REPORT OF INDEPENDENT ACCOUNTANTS

Village of Kipton Lorain County P.O. Box 177, Court Street Kipton, Ohio 44049

To the Members of Village Council:

We have audited the accompanying financial statements of the Village of Kipton, Lorain County, (Village) as of and for the years ended December 31, 1999 and December 31, 1998. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Village of Kipton, Lorain County, as of December 31, 1999 and December 31, 1998, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 5, 2000 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

This report is intended solely for the information and use of management, Village Council, and other officials authorized to receive this report under §117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

Jim Petro Auditor of State

1. Summary of Significant Accounting Policies

A. Description of the Entity

The Village of Kipton, Lorain County, (Village) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly-elected six-member Council and Mayor. The Village provides general governmental services, including park operations (recreation), street maintenance, and police services.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Ohio Auditor of State, which is similar to the cash receipts and disbursement basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e. when an encumbrance is approved.)

These statements include adequate disclosure of material matters, as prescribed or permitted by the Ohio Auditor of State.

C. Cash and Investments

Certificates of deposit are valued at cost.

D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant Special Revenue Fund:

Street Construction, Maintenance and Repair Fund - This fund is used to account for gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village streets.

Capital Project Fund

This fund is used to account for receipts that are restricted for the acquisition or construction of major capital projects. The Village had the following significant Capital Project Fund:

Capital Improvement Fund - This fund is used to account for proceeds of State Issue II grants. The proceeds are being used for various street improvement projects.

1. Summary of Significant Accounting Policies (Continued)

E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The Lorain County Budget Commission must also approve estimated resources.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. The Lorain County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. There were no outstanding encumbrances for these fiscal years.

A summary of 1999 and 1998 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. Pooled Cash and Cash Equivalents

The Village maintains a cash and cash equivalents pool used by all funds. The carrying amount of cash and cash equivalents at December 31 was as follows:

	<u>1999</u>	<u>1998</u>
Demand deposits	\$41,200	\$25,533
Certificates of deposit	0	<u>12,544</u>
Total deposits	<u>\$41,200</u>	<u>\$38,077</u>

Deposits:

Deposits are insured by the Federal Depository Insurance Corporation.

4. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed to the property owners, who must file a list of such property with the Lorain County Auditor by each April 30.

Lorain County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

5. Debt

Debt outstanding at December 31, 1999 was as follows:

	Principal	Interest Rates
General Obligation Bonds	\$23,300	5.76%

The General Obligation Bonds are real estate acquisition bonds for the purchase of the Village Hall. Amortization of the above debt, including interest, is scheduled as follows:

Year ending December 31:	Principal	Interest	<u>Total</u>
2000	\$1,057	\$1,261	\$2,318
2001	1,065	1,254	2,319
2002	1,128	1,191	2,319
2003	1,194	1,124	2,318
2004	1,265	1,054	2,319
2005 - 2009	7,540	4,052	11,592
2010 - 2014	<u>10,051</u>	<u>1,561</u>	<u>11,612</u>
Total	<u>\$23,300</u>	<u>\$11,497</u>	<u>\$34,797</u>

6. Retirement Systems

Certain Village employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is cost-sharing, multiple-employer plan. PERS provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

The members of Village Council and the Clerk-Treasurer contribute to the Federal Income Contributions Act (Social Security).

6. Retirement Systems (Continued)

Contribution rates are also prescribed by the Ohio Revised Code. For 1999 and 1998, members of PERS contributed 8.5% of their gross salaries. The Village contributed an amount equal to 13.55% of participants' gross salaries. Employees contributing to Social Security contribute 6.2% of their gross salaries with the Village contributing an equal share. The Village has paid all contributions required through December 31, 1999.

7. Risk Management

The Village has obtained commercial insurance for the following risks:

- Comprehensive property, general liability and law enforcement
- Wrongful acts
- Vehicle

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Kipton Lorain County P.O. Box 177, Court Street Kipton, Ohio 44049

To the Members of Village Council:

We have audited the financial statements of the Village of Kipton, Lorain County, (Village) as of and for the years ended December 31, 1999 and December 31, 1998, and have issued our report thereon dated May 5, 2000. We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted certain immaterial instances of noncompliance that we have reported to management of the Village in a separate letter dated May 5, 2000.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Village in a separate letter dated May 5, 2000.
