INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Ashtabula Metropolitan Housing Authority
Ashtabula County
3526 Lake Avenue
Ashtabula, Ohio 44004

We have performed the procedure described below on the Ashtabula Metropolitan Housing Authority, Ashtabula County, Ohio (the Authority) solely to assist them in determining whether the electronic submission of certain information agrees with related hard copy documents included within the OMB Uniform Guidance reporting package. The Authority is responsible for the accuracy and completeness of the electronic submission.

The Authority and the U.S. Department of Housing and Urban Development, Real Estate Assessment Center (REAC), have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in determining whether the electronic submission of certain information agrees with related hard copy documents included within the OMB Uniform Guidance reporting package. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedure is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

We compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed documents listed in the "Hard Copy Documents" column. The results of the performance of our agreed-upon procedure indicate agreement or non-agreement of the electronically submitted information and hard copy documents as shown in the attached chart.

We were engaged to perform an audit in accordance with Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), for the Authority as of and for the year ended December 31, 2023, and have issued our reports thereon dated September 30, 2024. The information in the "Hard Copy Documents" column was included within the scope, or was a by-product of that audit. Further, our opinion on the fair presentation of the Financial Data Schedule (FDS) dated September 30, 2024, was expressed in relation to the basic financial statements of the Authority taken as a whole.

This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the AICPA. The procedures performed do not constitute an audit (or a review) of the financial statements or any part thereof, the objective of which is the expression of an opinion (or conclusion) on the financial statements or a part thereof. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Authority and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
