We have performed the procedures enumerated below on Canaan Township's, Athens County, Ohio (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2022 and 2021, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2022 and December 31, 2021 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2021 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2020 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2022 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2021 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the 2022 and 2021 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2022 and 2021 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

Cash (Continued)

4. We confirmed the December 31, 2022 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2022 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2022 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We traced interbank account transfers occurring in December of 2022 and 2021 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.

Property Taxes and Intergovernmental Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Athens County Expenditure History by Vendor Report for 2022 and a total of five from 2021:
 - a. We compared the amount from the above-named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2022 and 2021. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2020.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2022 or 2021 or debt payment activity during 2022 or 2021. All debt agreed to the summary we used in procedure 3.
3. We agreed the amount of debt proceeds received for 2022 from the debt documents to amounts recorded in the Road and Bridge Fund per the Receipt Register Report. The amounts agreed. The Township did not record the proceeds in a bond fund (i.e. capital projects fund) as required by Ohio Rev. Code § 5705.09(E).
4. For new debt issued during 2022 and 2021, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a Case CE 521G Tractor and related equipment. We inspected the Payment Register Detail Report and observed the Township purchased a tractor in August 2022. We found no exceptions. At December 31, 2022, there was \$2,552 in unspent proceeds.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2022 and one payroll check for five employees from 2021 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily approved rate or salary). In 2022, we found two instances where a Trustee was paid in excess of the statutorily set rate. This was identified by the Township and repaid in January 2023.
 - b. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minute record or as required by statute. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2022 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2022. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	01/31/2023	12/31/22	\$1,361	\$1,361
State income taxes	01/15/2023	12/31/2022	222	222
OPERS retirement	01/30/2023	12/31/2022	2,799	2,799

We found no exceptions.

3. We compared total gross pay for the Fiscal Officer and each Trustee for 2022 and 2021 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found each Trustees was overcompensated by \$1,212 in 2022; however, this was identified by the Township and repaid in January 2023.
4. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2022 and 2021 to determine if Township employees and/or Trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with Ohio Rev. Code §§ 505.60, 505.601, 505.602 and 505.603 and federal regulations.

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2022 and 10 from the year ended 2021 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Non-Payroll Cash Disbursements (Continued)

- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance in 2021 and two instances in 2022 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2022 and 2021 for the General Fund, Gasoline Tax Fund, and Road and Bridge Fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2022 and 2021 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

Other Compliance

Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2022 and 2021 in the Hinkle system. We found no exceptions.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
