Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

3. We agreed the 2024 and 2023 bank reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Village in the Hinkle System. We noted a \$7,363 difference between the 2023 bank reconciliation and the Deposit and Investments note due to the inclusion of outstanding payments. We noted no exceptions in 2024.
4. We confirmed the December 31, 2024 bank account balances with Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2024 bank reconciliation without exception.
5. We selected all reconciling debits (such as outstanding checks) from the December 31, 2024 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found one instance in which the outstanding check had not cleared and is still included on the outstanding check list.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the County Cross Reference Report for 2024 and a total of 5 from 2023:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found one exception in 2024 for a receipt totaling \$95,760 that was posted to the Street Construction Maintenance and Repair Fund rather than the ARP Fund. The Fiscal Officer has posted this adjustment to the Village's UAN Accounting System. We found no exceptions in 2023.
 - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts plus six advances for 2024. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts plus seven advances for 2023. We noted one Homestead and Rollback real estate receipt in 2024 totaling \$11,922 was misclassified as property tax revenue rather than intergovernmental revenue. We noted no exceptions in 2023.

Income Tax Receipts

1. We obtained the December 31, 2024 and 2023 Total Distributions reports submitted by the Regional Income Tax Agency (RITA), the agency responsible for collecting income taxes on behalf of the Village. We agreed the total gross income taxes per year to the Village's Receipt Register Report. The amounts did not agree due to the Village collecting withholdings for Village employees instead of utilizing RITA. The employee amounts were agreed to the Village's Payroll Withholding report.
2. The latest council approved amendment for the engagement period was dated 9/21/2015. We agreed the most recent approved rate to the rate on RITA's supporting documentation. We found no exceptions.

Sewer Fund

1. We selected 10 Sewer Fund collection cash receipts from the year ended December 31, 2024 and 10 Sewer Fund collection cash receipts from the year ended 2023 recorded in the Receipt Register Report and determined whether the:

 - b. Of the total receivables reported in the preceding procedure, \$2,682 and \$2,618 were recorded as more than 90 days delinquent.
3. We observed the adjustments printed from the public utilities software system
 - a. The Village was unable to provide a non-cash accounts receivable adjustment report that included dollar amounts. Therefore, we could not determine the amount of non-cash adjustments recorded in 2024 or 2023. The Village should work with their software provider to develop a report to easily identify these adjustments.
 - b. We selected 5 non-cash adjustments from 2024 and 5 non-cash adjustments from 2023 and observed that the Board of Public Affairs approved each adjustment.
