BASIC AUDIT REPORT

Madison Energy Special Improvement District
Lake County
9755 Plank Road
P.O. Box 229
Montville, Ohio 44064

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Madison Energy Special Improvement District, Lake County, (the District) for the years ended December 31, 2022 and 2021.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the District's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the District's financial statements, transactions or balances for the years ended December 31, 2022 and 2021.

The District's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found no significant compliance or accounting issues to report.

Current Status of Matters Reported in our Prior Engagement

1. Ohio Rev. Code § 117.38 requires the District to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. The District filed their financial information for the fiscal year ended December 31, 2020 on March 4, 2021 which was not within the allotted timeframe. This matter was corrected for the fiscal years ended December 31, 2022 and 2021.

2. For the year ended December 31, 2020, special assessment receipts and related disbursements were each understated \$94,463, due to the failure to record the on-behalf activity in the financial statements. This matter was corrected for the fiscal years ended December 31, 2022 and 2021.
