INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

City of Euclid
Cuyahoga County
585 East 222nd Street
Euclid, Ohio 44123
and
The Director,
Ohio Environmental Protection Agency

We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of City of Euclid for the year ended December 31, 2022, and have separately issued our unmodified report thereon dated June 28, 2023.

In a letter to the Ohio Environmental Protection Agency dated June 28, 2023 (the Letter), the Finance Director of City of Euclid, Solid Waste Transfer Facility specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below on the City of Euclid. The City of Euclid's management is responsible for the information presented in the Letter.

The City of Euclid has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of solely providing assistance to you and the Ohio EPA in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements. This report may not be suitable for any other purpose. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Administrative Code Sections 3745-503-05(L)(5)(c), and 3745-27-16(L)(5)(c), we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 2, Line No.

5	Total assured environmental costs	\$161,110
6	Total annual revenue	\$82,628,164

The amounts on line 6 agree to the basic fund financial statements of City of Euclid or can be computed from amounts appearing therein. We followed the definition for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA. Line 5 includes total assured environmental costs reported in the fund financial statements following Governmental Accounting Statement Number 18.

We were engaged by the City of Euclid to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be an opinion or conclusion respectively, on the letter. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the City of Euclid and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
