We have reviewed the *Independent Auditors' Report* of the Community Correctional Center of Butler Clermont and Warren, Warren County, prepared by Clark, Schaefer, Hackett & Co., for the audit period July 1, 2020 through June 30, 2022. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Community Correctional Center of Butler Clermont and Warren is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITORS' REPORT

To the Members of the Facility Governing Board
Community Correctional Center of Butler, Clermont, and Warren Counties:

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of Community Correctional Center of Butler, Clermont, and Warren Counties (the "Center") which comprises the cash balances, receipts and disbursements for each fund as of and for the years ended June 30, 2022 and 2021, and the related notes to the financial statements.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each fund of the Community Correctional Center of Butler, Clermont, and Warren Counties as of and for the years ended June 30, 2022 and 2021, and the related notes to the financial statements, in accordance with the financial reporting provisions the Ohio Department of Rehabilitation and Corrections permits as described in Note 1.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Center as of June 30, 2022 and 2021, or the changes in financial position thereof for the years then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the financial statements are prepared by the Center on the accounting basis permitted by the financial reporting provisions of the Ohio Department of Rehabilitation and Corrections, which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United State of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions the Ohio Department of Rehabilitation and Corrections. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement make by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 29, 2022, on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

**OHIO DEPARTMENT OF REHABILITATION AND CORRECTION
COMMUNITY BASED CORRECTIONAL FACILITY**

**COMMUNITY CORRECTIONAL CENTER OF BUTLER, CLERMONT, AND WARREN COUNTIES
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022**

1. Summary of Significant Accounting Policies

A. Description of the Entity

The Community Correctional Center of Butler, Clermont, and Warren Counties, (the Center), provides an alternative to prison incarceration for felony offenders. The Center is the last step in the continuum of increasing punishment before prison incarceration. The Center is a minimum security operation housing approximately 110 offenders. A Facility Governing Board oversees the Center's operations. The Judicial Advisory Board appoints two-thirds of the members of the Facility Governing Board and advises the Facilities Governing Board regarding Center matters. The Center serves Butler, Clermont and Warren Counties.

The financial statement presents all funds related to the Center.

The Facilities Governing Board has contracted Center operation responsibilities to Talbert House, a non-profit organization. Talbert House is responsible for essentially all management decisions related to the Center, subject to the Facilities Governing Board's oversight.

B. Basis of Accounting

These financial statements follow the accounting basis permitted by the Ohio Department of Rehabilitation and Corrections (regulatory cash basis). This basis is similar to the cash receipts and disbursements accounting basis. The Center recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred.

These statements adequately disclose material matters the Ohio Department of Rehabilitation and Corrections requires.

The Center is a cost center on the books of Talbert House. In compliance with the reporting requirements of the Ohio Department of Rehabilitation and Corrections, any capital equipment that is purchased is expensed during the period of acquisition less amounts of the refund payable due to ODRC. See Note 4.

C. Cash

Talbert House is the custodian for the Center's cash. Talbert House segregates cash related to the Industrial and Entertainment (I&E)/Telephone Commission fund in a separate bank account.

Talbert House commingles the Center's State Appropriations and Grants with cash from non-community based correction facility activities. Ending Fund Cash Balance on the statements represents a net receivable from Talbert House.

1. Summary of Significant Accounting Policies (Continued)

D. Fund Accounting

The Center uses fund accounting to segregate amounts that are restricted as to use. The Center has the following funds:

State Appropriations and Grants

Ohio Department of Rehabilitation and Corrections (ODRC) 501-501 Funding: ODRC grants this funding, appropriated from the State's General Fund, to the Center to support general operating costs.

Justice Reinvestment and Incentive Funding (State): ODRC grants this funding to the Center to adopt policies and practices to reduce the number of offenders on probation supervision who violate the conditions of their supervision.

Federal: Reports amounts received from the Federal government, including amounts passed through ODRC. The Center received ABLE and School Lunch grants during the fiscal years ended June 30, 2022. ABLE grants are used for teacher salaries and supplies. These are both cost reimbursement grants.

<u>Grant Name</u>	<u>Pass-Through Entity</u>	<u>Description of Grant</u>
ABLE	ODRC	Funding for adult basic literacy and education program
National School Lunch	ODE	Funding to provide nutritious meals for children

Offender Funds

Industrial and Entertainment Fund: This fund receives other Offender Funds, such as telephone commissions and a reception fee of \$125 from each offender. This fund pays for programs and services benefiting offenders, such as indigent offenders' supplies and entertainment.

E. Budgetary Process

1. Appropriations

The Center must budget its intended uses of ODRC 501-501 funding as part of its funding application to ODRC. After ODRC approves the budget, the Board formally adopts it. The Center cannot spend or obligate (i.e., encumber) more than the appropriation. Facilities must obtain approval from ODRC to transfer amounts between budget categories.

2. Encumbrances

The Center had no encumbrances outstanding on June 30, 2022. A summary of 2022 budgetary activity appears in Note 2.

F. Capital Assets

The Center records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these acquisitions as assets.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the basis of accounting the Center uses.

2. Budgetary Activity

Budgetary activity for ODRC 501-501 funding for the year ending June 30, 2022:

Budgeted vs. Actual Budgetary Basis Expenditures

<u>Budget</u>	<u>Budgetary Expenditures</u>	<u>Variance</u>
<u>\$ 3,689,080</u>	<u>\$ 3,489,218</u>	<u>\$ 199,862</u>

3. Collateral on Deposits and Investments

Grants and State Appropriations

Talbert House, as custodian of the Center's cash, is responsible for collateralizing deposits and investments for grants and State appropriations. Talbert House maintains its cash in bank deposit accounts which, at times, exceed federally insured limits. Talbert House has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk.

4. Retirement Systems

The employees of the Community Based Correctional Facility are not members of the Ohio Public Employee Retirement System. All employees contribute to Social Security.

The Center's employees may contribute pre-tax dollars to a 403(b) plan at time of hire. The plan changed in January 2022 and Talbert House now contributes to an employee's plan after 1000 hours of employment with increasing contribution rates based on length of employment. The plan changed in 2017 to a 50% match up to 7% of compensation and vested after three years. The Center's contribution for fiscal year 2022 was \$35,200.

5. Risk Management

Commercial Insurance

The Center has obtained commercial insurance from allocated cost of Talbert House (As disclosed in Note 7) for the following risks: Comprehensive property and general liability, Vehicles, Professional liability, Director and officer liability, Fiduciary liability, Excess liability, Directors and Officers, Sexual Molestation/Abuse Coverage, Accident Policy, and Computer Coverage Policy.

6. Related Party Transactions

Talbert House allocates central service costs to the Center. The allocation methods are systemic across the agency and charged monthly in the financial statements. Allocation methods and amounts for the period are:

<u>Expense Allocated</u>	<u>Allocation Method</u>	<u>Allocation</u>
Administration, Finance, Public Relations	Total Cost Center Expense	\$ 300,616

6. Refund to ODRC

The agreement between Butler County and ODRC permits the Center to retain a maximum of one-twenty-fourth of the grant award after liquidating encumbrances outstanding at the end of the grant cycle/period. The Center must refund any excess over this amount to ODRC. The schedule below computes the refund to ODRC for the biennial grant period ending June 30, 2021. Disbursements below include cash paid to liquidate encumbrances outstanding at June 30, 2021 and exclude disbursements made during the fiscal year against amounts encumbered the prior June 30, 2021.

6. Refund to ODRC (continued)

The Center refund amount follows the computation below.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**INDEPENDENT AUDITOR'S REPORT**

To the Members of the Facility Governing Board
Community Correctional Center of Butler, Clermont, and Warren Counties:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the Community Correctional Center of Butler, Clermont, and Warren Counties (the "Center") as of and for the years ended June 30, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the Center's basic financial statements, and have issued our report thereon dated November 29, 2022, wherein we noted the Center follows accounting practices the Ohio Department of Rehabilitation and Corrections prescribes rather than accounting principles generally accepted in the United States of America.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
