We have performed the procedures enumerated below on the Galion Port Authority's (the Port Authority) receipts, disbursements and balances recorded in the cash-basis accounting records for the years ended December 31, 2022 and 2021, and certain compliance requirements related to these transactions and balances, included in the information provided to us by the management of the Port Authority. Debt

1. The prior basic audit documentation disclosed no debt outstanding as of December 31, 2020.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2022 or 2021 or debt payment activity during 2022 or 2021. All debt agreed to the summary we used in procedure 3.

3. We obtained a summary of loan debt activity for 2022 and 2021 and agreed principal and interest payments from the related debt amortization schedule to payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Port Authority made the payments. We noted interest payments due in 2022 totaling \$3,000 were not paid until March 2023, due to a delay in receiving an invoice from the City of Galion.
4. We agreed the amount of loan proceeds received for 2021 from the debt document to the amount recorded in the Receipt Register Report. The amounts agreed.
5. For new debt issued during 2021, we inspected the debt legislation, which stated the Port Authority must use the proceeds to provide a loan in principal amount of \$300,000 to Five Galion Company, LLC. We inspected the Payment Register Detail Report and observed the Port Authority provided a loan in the principal amount of \$300,000 to Five Galion Company, LLC in August of 2021. We found no exceptions.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2022 and 10 from the year ended 2021 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.

 - d. The Secretary certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § [(§) 5705.28(B)(2) and 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2022 and 2021. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2022 and 2021 for negative cash fund balance. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Port Authority's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
