## INDEPENDENT ACCOUNTANT’S REPORT ON APPLYING AGREED-UPON PROCEDURES

Village of Harveysburg  
Warren County  
79 W Main Street  
Harveysburg, Ohio 45032

We have performed the procedures enumerated below on the Village of Harveysburg’s (the Village) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village.

The Village Council, Mayor and the management of the Village have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Village’s receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2023 and 2022, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash and Investments

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2022 beginning fund balances for Fund Ledger Report to the December 31, 2021 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2022 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2023 and 2022 bank reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2023 and 2022 to the total fund cash balances reported in the Fund

Status Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.

4. We confirmed the December 31, 2023 bank account balances with the Village's financial institution, and Ohio Pooled Collateral System. The Village has a \$9,887 variance between the Mayor's Court bank balance on the reconciliation and the Mayor's Court bank statement balance, this was due to the Village entering the incorrect bank balance into the system when reconciling. The Village should enter the amount as it shows on the bank statement. Also, the Village is not reconciling the Mayor's Court balance on the reconciliation with the Mayor's Court bank statements monthly, the Village is entering all the information in December, which resulted in excluding October expenditures. The Village should be reconciling all accounts balances on the reconciliation with their corresponding bank statement for the month to ensure all balances agree.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2023 bank reconciliation:
  - a. We traced each debit to the subsequent January and February bank statements. We found no exceptions.
  - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31.
6. We inspected investments held at December 31, 2023 and December 31, 2022 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

#### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the County Auditor DLTs for 2023 and a total of 5 from 2022:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2023 and 2022. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.
3. We confirmed the individual amounts paid from the Ohio Department of Public Safety and Warren County Sewer and Water Department to the Village during 2023 and 2022. We found that the Village did not deposit or receipt check #1287694 from Warren County in 2022, for the amount of \$2,355. The Village should contact Warren County to void and reissue the check to the Village.
4.
  - a. We inspected the Receipt Register Report to determine whether these receipts were allocated to the proper funds. We found no exceptions.
  - b. We inspected the Receipt Register Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

### **Other Receipts**

We selected 10 other receipts from the year ended December 31, 2023 and 10 other receipts from the year ended 2022 and:

- a. Agreed the receipt amount recorded in the Receipt Register Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found that during May of 2022, the Village hired a new building inspector. The Village continued to utilize the old fee schedule. A formal contract was not signed that clearly outlined how consulting fees would be charged to village residents. It is important that the Village ensure there is a contract and fee schedule in place that clearly outlines the services to be provided to the residents of the Village. In March of 2023, the Village approved hiring a building official and a new contract was signed that outlines services to be provided.
- c. Inspected the Receipt Register Report to determine the receipt was posted to the proper funds, and was recorded in the proper year. We found no exceptions.

### **Debt**

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2021.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2023 or 2022 or debt payment activity during 2023 or 2022. There were no new debt issuances, nor any debt payment activity during 2023 or 2022.

### **Payroll Cash Disbursements**

1. We selected 1 payroll check for 5 employees from 2023 and 1 payroll check for 5 employees from 2022 from the Wage Withholdings Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We selected 1 new employee from 2022 and:
  - a. We inspected the employees' personnel file for the Retirement system, Federal, State & Local income tax withholding authorization.
  - b. We agreed the items in a above to the Employee General Information Report  
We found no exceptions.
3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2023 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2023. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2024	January 16, 2024	\$679	\$679
State income taxes	January 15, 2024	January 16, 2024	\$246	\$246
School Income Tax	January 31, 2024	January 16, 2024	\$31	\$31
OPERS retirement	December 30, 2023	December 28, 2023	\$324	\$324

We found no exceptions.

### **Non-Payroll Cash Disbursements**

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2023 and 10 from the year ended 2022 and determined whether:
  - a. The disbursements were for a proper public purpose. We found 3 disbursements that included late fees totaling \$91.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check and/or bank statement agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found checks that were not recorded in the Payment Register correctly. Both instances were due checks being voided but not corrected in the system until a later date. We also found 1 (Electronic Funds Transfer) EFT that was not recorded in (Uniform Accounting Network)UAN until 30 days after the bank statement date.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.  
The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found 3 instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### **Mayor's Court Transactions and Cash Balances**

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found that the Village has been carrying a variance on the reconciliation in the amount of \$447, for several years. The Village should take the necessary steps to determine the variance or take required steps to remove the variance from the reconciliation.
2. We compared the reconciled cash totals as of December 31, 2023 and December 31, 2022 to the Mayor's Court Fund balance reported in the Cash Control Report. The balances agreed.
3. We agreed the totals per the bank reconciliations to the total of December 31, 2023 and 2022 listing of unpaid distributions as of each December 31. The amounts agreed.
4. We confirmed the December 31, 2023 bank account balance with Ohio Pooled Collateral System. We found no exceptions.
5. We selected 5 cases from the court cash book and agreed the payee and amount posted to the:

- a. Duplicate receipt book.
- b. Docket, including comparing the total fine paid to the judgment issued by the judge (i.e. mayor)
- c. Case file.

The amounts recorded in the cash book, receipts book, docket and case file agreed.

- 6. From the cash book, we selected 1 month from the year ended December 31, 2023 and 1 month from the year ended 2022 and determined whether:
  - a. The monthly sum of fines and costs collected for those months agreed to the amounts reported as remitted to the Village, State, or other applicable government in the following month. We found no exceptions.
  - b. The totals remitted for these 2 months per the cash book agreed to the returned canceled checks. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the cash book.

**Compliance – Budgetary**

- 1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2023 and 2022 for the General, Street Construction Maintenance & Repair, and Mayors Court Computerization Fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
- 2. We inspected 2 interfund transfers from 2022 Revenue Status Reports and Appropriation Status Reports for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
- 3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2023 and 2022 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

**Sunshine Law Compliance**

- 1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
- 2. We selected 4 public records requests from the engagement period and inspected each request to determine the following:
  - a. The Village was compliant and responded to the request in accordance with their adopted policy as required by Ohio Rev. Code § 149.43(B)(1). We found no exceptions.

Date Request Received	Date Request Fulfilled	Policy Response Time (in Business days)	Actual Response Time (in Business days)
-----------------------	------------------------	---	---

12/1/2023	12/1/2023	15	0

10/10/2023	10/10/2023	15	0

  4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
  5. We inspected the Village's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
  6. We observed that the Village's poster describing their Public Records Policy was displayed conspicuously in all branches of the Village as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
  7. We inquired with Village management and determined that the Village did not have any applications for record disposal submitted to the Records Commission during the engagement period.
  8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found that two of the elected officials did not successfully attend the three-hour Public Records Training for their most recent term of office.
  9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
  10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
    - a. Prepared – a file is created following the date of the meeting
    - b. Filed – placed with similar documents in an organized manner
    - c. Maintained - retained, at a minimum, for the engagement period
    - d. Open to public inspection – available for public viewing or request.
 We found no exceptions.
  11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
    - a. Executive sessions were only held at regular or special meetings.
    - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
    - c. Formal governing board actions were adopted in open meetings.
 We found no exceptions.

**Contract Compliance:**

1. We inspected the Appropriation Ledger and identified the Village had expenditures subject to competitive bidding. We found no exceptions.
2. We selected 1 contract subject to competitive bidding requirements for 2023 and 1 for 2022 and
  - a. We inspected the contract and other bids for the contracted expenditure and determined:
    - i. The Village accepted the lowest bid and met the requirements of Ohio Rev. Code § 735.05
    - ii. No bid splitting occurred.
    - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
    - iv. No apparent interest in the contract by a public official occurred.We found no exceptions.
  - b. We inspected the advertisements of the proposals for bids on the Village website and determined they were made as required by Ohio Rev. Code. We found no exceptions.
3. We inspect the modified contract documents for the contracts in procedure 1 and determined it contained:

  - b. Signatures of the appropriate officials including the legislative officers of a village.We found no exceptions.

**Other Compliance**

1. Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2023 and 2022 in the Hinkle system. We found no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. The Fiscal Officer obtained 1 hour of the required 2 hours of Ethics Instruction.

We were engaged by the Village to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Village and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
