INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Raccoon Township
Gallia County
P.O. Box 313
Rio Grande, Ohio 45674

We have performed the procedures enumerated below on Raccoon Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2023 and 2022, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2022 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2021 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2022 balances in the Fund Status Report. We found no exceptions.
3. We agreed the 2023 and 2022 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2023 and 2022 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

Efficient • Effective • Transparent

Cash and Investments (Continued)

4. We confirmed the December 31, 2023 bank account balances with the Township's financial institutions and Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2023 bank reconciliation without exception.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2023 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected investments held at December 31, 2023 and December 31, 2022 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor Detail Expense Transaction Report for 2023 and a total of 5 from 2022:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2023 and 2022. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.
3. We confirmed the total amount paid from the Farmers Bank to the Township during 2022 with the Bank. We found no exceptions.
 - a. We inspected the Receipt Register Report to determine whether this receipt was allocated to the proper fund. We found no exceptions.
 - b. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. We found no exceptions.

Debt

1. From the prior agreed-upon procedures documentation, we observed the following loans were outstanding as of December 31, 2021.
 - a. These amounts agreed to the Township's January 1, 2022 balances on the summary we used in procedure 3.
 - b. We inspected the debt's final offering documents for all outstanding debt, and we confirmed the Township was in compliance with the debt covenant listed below.

Debt (Continued)

| Issue | Principal outstanding as of December 31, 2021: | Debt Covenant |
|---------------------|--|-----------------|
| Compact Loader Loan | \$44,395 | Timely Payments |

2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2023 or 2022 or debt payment activity during 2023 or 2022. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loans debt activity for 2023 and 2022 and agreed principal and interest payments from the related debt amortization schedules to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the Payments. We found errors in posting principal and interest amounts resulting in principal payments being overstated and interest payments being understated \$200 in 2022 and \$36 in 2023 for the Compact Loader Loan.
4. We agreed the amount of debt proceeds received for 2022 from the debt documents to amounts recorded in the General Fund per the Receipt Register Report. The amounts agreed. However, we noted new debt of \$138,946 was a promissory note. This type of debt is unallowable for Townships pursuant to Ohio Rev. Code § 133. The Ohio Rev. Code contains various methods of incurring debt for Townships. Installment loans and promissory notes with banking institutions are not legal methods of debt for Townships.
5. For new debt issued during 2023 and 2022, we inspected the debt legislation and resolution, which stated the Township must use the proceeds to purchase a tractor and mower. We inspected the Payment Register Detail Report and observed the Township purchased a tractor and mower on March 24, 2022. We found no exceptions.

Payroll Cash Disbursements

1. We selected 1 payroll check for 2 employees from 2023 and 1 payroll check for 2 employees from 2022 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation timecard, legislatively approved rate. We found no exceptions.
 - b. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' timesheet. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2023 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2023. We observed the following:

Payroll Cash Disbursements (Continued)

| Withholding (plus employer share, where applicable) | Date Due | Date Paid | Amount Due | Amount Paid |
|---|---------------------|----------------------|-----------------------|------------------------|
| Federal income taxes & Medicare (and social security, for employees not enrolled in pension system) | January 31, 2024 | December 21, 2023 | \$787 | \$787 |
| State income taxes | January 15, 2024 | December 21, 2023 | \$133 | \$133 |
| OPERS retirement | January 30, 2024 | December 21, 2023 | \$973 | \$973 |

We found no exceptions.

3. We compared total gross pay for the fiscal officer and each board of trustees for 2023 and 2022 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2023 and 10 from the year ended 2022 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found 3 instances in 2022 and 2 instances in 2023 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2023 and 2022 for the General, Motor Vehicle License Tax, and Gasoline Tax Funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2023 and 2022 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7(c)) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We selected the public records request from the engagement period and inspected the request to determine the following:
 - a. The Township was compliant and responded to the request in accordance with their adopted policy as required by Ohio Rev. Code § 149.43(B)(1). We found no exceptions.
 - b. The Township did not have any denied public records requests during the engagement period.
 - c. The Township did not have any public records requests with redactions during the engagement period.
3. We inquired whether the Township had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.

Sunshine Law Compliance (Continued)

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

Contract Compliance

We inspected the Minutes and Payment Register Detail and identified the Township had expenditures subject to competitive bidding. We found the Township expended \$61,965 to SC Construction for road oil for the purpose of maintaining township roads. This expenditure exceeded the \$50,000 threshold and would require competitive bidding per ORC § 5549.21. However, the Township did not use the competitive bidding process for this expenditure.

Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2023 and 2022 in the Hinkle system. We found no exceptions.
2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. Fiscal Officer obtained the required training.
3. The Township provided out-of-pocket insurance reimbursements in lieu of providing coverage to all employees.
 - a. We inspected the resolution authorizing reimbursements and determined it met the following documentation requirements for Ohio Rev. Code § 505.601.
 1. The Township has not chosen to procure a health plan,
 2. The Township has chosen to reimburse its officers and employees for each out-of-pocket premium,
 3. It provides for a maximum uniform monthly or yearly payment amount for each officer and employee, and
 4. It lists only the specific benefits allowed under Ohio Rev. Code § 505.60A that will be reimbursed.

We found no exceptions.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
