#### INDEPENDENT AUDITOR'S REPORT

Village of Walton Hills Cuyahoga County 7595 Walton Road Walton Hills, Ohio 44146

To the Village Council:

#### Report on the Audit of the Financial Statements

#### **Unmodified and Adverse Opinions**

We have audited the financial statements of the Village of Walton Hills, Cuyahoga County, Ohio (the Village), which comprises the cash balances, receipts and disbursements for each governmental fund type and the fiduciary fund type combined total as of and for the years ended December 31, 2021 and 2020, and the related notes to the financial statements.

#### **Unmodified Opinion on Regulatory Basis of Accounting**

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type and the fiduciary fund type combined total as of and for the years ended December 31, 2021 and 2020, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

#### Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Village, as of December 31, 2021 and 2020, or the changes in financial position thereof for the years then ended.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Village, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Efficient • Effective • Transparent

Village of Walton Hills Cuyahoga County Independent Auditor's Report Page 2

#### Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the financial statements are prepared by the Village on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

#### **Emphases of Matter**

As discussed in Note 13 to the financial statements for 2021 and Note 15 for 2020, the financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Village. We did not modify our opinion regarding this matter.

As discussed in Note 14 to the financial statements for the year ended December 31, 2020, during 2020, the Village adopted new accounting guidance in Governmental Accounting Standards Board (GASB) Statement No. 84, *Fiduciary Activities*. Additionally, also discussed in Note 14, the Village restated the December 31, 2019 fund balance in the Custodial Funds to correct a prior period misstatement. We did not modify our opinion regarding this matter.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

Exercise professional judgment and maintain professional skepticism throughout the audit.

Village of Walton Hills Cuyahoga County Independent Auditor's Report Page 3

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Village's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about the Village's ability to continue as a going concern for a reasonable
  period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 20, 2023, on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Village's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Village's internal control over financial reporting and compliance.

Cuyahoga County
Notes to the Financial Statements
For the Year Ended December 31, 2021

#### Note 1 - Reporting Entity

The Village of Walton Hills (the Village), Cuyahoga County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. A publicly-elected six-member Council directs the Village. The Village provides police protection, recreation and senior services, refuse collection, zoning, road maintenance, and animal control. The Village contracts with the neighboring communities for fire protection and emergency medical services.

#### Jointly Governed Organizations

The Village participates in the Village of Walton Hills-Sagamore Hills Township Joint Economic Development District (JEDD), a jointly governed organization. The JEDD is organized in accordance with Sections 715.71 through 715.82 of the Revised Code. The agreement was approved by Village Council and Sagamore Hills Township Trustees in June 2015, with the first tax collection occurring in October 2015. The Village is the fiscal agent of the JEDD. Note 11 provides additional information regarding the organization.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

#### Note 2 - Summary of Significant Accounting Policies

#### Basis of Presentation

The Village's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of additions, deductions, and changes in fund balances (regulatory cash basis) for fiduciary fund types which are organized on a fund type basis.

#### **Fund Accounting**

The Village uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Village are presented below:

**General Fund** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Village for any purpose provided it is expended or transferred according to the general laws of Ohio.

**Special Revenue Funds** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

**Street Construction, Maintenance and Repair** The street construction, maintenance and repair fund accounts for and reports that portion of the State gasoline tax and motor vehicle license registration fees restricted for construction, maintenance, and repair of streets within the Village.

**Police Pension Fund** The police pension fund is used to account for property taxes collected to pay the Village's share of police pension benefits.

**Other Special Revenue Fund** The fund was created in 2020 to account for funds received from Cuyahoga County for Coronavirus relief from the Coronavirus Aid, Relief, and Economic Security Act, passed on March 27, 2020, by Congress.

Cuyahoga County
Notes to the Financial Statements
For the Year Ended December 31, 2021

#### Note 2 – Summary of Significant Accounting Policies (continued)

#### Fund Accounting (continued)

**Debt Service Funds** These funds account for and report financial resources that are restricted to expenditure for principal and interest. The Village had the following significant Debt Service Fund:

**Special Bond Retirement Fund** The special bond retirement fund is used to account for the retirement of notes and loans.

**Capital Project Funds** These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Village had the following significant capital projects fund:

**Capital Improvement Fund** This fund is used to account for most capital projects in the Village, including major road reconstruction.

**Fiduciary Funds** Fiduciary funds include private purpose trust funds, investment trust funds, and custodial funds. Trust funds account for assets held under a trust agreement meeting certain criteria.

Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Village's custodial funds account for activities in the Mayor's Court, contractor's performance bonds, and the Village of Walton Hills-Sagamore Hills Township JEDD.

For regulatory purposes, certain own source revenues are permitted to flow through clearing funds presented as custodial funds. The amounts distributed to the other funds of the entity are identified on the statement of additions, deductions and changes in fund balances (regulatory cash basis) fiduciary fund types. Also, for regulatory purposes, certain deposits and clearing funds are permitted to be presented as custodial funds.

#### Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Village recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

#### **Budgetary Process**

The Ohio Revised Code requires that each fund (except certain custodial funds) be budgeted annually.

**Appropriations** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, department, personal services and other expenses level of control and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

Cuyahoga County Notes to the Financial Statements For the Year Ended December 31, 2021

#### Note 2 - Summary of Significant Accounting Policies (continued)

#### **Budgetary Process (continued)**

**Estimated Resources** Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

**Encumbrances** The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2021 budgetary activity appears in Note 3.

#### **Deposits and Investments**

The Village's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

#### Capital Assets

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

#### Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

#### Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Nonspendable** The Village classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Village and the nonexpendable portion of the corpus in permanent funds.

**Restricted** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Cuyahoga County
Notes to the Financial Statements
For the Year Ended December 31, 2021

#### Note 2 – Summary of Significant Accounting Policies (continued)

#### Fund Balance (continued)

**Committed** Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**Assigned** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

**Unassigned** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 12.

#### Note 3 - Budgetary Activity

Budgetary activity for the year ending December 31, 2021 follows:

2021 Budgeted vs. Actual Receipts

Budgeted	Actual	
Receipts	Receipts	Variance

Cuyahoga County
Notes to the Financial Statements
For the Year Ended December 31, 2021

#### Note 4 - Deposits and Investments

The Village maintains a deposits and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2021
Demand Deposits	\$2,969,671
STAR Ohio	516,385
Total Deposits and Investments	\$3,486,056

#### **Deposits**

Effective July 1, 2017, the Ohio Pooled Collateral System (OPCS) was implemented by the Office of the Ohio Treasurer of State. Financial institutions have the option of participating in OPCS or collateralizing utilizing the specific pledge method.

Deposits are insured by the Federal Deposit Insurance Corporation or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

#### Investments

Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

#### Note 5 - Taxes

#### **Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Village.

#### Income Taxes

The Village levies a municipal income tax of 2.5 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

Cuyahoga County
Notes to the Financial Statements
For the Year Ended December 31, 2021

#### Note 5 - Taxes (continued)

The Village of Walton Hills and Sagamore Hills Township agreed to a Joint Economic Development (JEDD) which encompasses several parcels. Business within the JEDD are subject to an income tax rate of 2.5%. Within thirty days of the close of each calendar quarter the Village shall distribute the income tax revenues according to the agreement.

#### Note 6 – Risk Management

The Village has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles: and
- Errors and omissions.

The Village also provides health insurance, dental, vision, and life insurance coverage to full-time employees through a private carrier.

#### Note 7 - Defined Benefit Pension Plans

#### Ohio Public Employees Retirement System

Some Village employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Village contributed an amount equaling 14 percent of participants' gross salaries. The Village has paid all contributions required through December 31, 2021.

#### Ohio Police and Fire Retirement System

The Village's full-time Police Officers belong to the Ohio Police and Fire Pension Fund (OP&F). OP&F is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OP&F participants contributed 12.25 percent of their wages. The Village contributed to OP&F an amount equal to 19.5 percent of full-time police. The Village has paid all contributions required through December 31, 2021.

#### Note 8 - Postemployment Benefits

Both OPERS and OP&F offer cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the Traditional Pension Plan and Combined Plan was 0 percent during calendar year 2021. The portion of employer contributions allocated to health care for OPERS members in the Member Directed Plan was 4.0 percent during calendar year 2021. OP&F contributes 0.5 percent to fund these benefits.

Cuyahoga County
Notes to the Financial Statements

#### Note 9 - Debt

Debt outstanding at December 31, 2021, was as follows:

	Principal	Interest Rate
OPWC Loan- Dunham Road Water Main Rehab	\$67,456	2.00%
OPWC Loan- Dunham Road Improvement	50,370	0.00%
OPWC Loan- Walton Road Improvement	28,925	0.00%

OPWC Loan- Alexander Road Reconstruction	47,434	0.00%
Various Purpose Notes	2,140,000	2.00%
Total	\$2,608,490	

As of December 31, 2021, the Village has seven loans outstanding with the Ohio Public Works Commission (OPWC). The Village repays the loans in semiannual installments over 20 or 30 years. The loans are collateralized by the Village's taxing authority.

In 2005, a 20 year OPWC loan for \$258,567 was awarded for the Dunham Road water main rehabilitation project. In 2008, a 20 year OPWC loan for \$143,914 and \$72,312 were awarded for the Dunham Road improvement and Walton Road improvement projects, respectively. In 2009, a 20 year OPWC loan for \$66,555 was awarded for the Alexander and Dunham Road intersection improvement project.

In 2013, a 30 year OPWC loan for \$175,703 was awarded for the Egbert Road rehabilitation and water main replacement project. In 2016, a 30 year OPWC loan for \$122,723 was awarded for the Sagamore Road rehabilitation and water replacement project. In 2019, a 20 year for \$49,930 OPWC loan was awarded for the Alexander Road reconstruction road project.

In November 2019, the Village issued \$2,140,000 in various purpose general obligation notes, which is a rollover of notes from projects in previous years.

Amortization of the above debt, including interest, is scheduled as follows:

		General	
Year Ending		Obligation

Cuyahoga County
Notes to the Financial Statements
For the Year Ended December 31, 2021

#### Note 10 - Contingent Liabilities

The Village is defendant in several lawsuits. Although management cannot presently determine the outcome of these suits, management believes that the resolution of these matters will not materially adversely affect the Village's financial condition.

#### Note 11 - Jointly Governed Organizations

The Village participates in the Village of Walton Hills-Sagamore Hills Township Joint Economic Development District (JEDD). The JEDD is organized in accordance with Sections 715.71 through 715.82 of the Revised Code. The agreement was approved by Village Council and Sagamore Hills Township Trustees in June 2015, with the first tax collection occurring in October 2015. The JEDD Board of Directors consists of five members; the Mayor of the Village of Walton Hills, the Chairman of the Board of Trustees for Sagamore Hills Township, one representative of business owners in the JEDD, one representative of employees in the JEDD, and one member appointed by the preceding members. The purpose of the JEDD is to conduct various capital improvements, including rehabilitation and paving of Sagamore Road, replacement of water lines, other infrastructure and periodic capital improvements.

The Board adopted a resolution to levy an income tax on all income as defined in the Village's income tax ordinance at a rate of 2.5 percent. As the fiscal agent, the Village accounts for the income tax collected in an agency fund and retain 3 percent of collections for administrative expenses. The remaining income tax collected is split equally and disbursed amongst the Village and Township.

#### Note 12 - Fund Balances

Included in fund balance are amounts the Village cannot spend, including the balance of unclaimed monies which cannot be spent for five years. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Capital Projects	Total
Nonspendable: Unclaimed Monies Outstanding Encumbrances	\$50 25,242	\$0 13,280	\$0 15,802	\$50 54,324
Total	\$25,292	\$13,280	\$15,802	\$54,374

The fund balance of special revenue funds is either restricted or committed. The fund balance of debt service funds and capital projects fund are restricted, committed or assigned. These restricted, committed and assigned amounts in the special revenue, debt service, and capital projects funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

#### **Note 13 - COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Village. The Village's investment portfolio fluctuates with market conditions, and due to market volatility, the amount of gains or losses that will be realized in subsequent periods, if any, cannot be determined. In addition, the impact on the Village's future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

Cuyahoga County Notes to the Financial Statements For the Year Ended December 31, 2021

#### Note 14 - Subsequent Events

On October 22, 2022, Council authorized the refunding of notes in the amount of \$2,000,000 in anticipation of the issuance of bonds for the purpose of construction and installing road improvements for the Sagamore Road Reconstruction Project.

Cuyahoga County Notes to the Financial Statements For the Year Ended December 31, 2020

#### Note 1 - Reporting Entity

The Village of Walton Hills (the Village), Cuyahoga County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. A publicly-elected six-member Council directs the Village. The Village provides police protection, recreation and senior services, refuse collection, zoning, road maintenance, and animal control. The Village contracts with the neighboring communities for fire protection and emergency medical services.

#### Jointly Governed Organizations

The Village participates in the Village of Walton Hills-Sagamore Hills Township Joint Economic Development District (JEDD), a jointly governed organization. The JEDD is organized in accordance with Sections 715.71 through 715.82 of the Revised Code. The agreement was approved by Village Council and Sagamore Hills Township Trustees in June 2015, with the first tax collection occurring in October 2015. The Village is the fiscal agent of the JEDD. Note 12 provides additional information regarding the organization.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

#### Note 2 - Summary of Significant Accounting Policies

#### Basis of Presentation

The Village's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types and a combined statement of additions, deductions, and changes in fund balances (regulatory cash basis) for fiduciary fund types which are organized on a fund type basis.

#### **Fund Accounting**

The Village uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Village are presented below:

**General Fund** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Village for any purpose provided it is expended or transferred according to the general laws of Ohio.

**Special Revenue Funds** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

**Street Construction, Maintenance and Repair** The street construction, maintenance and repair fund accounts for and reports that portion of the State gasoline tax and motor vehicle license registration fees restricted for construction, maintenance, and repair of streets within the Village.

**Police Pension Fund** The police pension fund is used to account for property taxes collected to pay the Village's share of police pension benefits.

**Other Special Revenue Fund** The fund was created in 2020 to account for funds received from Cuyahoga County for Coronavirus relief from the Coronavirus Aid, Relief, and Economic Security Act, passed on March 27, 2020, by Congress.

#### Note 2 – Summary of Significant Accounting Policies (continued)

#### Fund Accounting (continued)

**Debt Service Funds** These funds account for and report financial resources that are restricted to expenditure for principal and interest. The Village had the following significant Debt Service Fund:

**Special Bond Retirement Fund** The special bond retirement fund is used to account for the retirement of notes and loans.

**Capital Project Funds** These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Village had the following significant capital projects fund:

**Capital Improvement Fund** This fund is used to account for most capital projects in the Village, including major road reconstruction.

**Fiduciary Funds** Fiduciary funds include private purpose trust funds, investment trust funds, and custodial funds. Trust funds account for assets held under a trust agreement meeting certain criteria.

Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Village's custodial funds account for activities in the Mayor's Court, contractor's performance bonds, and the Village of Walton Hills-Sagamore Hills Township JEDD.

For regulatory purposes, certain own source revenues are permitted to flow through clearing funds presented as custodial funds. The amounts distributed to the other funds of the entity are identified on the statement of additions, deductions and changes in fund balances (regulatory cash basis) fiduciary fund types. Also, for regulatory purposes, certain deposits and clearing funds are permitted to be presented as custodial funds.

#### Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

#### **Budgetary Process**

The Ohio Revised Code requires that each fund (except certain custodial funds) be budgeted annually.

**Appropriations** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, department, personal services and other expenses level of control and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

Cuyahoga County Notes to the Financial Statements For the Year Ended December 31, 2020

#### Note 2 - Summary of Significant Accounting Policies (continued)

#### **Budgetary Process (continued)**

**Estimated Resources** Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

**Encumbrances** The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2020 budgetary activity appears in Note 3.

#### **Deposits and Investments**

The Village's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

#### Capital Assets

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

#### Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

#### Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Nonspendable** The Village classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Village and the nonexpendable portion of the corpus in permanent funds.

**Restricted** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Cuyahoga County
Notes to the Financial Statements
For the Year Ended December 31, 2020

#### Note 2 – Summary of Significant Accounting Policies (continued)

#### Fund Balance (continued)

**Committed** Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**Assigned** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

**Unassigned** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 13.

#### Note 3 - Budgetary Activity

Budgetary activity for the year ending December 31, 2020 follows:

Cuyahoga County Notes to the Financial Statements For the Year Ended December 31, 2020

#### Note 4 - Deposits and Investments

The Village maintains a deposits and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2020
Demand Deposits	\$4,111,696
STAR Plus	266,477
Total Deposits	4,378,173
STAR Ohio	249,494
Total Deposits and Investments	\$4,627,667

#### **Deposits**

Effective July 1, 2017, the Ohio Pooled Collateral System (OPCS) was implemented by the Office of the Ohio Treasurer of State. Financial institutions have the option of participating in OPCS or collateralizing utilizing the specific pledge method.

Deposits are insured by the Federal Deposit Insurance Corporation or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

#### Investments

Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

#### Note 5 - Taxes

#### **Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Village.

#### Income Taxes

The Village levies a municipal income tax of 2.5 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Cuyahoga County Notes to the Financial Statements For the Year Ended December 31, 2020

#### Note 5 - Taxes (continued)

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

The Village of Walton Hills and Sagamore Hills Township agreed to a Joint Economic Development (JEDD) which encompasses several parcels. Business within the JEDD are subject to an income tax rate of 2.5%. Within thirty days of the close of each calendar quarter the Village shall distribute the income tax revenues according to the agreement.

#### Note 6 - Risk Management

The Village has obtained commercial insurance for the following risks:

- · Comprehensive property and general liability;
- Vehicles; and
- Errors and omissions.

The Village also provides health insurance, dental, vision, and life insurance coverage to full-time employees through a private carrier.

#### Note 7 - Defined Benefit Pension Plans

#### Ohio Public Employees Retirement System

Some Village employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Village contributed an amount equaling 14 percent of participants' gross salaries. The Village has paid all contributions required through December 31, 2020.

#### Ohio Police and Fire Retirement System

The Village's full-time Police Officers belong to the Ohio Police and Fire Pension Fund (OP&F). OP&F is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OP&F participants contributed 12.25 percent of their wages. The Village contributed to OP&F an amount equal to 19.5 percent of full-time police. The Village has paid all contributions required through December 31, 2020.

Cuyahoga County Notes to the Financial Statements For the Year Ended December 31, 2020

#### Note 8 - Postemployment Benefits

Both OPERS and OP&F offer cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the Traditional Pension Plan and Combined Plan was 0 percent during calendar year 2020. The portion of employer contributions allocated to health care for OPERS members in the Member Directed Plan was 4.0 percent during calendar year 2020. OP&F contributes 0.5 percent to fund these benefits.

#### Note 9 - Debt

Debt outstanding at December 31, 2020, was as follows:

	Principal	Interest Rate
OPWC Loan- Dunham Road Water Main Rehab	\$81,643	2.00%
OPWC Loan- Dunham Road Improvement	57,566	0.00%
OPWC Loan- Walton Road Improvement	32,540	0.00%
OPWC Loan- Alexander/Dunham Improvement	36,577	2.00%
OPWC Loan- Egbert Road Improvement	140,564	0.00%
OPWC Loan- Sagamore Road Improvement	110,451	0.00%
OPWC Loan- Alexander Road Reconstruction	49,930	0.00%
Various Purpose Notes	3,895,000	2.00%
Total	\$4,404,271	

As of December 31, 2020, the Village has seven loans outstanding with the Ohio Public Works Commission (OPWC). The Village repays the loans in semiannual installments over 20 or 30 years. The loans are collateralized by the Village's taxing authority.

In 2005, a 20 year OPWC loan for \$258,567 was awarded for the Dunham Road water main rehabilitation project. In 2008, a 20 year OPWC loan for \$143,914 and \$72,312 were awarded for the Dunham Road improvement and Walton Road improvement projects, respectively. In 2009, a 20 year OPWC loan for \$66,555 was awarded for the Alexander and Dunham Road intersection improvement project.

In 2013, a 30 year OPWC loan for \$175,703 was awarded for the Egbert Road rehabilitation and water main replacement project. In 2016, a 30 year OPWC loan for \$122,723 was awarded for the Sagamore Road rehabilitation and water replacement project. In 2019, a 20 year OPWC loan was awarded for the Alexander Road reconstruction road project in the amount of \$49,930. The initial amount of the loan proceeds was \$49,930.

In November 2020, the Village issued \$3,895,000 in various purpose general obligation notes, which included a rollover of notes from projects in previous years and new proceeds for current road projects.

2041-2045	43,881	0	43,881
2046-2047	8,182	0	8,182
Total	\$518,212	\$3,895,000	\$4,413,212

#### Note 10 - Construction and Contractual Commitments

In 2020, as an agreement of cooperation with Cuyahoga County and the City of Maple Heights as the lead on the project for the reconstruction of Dunham Road from Tinkers Creek Road to Mendota Avenue in the Village of Walton Hills and City of Maple Heights. The total estimated project cost was \$3,075,000. The project will commence in January 2021 and will be completed by the end of 2021.

#### Note 11 - Contingent Liabilities

The Village is defendant in several lawsuits. Although management cannot presently determine the outcome of these suits, management believes that the resolution of these matters will not materially adversely affect the Village's financial condition.

#### Note 12 - Jointly Governed Organizations

The Village participates in the Village of Walton Hills-Sagamore Hills Township Joint Economic Development District (JEDD). The JEDD is organized in accordance with Sections 715.71 through 715.82 of the Revised Code. The agreement was approved by Village Council and Sagamore Hills Township Trustees in June 2015, with the first tax collection occurring in October 2015. The JEDD Board of Directors consists of five members; the Mayor of the Village of Walton Hills, the Chairman of the Board of Trustees for Sagamore Hills Township, one representative of business owners in the JEDD, one representative of employees in the JEDD, and one member appointed by the preceding members. The purpose of the JEDD is to conduct various capital improvements, including rehabilitation and paving of Sagamore Road, replacement of water lines, other infrastructure and periodic capital improvements.

The Board adopted a resolution to levy an income tax on all income as defined in the Village's income tax ordinance at a rate of 2.5 percent. As the fiscal agent, the Village accounts for the income tax collected in an agency fund and retain 3 percent of collections for administrative expenses. The remaining income tax collected is split equally and disbursed amongst the Village and Township.

Cuyahoga County
Notes to the Financial Statements
For the Year Ended December 31, 2020

#### Note 13 - Fund Balances

Included in fund balance are amounts the Village cannot spend, including the balance of unclaimed monies which cannot be spent for five years. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Capital Projects	Total
Nonspendable: Unclaimed Monies Outstanding Encumbrances	\$50 35,664	\$0 3,887	\$0 861,152	\$50 900,703
Total	\$35,714	\$3,887	\$861,152	\$900,753

The fund balance of special revenue funds is either restricted or committed. The fund balance of debt service funds and capital projects fund are restricted, committed or assigned. These restricted, committed and assigned amounts in the special revenue, debt service, and capital projects funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

#### Note 14 - Change in Accounting Principles and Restatement of Fund Balance

For 2020, the Village has made changes to their cash basis reporting model, based on the interpretation of GASB Statement No. 84, as applicable to regulatory cash basis entities in Auditor of State Bulletin 2020-003. The changes include modifications to the definition of fiduciary funds, adding a separate Statement of Additions, Deductions and Changes in Fund Balances (Regulatory Cash Basis) – Fiduciary Fund Types and removing the fund balance classifications from the Combined Statement of Receipts, Disbursements and Changes in Fund Balances (Regulatory Cash Basis)- All Governmental Fund Types.

Additionally, the Village corrected a prior period error in the Village of Walton Hills/Sagamore Hills JEDD fund, causing a restatement of beginning fund balance for the Custodial Funds.

The implementation of GASB Statement No. 84 and the correction of prior period errors had the following effect on beginning fund balances as reported as of December 31, 2019:

Fund Balances	Special Revenue Funds	Custodial Funds
Fund Balance at December 31, 2019	\$487,835	\$299,801
GASB 84 Fund Reclassification	34,057	(34,057)
Correction of Prior Period Errors	0	100,449
Restated Fund Balance at December 31, 2019	\$521,892	\$366,193

#### **Note 15 - COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Village. The Village's investment portfolio fluctuates with market conditions, and due to market volatility, the amount of gains or losses that will be realized in subsequent periods, if any, cannot be determined. In addition, the impact on the Village's future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the cash balances, receipts, and disbursements for each governmental and fiduciary fund type combined total as of and for the years ended December 31, 2021 and 2020 and the related notes to the financial statements of the Village of Walton Hills, Cuyahoga County, (the Village) and have issued our report thereon dated October 20, 2023, wherein we noted the Village followed financial reporting provisions Ohio Rev. Code § 117.38 and Ohio Admin. Code 117-2-03(C) permit. We also noted the financial impact of COVID-19 and the continuing emergency measures which may impact subsequent periods of the Village, the Village adopted Governmental Accounting Standards Board Statement No. 84, *Fiduciary Activities*, and the Village restated beginning fund balances for a prior period error in the custodial funds.

#### Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Village's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, we do not express an opinion on the effectiveness of the Village's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Village's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies described in the accompanying schedule of findings as items 2021-001 and 2021-004 to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in the accompanying schedule of findings as items 2021-002 and 2021-003 to be significant deficiencies.

#### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Village's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standard* and which are described in the accompanying schedule of findings as items 2021-002 and 2021-004.

#### Village's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Village's responses to the findings identified in our audit and described in the accompanying schedule of findings. The Village's responses were not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the responses.

#### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Village's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### Financial Reporting - Material Weakness

In our audit engagement letter, as required by AU-C Section 210, Terms of Engagement, paragraph .06, management acknowledged its responsibility for the preparation and fair presentation of their financial statements; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error as discussed in AU-C Section 210 paragraphs .A14 & .A16.

Due to a lack of internal controls, the following errors to the Village's financial statements were identified for the year ended December 31, 2021 and adjusted by the Village's management:

- Property tax receipts in the General Fund were understated in the amount of \$485,426, with related understatements of cash in the amount of \$64,470 and overstatements of special assessments and intergovernmental receipts in the amounts of \$222,106 and \$198,850, respectively. The errors were due to misclassifications between receipt types and receipts erroneously recorded in the Police Pension Special Revenue Fund;
- Property tax receipts and Extraordinary items in the Special Revenue Funds and the Special Revenue Fund cash balance were overstated by \$31,736, \$118,840, and \$64,470 respectively, with a related understatement of intergovernmental receipts of \$86,106. The error was due to the Village erroneously recording CARES Act receipts as an extraordinary item and erroneously recording homestead and rollback receipts in the Police Pension Special Revenue Fund, rather than the General Fund;
- Sale of notes and principal payments in the Debt Service Funds were overstated in the amount of \$256,451. The error was due to the Village improperly recording debt proceeds needed for construction projects in the Bond Retirement Fund, rather than the Capital Improvement Fund;
- Intergovernmental Receipts were understated by \$220,598, special assessments were overstated by \$155,294, miscellaneous receipts were overstated by \$321,755, note proceeds were understated by \$256,451, sale of capital assets was understated by \$116,861, and cash was understated by \$116,861 in the Capital Projects Funds. The reason for the errors were due to misclassifications of receipts in the opinion unit and the recording of the sale of land into the Special Revenue Funds opinion unit in error; and,
- In the Village's Budgetary Activity Note, Budgeted Receipts in the General Fund, Special Revenue Funds, Debt Service Fund and Capital Project Funds were overstated/(understated) by \$947,433, (\$1,013,767), (\$495,000) and \$845,810, respectively. Actual receipts in the General Fund, Special Revenue Funds, Debt Service Fund and Capital Project Funds were overstated/(understated) by (\$64,472), (\$1,058,397), \$240,016 and (\$397,716), respectively. Appropriation Authority in the General Fund, Special Revenue Funds and Capital Project Funds was understated by \$35,763, \$1,027,699 and \$861,152, respectively. Budgetary disbursements in the General Fund, Special Revenue Funds, Debt Service Fund and Capital Project Funds were overstated/(understated) by (\$25,245), (\$1,057,036), \$256,452, and (\$40,737), respectively.

#### Financial Reporting – Material Weakness (Continued)

Additionally, immaterial errors for the year ended December 31, 2021, ranging from \$2,000 to \$41,699, were identified and brought to management's attention.

Due to a lack of internal controls, the following errors to the Village's financial statements were identified for the year ended December 31, 2020 and adjusted by the Village's management:

- Property tax receipts in the General Fund were understated in the amount of \$464,896, with related understatements of cash in the amount of \$69,672 and intergovernmental receipts in the amount of \$33,250, and overstatements of special assessments in the amounts of \$428,474. The errors were due to misclassifications between receipt types and receipts erroneously recorded in the Police Pension Special Revenue Fund;
- Extraordinary items were overstated in the amount of \$116,994, intergovernmental receipts were
  understated by \$83,744, and cash fund balance was overstated by 33,250 in the Special Revenue
  Funds. The error was due to the Village incorrectly recording CARES Act funding as an
  extraordinary item and erroneously recording homestead and rollback receipts in the Police
  Pension Special Revenue Fund, rather than the General Fund;
- Intergovernmental receipts were understated by \$577,333, special assessments were overstated by \$140,406, and miscellaneous receipts were overstated by \$436,927 in the Capital Improvement Capital Projects Fund. The error was due to the misclassification of receipts;
- In the Village's Budgetary Activity Note, Budgeted Receipts in the General Fund, Special Revenue Funds, Debt Service Fund and Capital Project Funds were overstated by \$259,394, \$348,849, \$6,574 and \$316,387, respectively. Actual receipts in the General Fund and Special Revenue Funds were understated by \$69,498 and \$68,215, respectively. Appropriation Authority in the General Fund, Special Revenue Funds and Capital Project Funds was understated by \$15,017, \$36,285 and \$845,350, respectively. Budgetary disbursements in the General Fund, Special Revenue Funds and Capital Project Funds were overstated/(understated) by (\$56,111), (\$89,374), and (\$845,350), respectively.

Additionally, immaterial errors for the year ended December 31, 2020, ranging from \$175 to \$45,677, were identified and brought to management's attention.

These reporting errors resulted in mispostings that required the Village to make adjustments to their financial reports and accounting records.

The Village's management should review the financial statements to help ensure they are supported by sufficient documentation, reconciled to the trial balances, free of obvious errors and omissions, and consistent with their financial expectations. These procedures should help avoid financial statement errors and ensure more accurate financial reporting.

Officials' Response: We acknowledge the finding in the audit and are working to correct.

#### Credit Card Policy and Purchasing Controls - Noncompliance and Significant Deficiency

Village of Walton Hills, Ohio, Ordinance 2007-9 (May 2007) – Purchasing Card Policy and Procedures Manual requires adequate supporting documentation to be maintained to support any credit card expenditures and specifically indicates, "a receipt must include the details of the transaction and itemized expenditures totaling the charge made to the card." The policy also indicates, inter alia, that charges must have a purchase order prior to incurring the cost, tips cannot exceed 15%, purchases must not include sales tax, card holders are required to maintain itemized receipts for all transactions, personal purchases are prohibited, and no charges by unauthorized persons are allowed.

Management is responsible for designing control activities in response to the entity's objectives and risks to achieve an effective internal control system. Control activities are the policies, procedures, techniques, and mechanisms that enforce management's directives to achieve the entity's objectives and address related risks. For cash disbursements, including credit card disbursements, part of the risks associated with the cycle are to ensure transactions are properly authorized, have occurred and pertain to the entity.

Maintaining organized documentation and support for financial transactions is essential in assuring the Village financial statements are not materially misstated and that all expenditures are made for a proper public purpose.

Of the 52 non-payroll disbursements and 28 credit card transactions tested, the following deficiencies were noted contrary to the Village's established policies and procedures, and/or were not consistent with management's responsibility to achieve an effective internal control environment:

- The Village did not have a detailed itemized receipt or an invoice for five transactions, totaling \$7,326.
- Three of the above five transactions, totaling \$303, did not include detailed itemized receipts, making it unclear if they represented proper public purchases; and
- In 2021, the Village received an invoice for \$10,303 for equipment and its installation in the service garage, but issued payment to an incorrect vendor with a similar name. The Village later corrected this error and issued payment to the correct vendor and was refunded the errant payment from the incorrect vendor in 2022.

Failure to maintain underlying documentation and support of financial transactions can increase the risk of fraud, result in financial statement misstatements, and expenditures that are not for a proper public purpose. Additionally, failure to follow established policies and procedures for disbursement transactions, including credit card charges, substantially increases risk of financial statement errors, improper or abusive purchases, and loss of public funds.

## Credit Card Policy and Purchasing Controls – Noncompliance and Significant Deficiency (Continued)

The Village should ensure employees are aware of the required credit card policy and management should implement procedures to ensure the credit card purchasing requirements are followed. Management should evaluate the necessity of the number of employees with access to credit cards and the number of credit card purchases. Purchasing controls should be implemented to ensure funds are reviewed and encumbered prior to incurring the expense, as well as to review appropriate vendor coding and disbursement. Finally, transactions should clearly document they represent a proper public purpose of the Village and supporting documentation for all transactions should be maintained.

Officials' Response: We acknowledge the finding in the audit and are working to correct.

#### Cash Reconciliations - Significant Deficiency

Sound accounting practices require that when designing the public office's system of internal control and the specific control activities, management should ensure adequate security of assets and records, and verify the existence and valuation of assets and liabilities and periodically reconcile them to the accounting records.

The reconciliation of cash (bank) balances to accounting system records (book) to the accounting system is the most basic and primary control process performed. Lack of completing an accurate and timely reconciliation may allow for accounting errors, theft and fraud to occur without timely detection. The Fiscal Officer is responsible for reconciling the book (fund) balance to the total bank balance on a monthly basis for the general operating and income tax accounts and the Mayor's Court Clerk is responsible for reconciling the book (fund) balance to the total bank balance on a monthly basis for the Mayor's Court account.

The following deficiencies were noted with the December 31, 2021 and 2020 bank reconciliations:

- On the December 31, 2021 general operating account reconciliation, there was a \$6,439 bank over book variance. The Village presented explanations on reconciling items, however no support was provided which validated these items;
- On the December 31, 2021 and December 2020 Mayor's court reconciliations, there was an
  unreconciled variance bank over book of \$195. Management indicated these variances may relate
  to prior year unrecorded activities. However, the specific transactions comprising these variances
  could not be identified and adjusted to the accounting records; and,
- On the December 31, 2020 general operating account reconciliation, \$156 was listed as a reconciling item for a reimbursement for a payment that was made to an employee twice. The error was corrected, but not until May 2021.

Failure to have accurate bank to book reconciliations and promptly follow up on outstanding reconciling items, could leave the Village susceptible to inaccurate financial reporting, fraud, or theft.

#### **Cash Reconciliations – Significant Deficiency (Continued)**

The Village should determine the reason for the bank to book variances on the Mayor's Court and general operating account reconciliations. The Village should include sufficient detail on the reconciliations to identify specific items comprising each amount and reference other supporting documentation, if necessary. Variances should be promptly investigated, documented, and corrected. Additionally, Council or the Mayor should review the monthly bank reconciliations and the supporting documentation (fund balance report, bank statements, detailed support for reconciling items, etc.), and sign or initial the reconciliations as evidence of their review. If Council or the Mayor have questions about the reconciliation, they should seek explanations from the Fiscal Officer and/or the Mayor's Court Clerk.

Officials' Response: We acknowledge the finding in the audit and are working to correct.

#### Sale of Land - Noncompliance and Material Weakness

Ohio Rev. Code § 5705.10 (F) indicates proceeds from the sale of permanent improvements must be paid into the sinking fund, bond retirement fund, or a special fund for the construction or acquisition of permanent improvements. Ohio Rev. Code § 5705.01(E) defines a permanent improvement as any property, asset, or improvement with an estimated life of usefulness of five years or more, including land and interests therein, and reconstructions, enlargements, and extensions thereof having an estimated useful life or usefulness of five years or more.

The Village sold one parcel of land during 2021, defined as a permanent improvement by Ohio Rev. Code § 5705.01(E), for \$116,861. There was no debt associated with this property; therefore, per Ohio Rev. Code § 5705.10 (F) the proceeds must be recorded in the Village's Capital Improvement Fund. However, the proceeds from the sale were recorded in the special revenue fund established for CARES Act monies, resulting in a material financial misstatement in the special revenue and capital projects funds. The financial statements and accounting system were both adjusted by management to record the proceeds in the correct fund.

The Village should review the requirements in the Ohio Revised Code and record the sale of permanent improvements in the appropriate fund, depending on the circumstances of the sale, in the future.

Officials' Response: We acknowledge the finding in the audit and are working to correct.
