REPORT OF INDEPENDENT ACCOUNTANTS

Anderson Township Hamilton County 7954 Beechmont Avenue Cincinnati, Ohio 45255

To the Board of Trustees:

We have audited the accompanying financial statements of Anderson Township, Hamilton County, Ohio (the Township), as of and for the year ended December 31, 1999. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Township as of December 31, 1999, and its combined cash receipts and disbursements for the year then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 18, 2000, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

We have audited the financial statements of the Township as of and for the year ended December 31, 1999, and have issued our report thereon dated August 18, 2000. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of federal awards expenditures is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

ANDERSON TOWNSHIP NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 1999

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Anderson Township, Hamilton County, Ohio (the Township), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides general governmental services, including road and bridge maintenance, and fire protection and emergency medical services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Certificates of deposit and treasury notes are valued at cost. The investment in STAROhio (the State Treasurer's investment pool) is valued at amounts reported by the State Treasurer.

Investments are reported as assets. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Road and Bridge Fund - This fund receives property tax money for constructing, maintaining and repairing Township roads and bridges.

Fire District Fund - This fund receives tax money for the operating expenses incurred by the Fire department in the Township.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

TIF Fund - This fund receives money in lieu of taxes for improvements to certain parcels of land.

3. Debt Service Funds

The Debt Service Fund is used to accumulate resources for the payment of bonds and note indebtedness. The Township had the following significant Debt Service Funds:

General Bond-Note Retirement Fund - This fund is subsidized by the General Fund for the retirement of debt.

4. Capital Project Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects. The Township had the following significant Capital Project Funds:

Permanent Improvement Fund - This fund accounts for all fees and costs associated with construction in the Township.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. The Township did not encumber all commitments required by Ohio law.

A summary of 1999 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Unpaid Vacation and Sick Leave

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the basis of accounting used by the Township.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	<u>1999</u>
Demand deposits Certificates of deposit	\$ 1,622,225 420,700
Total deposits	2,042,925
U.S. Treasury Notes STAROhio	10,984 8,204,594
Total investments	8,215,578
Total deposits and investments	\$10,258,503

Deposits: Deposits are either (1) insured by the Federal Depository Insurance Corporation, or (2) collateralized by the financial institution's public entity deposit pool.

Investments: U.S. Treasury Notes are held in book-entry form by the Federal Reserve, in the name of the Township's financial institution. The financial institution maintains records identifying the Township as owner of these securities. Investments in STAROhio are not evidenced by securities that exist in physical or book-entry form.

3. BUDGETARY ACTIVITY

Budgetary activity for the year ending December 31, 1999, follows:

1999 Budgeted vs. Actual Receipts

	Total	\$19,609,160	\$15,252,336	\$4,356,824

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. DEBT

Debt outstanding at December 31, 1999, was as follows:

		Principal	Interest Rate
Fire Protection & Safety Note Assessment Limited Tax Bonds		\$555,000 102,660	4.75% 6%
	Total	\$657,660	

The Township issued a General Obligation Fire Protection and Safety Note on March 1, 1994, in the amount of \$1,665,000 for construction and equipping the fire station and sheriff substation facilities. Interest and principal payments are due annually to Fifth Third Bank.

The Township issued Assessment Limited Tax Bonds on September 30, 1997, in the amount of \$128,327 for the Lawyers Point Improvement Project. Interest and principal payments are due semi-annually to Firstar Bank.

5. DEBT (Continued)

Amortization of the above debt, including interest, is scheduled as follows:

Year ending December 31:	Fire Protection and Safety Notes	Assessment Limited Tax Bonds

Total	\$599,400	\$128,070

6. RETIREMENT SYSTEMS

The Township's certified Fire Fighters belong to the Police and Firemen's Disability and Pension Funds (PFDPF). Other employees belong to the Public Employees Retirement System (PERS) of Ohio. PFDPF and PERS are cost-sharing, multiple-employer plans. These plans provide retirement benefits, including post-retirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 1999, members of PFDPF contributed 10% of their wages to the PFDPF. The Township contributed an amount equal to 19.5% of their wages. PERS members contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries. The Township has paid all contributions required through December 31, 1999.

7. RISK MANAGEMENT

The Township is a member of the Ohio Township Association Risk Management Authority Plan (the Plan). The Plan assumes the risk of loss up to the limits of the Township's policy. The Plan may assess supplemental premiums. The following risks are covered by the Plan:

- General liability and casualty
- Public official's liability
- Vehicle

The Township also provides health insurance and dental and vision coverage to full-time employees through a private carrier.

8. CONTINGENT LIABILITIES

The Township is a defendant in several law suits. Although the outcome of these suits is not presently determinable, management believes that the resolution of these matters will not materially adversely affect the Township's financial condition.

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Anderson Township Hamilton County 7954 Beechmont Avenue Cincinnati, Ohio 45255

To the Board of Trustees:

We have audited the accompanying financial statements of Anderson Township, Hamilton County, Ohio (the Township), as of and for the year ended December 31, 1999, and have issued our report thereon dated August 18, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards. The results of our tests disclosed an instance of noncompliance that is required to be reported under Government Auditing Standards which is described in the accompanying schedule of findings as item 1999-40431-01.

We also noted certain immaterial instances of noncompliance that we have reported to management of the Township in a separate letter dated August 18, 2000.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Township in a separate letter dated August 18, 2000.

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR FEDERAL PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Anderson Township Hamilton County 7954 Beechmont Avenue Cincinnati, Ohio 45255

To the Board of Trustees:

Compliance

We have audited the compliance of Anderson Township, Hamilton County, Ohio (the Township), with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133, Compliance Supplement* that are applicable to its major federal program for the year ended December 31, 1999. The Township's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of the Township's management. Our responsibility is to express an opinion on the Township's compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance occurred with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program. An audit includes examining, on a test basis, evidence about the Township's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Township's compliance with those requirements.

In our opinion, Anderson Township complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended December 31, 1999. However, we noted a certain immaterial instance of noncompliance that we have reported to management of the Township in a separate letter dated August 18, 2000.

Internal Control Over Compliance

The management of Anderson Township is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Township's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended for the information and use of the management, Board of Trustees, and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.
