We have reviewed the *Independent Accountant's Report on Applying Agreed-Upon Procedures* of Clay Township, Tuscarawas County, prepared by Charles E. Harris & Associates, Inc., for the period January 1, 2021 through December 31, 2022. Based upon this review, we have accepted this report in lieu of the audit required by Section 117.11, Revised Code.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Clay Township is responsible for compliance with these laws and regulations.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Clay Township
Tuscarawas County
P.O. Box 55
Gnadenhutten, Ohio 44629

We have performed the procedures enumerated below on Clay Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2022 and 2021, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2022 and December 31, 2021 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the documentation in the prior year Basic Audit working papers. We found no exceptions. We also agreed the January 1, 2022 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2021 balances in the Fund Ledger Report. We found that the General Fund and Special Revenue funds decreased by \$1,145, and \$1,882, respectively due to reversing double posting of receipts in a prior year. This is not an exception.
3. We agreed the 2022 and 2021 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2022 and 2021 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

4. We observed the year-end bank balances on the financial institution's website. The balance agreed. We also agreed the observed balances to the amounts appearing in the December 31, 2022 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2022 bank reconciliation:
 - a. We traced each debit to the subsequent January and April bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Tuscarawas County Auditor DTLs for 2022 and a total of five from 2021:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Export Report. The amounts agreed.
 - b. We inspected the Receipt Export Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Export Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Export Report to determine whether it included two real estate tax receipts for 2022 and 2021. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

Other Receipts

We selected 10 other receipts from the year ended December 31, 2022 and 10 other receipts from the year ended December 31, 2021 and:

- a. Agreed the receipt amount recorded in the Receipt Export Report to supporting documentation. The amounts agreed.
- b. Inspected the Receipt Export Report to determine the receipt was posted to the proper funds and was recorded in the proper year. We found no exceptions.

Debt

1. The prior basic audit procedures documentation disclosed no debt outstanding as of December 31, 2020.
2. We inquired of management and inspected the Receipt Export Report and Payment Export Detail Report for evidence of debt issued during 2022 or 2021 or debt payment activity during 2022 or 2021. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loan debt activity for 2022 and 2021 and agreed principal and interest payments from the related debt amortization schedules to the Gasoline Tax fund payments reported in the Payment Export Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions, except that the payments are being posted as Other Expenses instead of Principal Retirement and Interest.

4. We agreed the amount of debt proceeds received for 2021 from the debt documents to amounts recorded in the Gasoline Tax fund per the Receipt Export Report. We found no exceptions, except that the debt proceeds were recorded as Non-Operating Receipts instead of Debt Proceeds.
5. For new debt issued during 2021, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a dump truck. We inspected the Payment Export Report and observed the Township purchased a dump truck in February of 2021. We found no exceptions.

During 2021, the Township issued debt for installment loans or bank notes. This type of debt is not authorized in Ohio Rev. Code Chapter 133. The Township has no statutory authority to incur debt through either installment loans or promissory notes with any banking institutions. Without a statutory provision authorizing this method of incurring debt, the Township was not permitted to use such a method.

Payroll Cash Disbursements

1. We selected one payroll check for the only four employees from 2022 and one payroll check for the only four employees from 2021 from the Wage Detail Report and:
 - a. We compared the pay rate, or salary recorded in the Wage Detail Report to supporting documentation (statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as required by state statute. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2022 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2022. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2023	December 14, 2022	\$238.87	\$238.87
State income taxes	January 15, 2023	December 14, 2022	\$37.72	\$37.72
Local income tax	January 15, 2023	December 15, 2022	\$60.80	\$60.80
OPERS retirement	January 30, 2023	December 15, 2022	\$972.67	\$972.67

We found no exceptions.

3. For the pay periods ended April 30, 2022 and February 28, 2021, we
 - a. Recomputed the allocation of the Boards' salary, Boards' salary amounts and employer share withholdings to the General, Gasoline Tax, and Road and Bridge Funds per the Wage Detail Report.
 - b. Traced the Boards' pay for time or services performed to supporting certifications.
We found no exceptions.
4. We compared total gross pay for the fiscal officer and each board of trustee for 2022 and 2021 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Revised Code §§ 507.09 and 505.24 permitted amounts.

5. We inquired of management and inspected the Payment Export Report for the years ended December 31, 2022 and 2021 to determine if Township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Export Report for the year ended December 31, 2022 and 10 from the year ended December 31, 2021 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the canceled check agreed to the check number, date, payee name and amount recorded in the Payment Export Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance in 2021, and 3 instances in 2022 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2022 and 2021 for the General, Road and Bridge, and Fire District funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2022 and 2021 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. The Fire District Fund had a deficit fund balance of \$198 at December 31, 2022.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period. The Township did not have any denied public records requests during the engagement period. The Township did not have any public records requests with redactions during the engagement period.
3. We inquired whether the Township had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.

4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. The Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and the Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2022 and 2021 in the Hinkle system. We found no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. The Fiscal Officer obtained the required training.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
