The Governing Board and the management of the Authority have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Authority's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2022 and 2021, and certain compliance requirements related to these transactions and balances. For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

- 1. Bank of New York Mellon is the custodian for the Authority's deposits and investments, and therefore the Bank's deposit and investment pool holds the Authority's assets. We confirmed the Authority's fund balances reported on its December 31, 2022 General Ledger to the balances reported in Bank's accounting records. The amounts agreed.
- 2. We agreed the January 1, 2021 beginning fund balances recorded in the General Ledger to the December 31, 2020 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2022 beginning fund balances recorded in the General Ledger to the December 31, 2021 balances in the General Ledger. We found no exceptions.
- 3. We compared investments held at December 31, 2022 and December 31, 2021 to investment permitted by Ohio Rev. Code § 349.12. We found no exceptions.

Community Development Charges Receipts

We selected all community development charges receipts from the fiscal year ended December 31, 2022 and all community development charges receipts from the fiscal year ended December 31, 2021 and:

- a. Agreed the receipt amount recorded in the General Ledger to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the General Ledger to determine the receipt was posted to the proper fund and was recorded in the proper year. We found no exceptions.

Debt

- 1. The prior audit documentation disclosed no debt outstanding as of December 31, 2020.
- 2. We inquired of management and inspected the General Ledger for evidence of debt issued during fiscal year 2022 or fiscal year 2021 or debt payment activity during fiscal years 2022 or 2021. There were no new debt issuances, nor any debt payment activity during fiscal years 2022 or 2021.

Pledged Revenue to Trustee Disbursements

- 1. From the General Ledger, we re-footed checks recorded as pledged revenue to trustee disbursements for fiscal year 2022. We found no exceptions.
- 2. We selected all pledged revenue to trustee disbursements from the General Ledger for the fiscal year ended December 31, 2022 and all from the fiscal year ended December 31, 2021 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the EFT agreed to the check number, date, payee name and amount recorded in the General Ledger. During fiscal years 2022 and 2021, the Authority made the required payments to the Port Authorities. The payment amount each year will not agree to a pre-defined amortization schedule because it is adjusted each year based on interest earnings available in the trust estate to offset the required charge. However, the Authority's payments did not always agree to supporting documentation during fiscal year 2022.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Sunshine Law Compliance

- We obtained and inspected the Authority's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
- 2. We inquired with Authority management regarding public records requests from the engagement period to determine the following:
 - a. We inquired with Authority management and determined that the Authority did not have any completed public records requests during the engagement period.
 - b. The Authority did not have any denied public records requests during the engagement period.
 - c. The Authority did not have any public records requests with redactions during the engagement period.

- 3. We inquired whether the Authority had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
- 4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
- 5. We inspected the Authority's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

- 9. We inspected the public notices for the public meetings held during the engagement period and determined the Authority notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires authorities to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Authority filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the year ended December 31, 2021 in the Hinkle system. However, financial information for the year ended December 31, 2022 was filed on March 2, 2023 which was not within the allotted timeframe.
