Village Council  
Village of Bloomdale  
206 Vine Street  
Bloomdale, Ohio 44847

We have reviewed the *Independent Auditor's Report* of the Village of Bloomdale, Wood County, prepared by BHM CPA Group, Inc., for the audit period January 1, 2022 through December 31, 2023. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Village of Bloomdale is responsible for compliance with these laws and regulations.

**INDEPENDENT AUDITOR'S REPORT**

Village of Bloomdale  
Wood County  
206 Vine Street  
P.O. Box 186  
Bloomdale, Ohio 44847

To the Village Council:

**Report on the Audit of the Financial Statements**

***Unmodified and Adverse Opinions***

We have audited the financial statements of the Village of Bloomdale, Wood County, Ohio (the Village), which comprises the cash balances, receipts and disbursements for each governmental and proprietary fund type and the fiduciary fund type combined total as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental and proprietary fund type and the fiduciary fund type combined total as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Village, as of December 31, 2023 and 2022, or the changes in financial position thereof for the year then ended.

### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Village, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 2 of the financial statements, the financial statements are prepared by the Village on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 15, 2024, on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Village's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village's internal control over financial reporting and compliance.

**Note 1 – Reporting Entity**

The Village of Bloomdale (the Village), Wood County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. A publicly-elected six-member Council directs the Village. The Village provides electric utilities and police services. Village residents receive water and sewer services from Northwest Water and Sewer District, which performs the billing and collections of these charges for services. The Village appropriates general fund money to support a volunteer fire department. After the dissolving of the village police, the Village contracted with the Wood County Sheriff's department to provide security of persons and property.

***Joint Ventures, Jointly Governed Organizations, Public Entity Risk Pools and Related Organizations***

The Village participates in two jointly governed organizations, one joint venture, and a public entity risk pool. Notes 6, 9 and 10 to the financial statements provide additional information for these entities. The Village's management believes these financial statements present all activities for which the Village is financially accountable.

**Note 2 – Summary of Significant Accounting Policies**

***Basis of Presentation***

The Village's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary fund types and a combined statement of additions, deductions and changes in fund balances (regulatory cash basis) all fiduciary fund types which are all organized on a fund type basis.

***Fund Accounting***

The Village uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Village are presented below:

***General Fund*** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Village for any purpose provided it is expended or transferred according to the general laws of Ohio.

***Special Revenue Funds*** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

***Street Construction Maintenance and Repair*** The street construction maintenance and repair fund accounts for and reports that portion of the State gasoline tax and motor vehicle license registration fees restricted for construction, maintenance, and repair of streets within the Village.

***Local Permissive Tax*** The Local Permissive Tax fund accounts for additional motor vehicle registration fees restricted for construction, maintenance, and repair of streets within the Village.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2023*

---

**Note 2 – Summary of Significant Accounting Policies** (continued)

**Capital Project Funds** These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Village had the following significant capital project funds:

**Capital Improvement Fund** The Capital Improvement fund received transfers from the General Fund. The proceeds are used for capital improvements, which have the life expectancy of 5 years or more from the time of purchase.

**Enterprise Funds** These funds account for operations that are similar to private business enterprises, where management intends to recover the significant costs of providing certain goods or services through user charges. The Village had the following significant Enterprise Funds:

**Electric Fund** The Electric fund receives charges for services from residents to cover electric service costs.

**Sewer Fund** The sewer fund accounts for the provision of sanitary sewer upgrades to the residents and commercial users within the Village.

**Fiduciary Funds** Fiduciary funds include private purpose trust funds, investment trust funds, and custodial funds. Trust funds account for assets held under a trust agreement meeting certain criteria.

Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Village's custodial fund accounts for contracted collections and remittance to a refuse collector.

***Basis of Accounting***

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Village recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

***Budgetary Process***

The Ohio Revised Code requires that each fund be budgeted annually.

**Appropriations** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function, or object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2023*

---

**Note 2 – Summary of Significant Accounting Policies** (continued)

**Estimated Resources** Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

**Encumbrances** The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. The Village did not encumber all commitments required by Ohio law.

A summary of 2023 budgetary activity appears in Note 3.

**Deposits and Investments**

The Village's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

**Capital Assets**

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

**Accumulated Leave**

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

**Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Nonspendable** The Village classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Village and the nonexpendable portion of the corpus in permanent funds.

**Restricted** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Committed** Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2023*

**Note 2 – Summary of Significant Accounting Policies** (continued)

*Assigned* Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

*Unassigned* Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 12.

**Note 3 – Budgetary Activity**

Budgetary activity for the year ending December 31, 2023 follows:

2023 Budgeted vs. Actual Receipts			
Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$196,622	\$265,915	\$69,293
Special Revenue	48,125	52,519	4,394
Capital Projects	50,000	50,000	0
Enterprise	516,300	530,570	14,270
Custodial	0	56,874	56,874
Total	\$811,047	\$955,878	\$144,831

2023 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$227,996	\$181,130	\$46,866
Special Revenue	184,390	73,890	110,500
Capital Projects	112,477	96,092	16,385
Enterprise	813,285	537,707	275,578
Custodial	0	51,121	(51,121)
Total	\$1,338,148	\$939,940	\$398,208

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2023*

---

**Note 4 – Deposits and Investments**

To improve cash management, cash received by the Village is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. A summary of the Village's deposit and investment accounts are as follows:

	<u>2023</u>
<b><i>Cash Management Pool:</i></b>	
Demand deposits	\$966,489
Other time deposits (savings and NOW accounts)	<u>233,958</u>
<i>Total carrying amount of deposits held in the Pool</i>	<u><u>\$1,200,447</u></u>

The Village does not use a separate payroll clearing account. The expenditures included in the accompanying financial statement reflect net payroll plus all remitted payroll withholdings. At December 31, 2023, the village is holding \$801.51 in unremitted employee payroll withholdings (OPERS).

***Deposits***

Deposits are insured by the Federal Deposit Insurance Corporation or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

**Note 5 – Taxes**

***Property Taxes***

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Village.

***Income Taxes***

The Village levies a municipal income tax of 1 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2023*

---

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

**Note 6 – Risk Management**

***Risk Pool Membership***

The Village is a member of the Public Entities Pool of Ohio (the Pool). The Pool assumes the risk of loss up to the limits of the Village’s policy. The Pool covers the following risks:

- General liability and casualty
- Public official’s liability
- Cyber
- Law enforcement liability
- Automobile liability
- Vehicles
- Property
- Equipment breakdown

The Pool reported the following summary of actuarially-measured liabilities and the assets available to pay those liabilities as of December 31 (latest information available):

	<u>2022</u>
Cash and investments	\$42,310,794
Actuarial liabilities	\$15,724,479

**Note 7 – Defined Benefit Pension Plans**

***Ohio Public Employees Retirement System***

Eleven Village employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan’s benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Village contributed an amount equaling 14 percent of participants’ gross salaries. The Village has paid all contributions required through December 31, 2023.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2023*

---

**Note 8 – Postemployment Benefits**

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the Traditional Pension Plan and Combined Plan was 0 percent during calendar year 2023. The portion of employer contributions allocated to health care for OPERS members in the Member Directed Plan was 4.0 percent during calendar year 2023.

**Note 9 – Debt**

Debt outstanding at December 31, 2023, was as follows:

	Principal	Interest Rate
OPWC Loan CE38W	\$211,083	0%
Total	\$211,083	

The Ohio Public Works Commission (OPWC) loans (CE38W) relates to storm sewer improvements in the Village of Bloomdale. The storm sewer improvements are to Harrison Street, North Garfield, Walnut, South Main and Railroad Street. The OPWC approved up to \$234,537 in loans at 0% interest to the Village for this project. The Village will repay the loans in biannual payments of \$3,908.95 over 30 years. The scheduled payment amount below is for \$234,537 loan. The Village has agreed to set utility rates sufficient to cover OPWC debt requirements.

***Amortization***

Amortization of the above debt is scheduled as follows:

Year Ending December 31:	OPWC Loan
2024	7,818
2025	7,818
2026	7,818
2027	7,818
2028	7,818
2029-2033	39,090
2034-2038	39,090
2039-2043	39,089
2044-2048	39,089
2049-2050	15,635
Total	\$211,083

---

**Note 10 – Joint Ventures**

Village residents (264) are provided a garbage service. The Village has a five-year contractual agreement with N.A.T., Bradner, Ohio. NAT gathers the residents' trash one day per week. Village residents pay a flat fee for the service every month which is collected with their electric payments and is allocated to the trash/refuse fund.

**Note 11 – Jointly Governed Organizations**

***Combined Hydroelectric Projects (79 Members)***

AMP owns and operates three hydroelectric projects, the Cannelton, the Smithland and the Willow Island hydroelectric generating facilities (the "Combined Hydroelectric Projects"), all on the Ohio River, with an aggregate generating capacity of approximately 208 MW. Each of the Combined Hydroelectric Projects is in commercial operation and consists of run-of-the-river hydroelectric generating facilities on existing Army Corps dams and includes associated transmission facilities. AMP holds the licenses from FERC for the Combined Hydroelectric Projects.

The Cannelton Hydro Facility, 88MW, in operation as of June 7, 2016, is located on the Kentucky shore of the Cannelton Locks and Dam on federal land. AMP has a FERC license for the project that expires May 31, 2041. The hydro project diverts water from the locks and dam through bulb turbines, which have a horizontal shaft and Kaplan-type turbines. The site includes an intake channel, a reinforced concrete powerhouse (to house turbine and 3 generator units), and a tailrace or downstream channel.

The Willow Island Hydro facility, 44MW, in operation as of February 4, 2016, diverts water from the existing Willow Island Locks and Dam through bulb turbines. The FERC license for the Willow Project expires August 31, 2030. Average gross annual output is 279 million kWh. The powerhouse houses two horizontal 29.3 MW bulb type turbines and generating units.

The Smithland Hydro, facility, 76MW, in operation as of September 1, 2017 is located 62.5 miles upstream of the confluence of the Ohio and Mississippi River. The Smithland project has a FERC license that expires May 31, 2038. The Powerhouse houses three horizontal 29.3 MW bulb type turbines and generating units. Average gross annual output is 379 million kWh.

To provide financing for, or refinance certain obligations incurred in respect of, the Combined Hydroelectric Projects, AMP has issued eight series of its Combined Hydroelectric Projects Revenue Bonds (the "Combined Hydroelectric Bonds"), in an original aggregate principal amount of \$2,354,485,000 and consisting of taxable, tax-exempt and tax advantaged obligations (Build America Bonds, Clean Renewable Energy Bonds and New Clean Renewable Energy Bonds). The Combined Hydroelectric Bonds are secured by a master trust indenture and payable from amounts received by AMP under a take or-pay power sales contract with 79 of its Members. As of December 31, 2020, \$2,140,742,059 aggregate principal amount of the Combined Hydroelectric Bonds and approximately \$23.1 million aggregate principal amount of subordinate obligations, consisting of notes evidencing draws on the Line of Credit, were outstanding under the indenture securing the Combined Hydroelectric Bonds.

The Village of Bloomdale has executed a take -or-pay power sales contract with AMP for a Project Share of 100 kW or 0.05% of capacity and associated energy from the hydro facilities.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2023*

---

**Note 11 – Jointly Governed Organizations** (continued)

***Prairie State Energy Campus (68 Members)***

On December 20, 2007, AMP acquired a 23.26% undivided ownership interest (the “PSEC Ownership Interest”) in the Prairie State Energy Campus (“PSEC”), a two unit, supercritical coal-fired power plant designed to have a net rated capacity of approximately 1,582 MW and associated facilities in southwest Illinois. The PSEC Ownership Interest is held by AMP 368 LLC, a single-member Delaware limited liability company (“AMP 368 LLC”). AMP is the owner of the sole membership interest in AMP 368 LLC. Construction of the PSEC commenced in October 2007. Unit 1 of the PSEC commenced operations in the second quarter of 2012 and Unit 2 of the PSEC commenced operations in the fourth quarter of 2012.

From July 2008 through September 2010, AMP issued five series of Prairie State Energy Campus Revenue Bonds (collectively, the “Initial Prairie State Bonds”) to finance PSEC project costs and PSEC related expenses. The Initial Prairie State Bonds consist of tax-exempt, taxable and tax advantaged Build America Bonds issued in the original aggregate principal amount of \$1,696,800,000. In 2015, 2017 and 2019, AMP issued bonds (the “Prairie State Refunding Bonds” and, together with the Initial Prairie State Bonds, the “Prairie State Bonds”) to refund all of the callable tax-exempt Initial Prairie State Bonds issued in 2008 and 2009, certain of callable outstanding Initial Prairie State Bonds issued as Build America Bonds and certain of the bonds issued in 2015 to refund the Initial Prairie State Bonds. As of December 31, 2020, AMP had \$1,470,255,000 aggregate principal amount of Prairie State Bonds outstanding.

AMP sells the power and energy from the PSEC Ownership Interest pursuant to a take-or-pay power sales contract (the “Prairie State Power Sales Contract”) with 68 Members (the “Prairie State Participants”). The Prairie State Bonds are net revenue obligations of AMP, secured by a master trust indenture, payable primarily from the payments to be made by the Prairie State Participants under the terms of the Prairie State Power sales Contract.

The Village of Bloomdale has executed a take-or-pay power sales contract with AMP for a Project Share of 199 kW or 0.05% kW of capacity and associated energy from the Prairie State facility.

**Note 12 – Fund Balances**

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Capital Projects	Total
Outstanding Encumbrances	\$3,795	\$144	\$50,740	\$54,679
<i>Total</i>	<u>\$3,795</u>	<u>\$144</u>	<u>\$50,740</u>	<u>\$54,679</u>

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2023*

---

**Note 12 – Fund Balances – (continued)**

The fund balance of special revenue funds is either restricted or committed. The fund balance of capital projects fund are restricted committed or assigned. These restricted, committed and assigned amounts in the special revenue and capital projects funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

**Note 13 – COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio’s state of emergency ended in June, 2021 while the national state of emergency continues. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Village. The impact on the Village’s future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

During 2021, the Village received \$71,760 American Rescued Plan monies. These funds will be used to improve storm sewer infrastructure (Phase 2). The American Rescue Plan, 2021 is reflected on the accompanying financial statement, recorded as a Special Revenue Fund.

**Note 14 – Restatement of Beginning Balances**

The beginning fund balances for the General Fund and Enterprise funds were restated as follows due to voiding of prior period disbursements:

	General Fund:	Enterprise:
<b>2023 Beginning Fund Balances:</b>	\$ 346,711	\$ 511,118
Prior period checks voided:	100	489
<b>2023 Restated Beginning Fund Balances:</b>	<u>\$ 346,811</u>	<u>\$ 511,607</u>

**Note 1 – Reporting Entity**

The Village of Bloomdale (the Village), Wood County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. A publicly-elected six-member Council directs the Village. The Village provides electric utilities, and police services. Village residents receive water and sewer services from Northwest Water and Sewer District, which performs the billing and collections of these charges for services. The Village appropriates general fund money to support a volunteer fire department.

***Joint Ventures, Jointly Governed Organizations, Public Entity Risk Pools and Related Organizations***

The Village participates in two jointly governed organization, one joint venture, and a public entity risk pool. Notes 6, 9 and 10 to the financial statements provide additional information for these entities. The Village's management believes these financial statements present all activities for which the Village is financially accountable.

**Note 2 – Summary of Significant Accounting Policies**

***Basis of Presentation***

The Village's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary fund types and a combined statement of additions, deductions and changes in fund balances (regulatory cash basis) all fiduciary fund types which are all organized on a fund type basis.

***Fund Accounting***

The Village uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Village are presented below:

***General Fund*** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Village for any purpose provided it is expended or transferred according to the general laws of Ohio.

***Special Revenue Funds*** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

***Street Construction Maintenance and Repair*** The street construction maintenance and repair fund accounts for and reports that portion of the State gasoline tax and motor vehicle license registration fees restricted for construction, maintenance, and repair of streets within the Village.

***Local Permissive Tax*** The Local Permissive Tax fund accounts for additional motor vehicle registration fees restricted for construction, maintenance, and repair of streets within the Village.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

---

**Note 2 – Summary of Significant Accounting Policies** (continued)

**Capital Project Funds** These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Village had the following significant capital project funds:

**Capital Improvement Fund** The capital improvement fund receives transfers from the General Fund. The proceeds are used for capital improvements, which have the life expectancy of 5 years or more from the time of purchase.

**Enterprise Funds** These funds account for operations that are similar to private business enterprises, where management intends to recover the significant costs of providing certain goods or services through user charges. The Village had the following significant Enterprise Funds:

**Electric Fund** The Electric fund receives charges for services from residents to covered electric service costs.

**Sewer Fund** The sewer fund accounts for the provision of sanitary sewer services to the residents within the Village.

**Fiduciary Funds** Fiduciary funds include private purpose trust funds, investment trust funds, and custodial funds. Trust funds account for assets held under a trust agreement meeting certain criteria.

Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Village disburses these funds as directed by the individual, organizations or other government. The Village's custodial fund accounts for contracted collections and remittance to a refuse collector.

***Basis of Accounting***

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

***Budgetary Process***

The Ohio Revised Code requires that each fund be budgeted annually.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

---

**Note 2 – Summary of Significant Accounting Policies** (continued)

***Appropriations*** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

***Estimated Resources*** Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

***Encumbrances*** The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. The Village did not encumber all commitments required by Ohio law.

A summary of 2022 budgetary activity appears in Note 3.

***Deposits and Investments***

The Village's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

***Capital Assets***

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

***Accumulated Leave***

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

***Fund Balance***

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

***Nonspendable*** The Village classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Village and the nonexpendable portion of the corpus in permanent funds.

***Restricted*** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

---

**Note 2 – Summary of Significant Accounting Policies** (continued)

**Committed** Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**Assigned** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

**Unassigned** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 12.

**Note 3 – Budgetary Activity**

Budgetary activity for the year ending December 31, 2022 follows:

2022 Budgeted vs. Actual Receipts			
Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$168,900	\$231,253	\$62,353
Special Revenue	68,216	85,613	17,397
Capital Projects	42,000	45,231	3,231
Enterprise	501,000	574,669	73,669
Custodial	0	55,669	55,669
<b>Total</b>	<b>\$780,116</b>	<b>\$992,435</b>	<b>\$212,319</b>

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

**Note 3 – Budgetary Activity** (continued)

2022 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$226,500	\$187,870	\$38,630
Special Revenue	202,835	97,042	105,793
Capital Projects	108,305	45,713	62,592
Enterprise	760,777	546,194	214,583
Custodial	0	49,716	(49,716)
<b>Total</b>	<b>\$1,298,417</b>	<b>\$926,535</b>	<b>\$371,882</b>

**Note 4 – Deposits and Investments**

To improve cash management, cash received by the Village is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. A summary of the Village’s deposit and investment accounts are as follows:

	2022
<b><i>Cash Management Pool:</i></b>	
Demand deposits	\$898,433
Other time deposits (savings and NOW accounts)	227,052
<i>Total carrying amount of deposits held in the Pool</i>	<b>\$1,125,485</b>

***Deposits***

Deposits are insured by the Federal Deposit Insurance Corporation or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

**Note 5 – Taxes**

***Property Taxes***

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

---

**Note 5 – Taxes** (continued)

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Village.

***Income Taxes***

The Village levies a municipal income tax of 1 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

**Note 6 – Risk Management**

***Risk Pool Membership***

The Village is a member of the Public Entities Pool of Ohio (the Pool). The Pool assumes the risk of loss up to the limits of the Village’s policy. The Pool covers the following risks:

- General liability and casualty
- Public official’s liability
- Cyber
- Law enforcement liability
- Automobile liability
- Vehicles
- Property
- Equipment breakdown

The Pool reported the following summary of actuarially-measured liabilities and the assets available to pay those liabilities as of December 31:

	<u>2022</u>
Cash and investments	\$42,310,794
Actuarial liabilities	\$15,724,479

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

---

**Note 7 – Defined Benefit Pension Plans**

***Ohio Public Employees Retirement System***

Twelve Village employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan’s benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Village contributed an amount equaling 14 percent of participants’ gross salaries. The Village has paid all contributions required through December 31, 2022.

**Note 8 – Postemployment Benefits**

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the Traditional Pension Plan and Combined Plan was 0 percent during calendar year 2022. The portion of employer contributions allocated to health care for OPERS members in the Member Directed Plan was 4.0 percent during calendar year 2022.

**Note 9 – Debt**

Debt outstanding at December 31, 2022, was as follows:

	<u>Principal</u>	<u>Interest Rate</u>
OPWC Loan CE38W	\$218,901	0%
Total	\$218,901	

The Ohio Public Works Commission (OPWC) loans (CE38W) relates to storm sewer improvements in the Village of Bloomdale. The storm sewer improvements are to Harrison Street, North Garfield, Walnut, South Main and Railroad Street. The OPWC approved up to \$234,537 in loans at 0% interest to the Village for this project. The Village will repay the loans in biannual payments of \$3,908.95 over 30 years. The scheduled payment amount below is for \$234,537 loan. The Village has agreed to set utility rates sufficient to cover OPWC debt requirements.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

---

***Amortization***

Amortization of the above debt is scheduled as follows:

Year Ending December 31:	OPWC Loan
2023	7,818
2024	7,818
2025	7,818
2026	7,818
2027	7,818
2028-2032	39,090
2033-2037	39,090
2038-2042	39,089
2043-2047	39,089
2048-2050	23,453
Total	<u>\$218,901</u>

**Note 10 – Joint Ventures**

Village residents (264) are provided a garbage service. The Village has a five-year contractual agreement with NAT, Bradner, Ohio. NAT gathers the residents’ trash one day per week. Village residents pay a flat fee for the service every month which is collected with their electric payments and is allocated to the trash/refuse fund.

**Note 11 – Jointly Governed Organizations**

***Combined Hydroelectric Projects (79 Members)***

AMP owns and operates three hydroelectric projects, the Cannelton, the Smithland and the Willow Island hydroelectric generating facilities (the "Combined Hydroelectric Projects"), all on the Ohio River, with an aggregate generating capacity of approximately 208 MW. Each of the Combined Hydroelectric Projects is in commercial operation and consists of run-of-the-river hydroelectric generating facilities on existing Army Corps dams and includes associated transmission facilities. AMP holds the licenses from FERC for the Combined Hydroelectric Projects.

The Cannelton Hydro Facility, 88MW, in operation as of June 7, 2016, is located on the Kentucky shore of the Cannelton Locks and Dam on federal land. AMP has a FERC license for the project that expires May 31, 2041. The hydro project diverts water from the locks and dam through bulb turbines, which have a horizontal shaft and Kaplan-type turbines. The site includes an intake channel, a reinforced concrete powerhouse (to house turbine and 3 generator units), and a tailrace or downstream channel.

The Willow Island Hydro facility, 44MW, in operation as of February 4, 2016, diverts water from the existing Willow Island Locks and Dam through bulb turbines. The FERC license for the Willow Project expires August 31, 2030. Average gross annual output is 279 million kWh. The powerhouse houses two horizontal 29.3 MW bulb type turbines and generating units.

**Note 11 – Jointly Governed Organizations** (continued)

The Smithland Hydro, facility, 76MW, in operation as of September 1, 2017 is located 62.5 miles upstream of the confluence of the Ohio and Mississippi River. The Smithland project has a FERC license that expires May 31, 2038. The Powerhouse houses three horizontal 29.3 MW bulb type turbines and generating units. Average gross annual output is 379 million kWh.

To provide financing for, or refinance certain obligations incurred in respect of, the Combined Hydroelectric Projects, AMP has issued eight series of its Combined Hydroelectric Projects Revenue Bonds (the "Combined Hydroelectric Bonds"), in an original aggregate principal amount of \$2,354,485,000 and consisting of taxable, tax-exempt and tax advantaged obligations (Build America Bonds, Clean Renewable Energy Bonds and New Clean Renewable Energy Bonds). The Combined Hydroelectric Bonds are secured by a master trust indenture and payable from amounts received by AMP under a take or-pay power sales contract with 79 of its Members. As of December 31, 2020, \$2,140,742,059 aggregate principal amount of the Combined Hydroelectric Bonds and approximately \$23.1 million aggregate principal amount of subordinate obligations, consisting of notes evidencing draws on the Line of Credit, were outstanding under the indenture securing the Combined Hydroelectric Bonds.

The Village of Bloomdale has executed a take -or-pay power sales contract with AMP for a Project Share of 100 kW or 0.05% of capacity and associated energy from the hydro facilities.

***Prairie State Energy Campus (68 Members)***

On December 20, 2007, AMP acquired a 23.26% undivided ownership interest (the "PSEC Ownership Interest") in the Prairie State Energy Campus ("PSEC"), a two unit, supercritical coal-fired power plant designed to have a net rated capacity of approximately 1,582 MW and associated facilities in southwest Illinois. The PSEC Ownership Interest is held by AMP 368 LLC, a single-member Delaware limited liability company ("AMP 368 LLC"). AMP is the owner of the sole membership interest in AMP 368 LLC. Construction of the PSEC commenced in October 2007. Unit 1 of the PSEC commenced operations in the second quarter of 2012 and Unit 2 of the PSEC commenced operations in the fourth quarter of 2012.

From July 2008 through September 2010, AMP issued five series of Prairie State Energy Campus Revenue Bonds (collectively, the "Initial Prairie State Bonds") to finance PSEC project costs and PSEC related expenses. The Initial Prairie State Bonds consist of tax-exempt, taxable and tax advantaged Build America Bonds issued in the original aggregate principal amount of \$1,696,800,000. In 2015, 2017 and 2019, AMP issued bonds (the "Prairie State Refunding Bonds" and, together with the Initial Prairie State Bonds, the "Prairie State Bonds") to refund all of the callable tax-exempt Initial Prairie State Bonds issued in 2008 and 2009, certain of callable outstanding Initial Prairie State Bonds issued as Build America Bonds and certain of the bonds issued in 2015 to refund the Initial Prairie State Bonds. As of December 31, 2020, AMP had \$1,470,255,000 aggregate principal amount of Prairie State Bonds outstanding.

AMP sells the power and energy from the PSEC Ownership Interest pursuant to a take-or-pay power sales contract (the "Prairie State Power Sales Contract") with 68 Members (the "Prairie State Participants"). The Prairie State Bonds are net revenue obligations of AMP, secured by a master trust indenture, payable primarily from the payments to be made by the Prairie State Participants under the terms of the Prairie State Power sales Contract.

**Village of Bloomdale, Ohio**  
*Wood County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

The Village of Bloomdale has executed a take-or-pay power sales contract with AMP for a Project Share of 199 kW or 0.05% kW of capacity and associated energy from the Prairie State facility.

**Note 12 – Fund Balances**

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Capital Projects	Total
Outstanding Encumbrances	\$11,011	\$33	\$2,477	\$13,521
<i>Total</i>	\$11,011	\$33	\$2,477	\$13,521

The fund balance of special revenue funds is either restricted or committed. The fund balance of capital projects funds are restricted, committed or assigned. These restricted, committed and assigned amounts in the special revenue and capital projects funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

**Note 13 – COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio's state of emergency ended in June, 2021 while the national state of emergency continues. During 2022, the Village received COVID-19 funding. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Village. The impact on the Village's future operating costs, revenues, and additional recovery from funding, either federal or state, cannot be estimated.

The Village received the first installment of funds through the American Rescue Plan Act – Coronavirus Local Fiscal Recovery Funds for Ohio. In 2022, the Village received \$35,772. These funds will be used to improve storm sewer infrastructure. The American Rescue Plan 2021 is reflected on the accompanying financial statement, recorded as a Special Revenue Fund.

**Note 14 – Restatement of Beginning Balances**

The beginning fund balances for the General Fund and Enterprise funds were restated as follows due to voiding of prior period disbursements:

	General Fund:	Enterprise:
<b>2022 Beginning Fund Balances:</b>	\$292,229	\$ 480,058
Prior period checks voided:	88	428
<b>2022 Restated Beginning Fund Balances:</b>	\$292,317	\$ 480,486

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Village of Bloomdale  
Wood County  
206 Vine Street  
P.O. Box 186  
Bloomdale, Ohio 44847

To the Village Council:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the cash balances, receipts, and disbursements for each governmental and proprietary fund type and the fiduciary fund type combined total as of and for the years ended December 31, 2023 and 2022 and the related notes to the financial statements of the Village of Bloomdale, Wood County, (the Village) and have issued our report thereon dated April 15, 2024, wherein we noted the Village followed financial reporting provisions Ohio Rev. Code § 117.38 and Ohio Admin. Code 117-2-03(C) permit.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Village's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, we do not express an opinion on the effectiveness of the Village's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Village's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described in the accompanying schedule of findings as items 2023-001 and 2023-002 that we consider to be material weaknesses.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Village's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matter that is required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings as item 2023-001.

***Purpose of This Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Village's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

VILLAGE OF BLOOMDALE  
WOOD COUNTY

SCHEDULE OF FINDINGS  
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

**FINDING NUMBER 2023-001**

**Material Weakness/Non-Compliance**

**Ohio Revised Code section 5705.41(D)(1)** prohibits a subdivision or taxing entity from making any contract or ordering any expenditure of money unless a certificate signed by the fiscal officer is attached thereto.

There are several exceptions to the standard requirement stated above that a fiscal officer's certificate must be obtained prior to a subdivision or taxing authority entering into a contract or order involving the expenditure of money. The main exceptions are: "then and now" certificates, blanket certificates, and super blanket certificates, which are provided for in Section 5705.41(D)(1) and 5705.41(D)(3), respectively, of the Ohio Revised Code.

1. "Then and Now" Certificate – if the fiscal officer can certify that both at the time that the contract or order was made ("then"), and at the time that the fiscal officer is completing the certification ("Now"), that sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance, the Village can authorize the drawing of a warrant for the payment of the amount due. The Village has thirty days from the receipt of the "then and now" certificate to approve payment or ordinance or resolution.

Amounts of less than \$3,000 may be paid by the fiscal officer without a resolution or ordinance upon completion of the "then and now" certificate, provided that the expenditure is otherwise lawful. This does not eliminate any otherwise applicable requirement for approval of expenditures by the Village.

2. Blanket Certificate – Fiscal Officers may prepare "blanket" certificates for a certain sum of money not in excess of an amount established by resolution or ordinance adopted by a majority of the members of the legislative authority against any specific line item account over a period not running beyond the end of the current fiscal year. The blanket certificates may, but need not, be limited to a specific vendor. Only one blanket certificate may be outstanding at one particular time for any one particular line item appropriation.
3. Super Blanket Certificate – The Village may also make expenditures and contracts for any amount from a specific line-item appropriation account in a specified fund upon certification of the fiscal officer for most professional services, fuel, oil, food items, and any other specific recurring and reasonably predictable operating expense. This certification is not to extend beyond the current year. More than one super blanket certificate may be outstanding at a particular time for any line item appropriation.

The Village's Fiscal Officer did not certify the availability of funds prior to making commitments during 2023 for 29% of disbursements tested and for 2022 for 27% of disbursements tested. Failure to properly certify the availability of funds can result in overspending funds and negative cash fund balances.

The Village's Fiscal Officer should certify the availability of funds prior to the commitment being incurred. The most convenient certification method is to use purchase orders that include the certification language Ohio Rev. Code section 5705.41(D) requires authorizing disbursements.

**Officials' Response:** We did not receive a response from Officials regarding this finding.

VILLAGE OF BLOOMDALE  
WOOD COUNTY

SCHEDULE OF FINDINGS  
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

**FINDING NUMBER 2023-002**

**Material Weakness – Internal Controls Related to Financial Reporting**

Sound financial reporting is the responsibility of the fiscal officer and governing board and is essential to ensure the information provided to the readers of the financial statements is complete and accurate.

Material and immaterial misstatements were identified during the course of the audit which have not been prevented or detected by the Village's internal controls over financial reporting. As a result of the audit procedures performed, the following errors were noted in the financial statements that required audit adjustment or reclassification:

- Reclassifications were made in 2022 and 2023 for \$7,818 each year from Interest and Other Fiscal Charges to Principal Retirement in the Storm Sewer Improvement Fund (Enterprise).
- Corrections and updates were required to the Notes to the Financial Statements for 2022 and 2023

To ensure the Village's financial statements and notes to the financial statements are complete and accurate, we recommend the Fiscal Officer review the Ohio Village Officer's Handbook for guidance on the correct line item to post various receipts and expenditures of the Village.

**Officials' Response:** We did not receive a response from Officials regarding this finding.
