## INDEPENDENT AUDITOR'S REPORT

Union Township, Clermont County Community  
Improvement Corporation, Inc.  
Clermont County  
4350 Aicholtz Road  
Cincinnati, Ohio 45245

To the Board of Trustees:

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the financial statements of the Union Township, Clermont County Community Improvement Corporation, Inc., Clermont County, Ohio, (the Corporation), (a not-for-profit corporation), a component unit of Union Township, which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation, as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Corporation, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued, when applicable).

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 23, 2023, on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

**NOTE 1 – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Nature of Organization*

The Union Township, Clermont County Community Improvement Corporation, Inc. (Corporation) is a not-for-profit organization which derives the major source of its revenues from Union Township (Township) in the form of capital and cash contributions. The Corporation is considered a component unit of Union Township. The Corporation began operations in January 2011 for the purpose of fostering economic development in the Township, located in Clermont County, Ohio. The Corporation works with the Township in many aspects of the overall adopted economic development strategy of the Township with its current efforts focused on facilitating industrial and retail development.

On April 26, 2012, the Corporation's Board of Trustees approved Resolution 2012-02 whereby the Corporation agreed to refund any and all proceeds arising from the sale, lease, or transfer, or other contractual agreement, including but not limited to the lease payments, sale payments or other consideration to Union Township in support of its mission as the agency for development of Union Township.

*Basis of Accounting*

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

*Financial Statement Presentation*

Financial statement presentation follows the provisions of Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958) Presentation of Financial Statements for Not-for-Profit Entities*. These provisions include net asset classification requirements and requires information presented in the financial statements and notes about the Corporation's liquidity, financial performance and cash flows. Accordingly, the net assets of the Corporation and changes therein are classified and reported as follows:

**Net assets without donor restrictions:** Net assets available for use in general operations and not subject to donor-imposed restrictions.

**Net assets with donor restrictions:** Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

*Cash and Cash Equivalents*

The Corporation considers all short-term investments with an original maturity of three months or less when acquired to be cash equivalents for the cash flows statement.

*Revenue Recognition*

Contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and nature of any donor restrictions. All contributions are considered to be without donor restrictions unless specifically restricted by the donor or subject to legal restrictions.

**UNION TOWNSHIP, CLERMONT COUNTY  
COMMUNITY IMPROVEMENT CORPORATION, INC.**

**Clermont County**

*Notes to the Financial Statements  
For the Year Ended December 31, 2022*

---

The Corporation records contributions in the with donor restriction class of net assets if they are received with donor stipulations that limit their use through either purpose or time restrictions or both. When donor restrictions expire – that is, when the purpose restriction is fulfilled or the time restriction expires – net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. It is the Corporation’s policy to record donor-restricted contributions received and expended in the same accounting period as contributions with donor restrictions and as net assets released from restrictions.

Other revenue is recorded when earned.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Donations of property are recorded as contributions at their estimated fair value at the date of the donation.

*Income Taxes*

The Corporation is a not-for-profit organization exempt from income taxes under Section 501(c) (3) of the Internal Revenue and is not required to file a Federal Return of Organizations Exempt from Income Tax. Accordingly, no provision for federal income tax is required.

*Concentration of Credit Risk*

Due to the nature of the Corporation’s activities, cash balances in a financial institution may exceed federally insured limits during limited time periods. The Corporation considers its banks to have a high enough stability that any cash in excess of the limit is at minimal risk. No losses in such accounts have been experienced.

*Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

Union Township, Clermont County Community  
Improvement Corporation, Inc.  
Clermont County  
4350 Aicholtz Road  
Cincinnati, Ohio 45245

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of Union Township, Clermont County Community Improvement Corporation, Inc., Clermont County, Ohio (the Corporation) (a not-for-profit-corporation) as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements and have issued our report thereon dated June 23, 2023.

### ***Internal Controls Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Corporation's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
