, JOBS has not received reimbursement for the PPE purchases. No exceptions were found as a result of applying the procedure.

Procedure 9

Inquire of management if any changes or amendments were made to the conflicts of interest policy of JOBS during fiscal year 2022. If so, inspect action of the JOBS Board of Directors ("JOBS Board") evidencing formal adoption and approval.

Results

We inquired with management and did not identify any changes in the conflicts of interest policy. No exceptions were found as a result of applying the procedure.

Procedure 10

Obtain a listing of disbursements for commissions and bailment purchases made during fiscal year 2022 from management. From the list provided, randomly select a sample of 20 disbursements and inspect electronic records and ascertain whether JOBS provided DLC with an electronic record no later than the same day in which such disbursements were made.

Results

We obtained a listing of disbursements for commissions and bailment purchases made during fiscal year 2022 from management. We randomly selected 20 disbursements from the listing provided. We obtained the bank statement and the electronic record for each selection. We ascertained through inspection of the aforementioned support that JOBS provided the electronic records to the DLC no later than the same day of the disbursement. No exceptions were found as a result of applying the procedure.

JobsOhio Growth Capital (JOGC)

We inspected the project record and ascertained that each company met the criteria outline in the aforementioned procedure to qualify for the program and that two or more JobsOhio employees selected the companies to participate in the program. We selected 3 disbursement and ascertained that the funds were disbursed after the agreement was executed and the amount of the request did not exceed the total amount of the

executed agreement. Upon inspection of the disbursements both a staff member and the Chief Financial Officer or designee approved each disbursement request prior to the disbursement of funds. No exceptions were found as a result of applying this procedure.
