Washington Court House, Ohio 43160

We have performed the procedures enumerated below on the Jasper Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2023 and 2022, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2022 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2021 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2022 balances in the Fund Ledger Report. We found no exceptions.

3. We agreed the 2023 and 2022 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2023 and 2022 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2023 bank account balance with the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2023 bank reconciliation without exception.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2023 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.

#### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor DTLs for 2023 and a total of 5 from 2022:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2023 and 2022. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.
3. We confirmed the individual amounts paid from the Ohio Bureau of Worker's Compensation to the Township during 2023 and 2022 with the Bureau. We performed alternative procedures by tracing these receipt amounts back to the deposit amounts on the bank statement. We found no exceptions.
  - a. We inspected the Receipt Register Report to determine whether these receipts were allocated to the proper funds. We found no exceptions.
  - b. We inspected the Receipt Register Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

#### **Debt**

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2021.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2023 or 2022 or debt payment activity during 2023 or 2022. There were no new debt issuances, nor any debt payment activity during 2023 or 2022.

**Payroll Cash Disbursements**

1. We selected 1 payroll check for 5 employees from 2023 and 1 payroll check for 5 employees from 2022 from the Township's Payroll Journal and:
  - a. We compared the hours and pay rate, or salary recorded in the Township's Payroll Journal to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We noted 1 instance, an employee was prepaid for hours not yet worked. Alternative procedures were performed to ensure the employee was paid for the correct hours. The Township should ensure that all work is performed prior to each paycheck being issued to eliminate risk of overpayment.
  - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
  - c. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employee's timecard documentation. We found 3 instances where employees were not paid from the funds, in which work was performed, but were paid from the fund the majority of the work was performed. The Township should ensure that they are paying employees out of the correct fund based on the job duty performed, as documented on their detailed timecard.
  - d. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2023 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2023. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2024	December 31, 2023	\$2,785	\$2,785
State income taxes	January 15, 2024	December 20, 2023	\$531	\$531
OPERS retirement	January 30, 2024	December 20, 2023	\$2,377	\$2,377

We found no exceptions.

3. For the pay periods ended March 31, 2023 and September 30, 2022, we
  - a. Recomputed the allocation of the Fiscal Officer's and Boards' salary amounts and employer shares withholdings to the General, Motor Vehicle License Tax, Gasoline Tax, and Road and Bridge funds per the Wage Detail Report.
  - b. Traced the Boards' pay for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.

4. We compared total gross pay for the fiscal officer and each board of trustees for 2023 and 2022 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

### Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2023 and 10 from the year ended 2022 and determined whether:
  - a. The disbursements were for a proper public purpose. We found 1 instance where the Township paid \$177 in sales tax. The Township is exempt from sales tax; therefore, the Township should ensure they are not paying sales tax on purchases.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found 2 instances where the certification date was after the vendor invoice date, and there was also no evidence that a Then and Now Certificate was issued. Ohio Rev. Code §5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now Certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2023 and 2022 for the General, Gasoline Tax, and Road & Bridge funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2023 and 2022 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2023 and 2022 in the Hinkle system.     4. It lists only the specific benefits allowed under Ohio Rev. Code § 505.60A that will be reimbursed.We found that the Township did not have a necessary required resolution adopted and approved for the health insurance reimbursements. All other requirements were followed and met. The Township adopted and approved a retro-active resolution authorizing the insurance reimbursements.
