#### REPORT OF INDEPENDENT ACCOUNTANTS

Board of Trustees South Central Ohio Regional Juvenile Detention Center Ross County 182 Cattail Road Chillicothe, Ohio 45601

We have audited the accompanying financial statements of South Central Ohio Regional Juvenile Detention Center, Ross County, Ohio, (the Center) as of and for the years ended December 31, 1999 and December 31, 1998. These financial statements are the responsibility of the Center's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the Center prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances and reserves for encumbrances of South Central Ohio Regional Juvenile Detention Center as of December 31, 1999 and December 31, 1998, and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2000 on our consideration of the Center's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

This report is intended solely for the information and use of management, the Board of Trustees and other officials authorized to receive this report under § 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 1999 AND 1998

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Description of the Entity

South Central Ohio Regional Juvenile Detention Center, Ross County, Ohio, (the Center) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Center is directed by a nine-member Board of Trustees appointed by the member counties. Member county juvenile courts use the Center to detain delinquent, unruly, dependent, neglected, or abused children, or juvenile traffic offenders until final disposition.

The Center's management believes these financial statements present all activities for which the Center is financially accountable.

#### B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

#### C. Cash and Investments

In accordance with Ohio Revised Code, the Center's cash is held and invested by the Ross County Treasurer, who acts as custodian for Center monies. The Center's assets are held in the County's cash and investment pool, and are valued at the Treasurer's reported carrying amount.

#### D. Fund Accounting

The Center uses fund accounting to segregate cash and investments that are restricted as to use. The Center classifies its funds into the following types:

#### 1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

#### 2. Capital Project Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects.

Equipment - This fund receives monies that are earmarked to purchase equipment for the Center.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 1999 AND 1998 (Continued)

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

#### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Center to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be re-appropriated.

A summary of 1999 and 1998 budgetary activity appears in Note 2.

#### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### G. Unpaid Vacation and Sick Leave

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the basis of accounting used by the Center.

#### 2. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 1999 and December 31, 1998 follows:

1999 Budgeted vs. Actual Receipts

Fund Type		Budgeted Receipts	Actual Receipts	Variance
General Capital Projects		\$631,417 0	\$667,974 263	\$36,557 263

#### 3. RETIREMENT SYSTEMS

The Center's employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is cost-sharing, multiple-employer plan. This plan provides retirement benefits, including post retirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 1999 and 1998, members of PERS contributed 8.5% of their gross salaries. The Center was required to contribute an amount equal to 13.55% of participants' gross salaries. The Center has paid all contributions required through December 31, 1999.

#### 4. RISK MANAGEMENT

The Center has obtained commercial insurance for the following risks:

- Comprehensive property and general liability
- Public officials and law enforcement liability
- Public employees dishonesty

#### 5. FUNDING

The majority of the Center's funding is provided through charges assessed on member counties.

## REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Board of Trustees South Central Ohio Regional Juvenile Detention Center Ross County 182 Cattail Road Chillicothe, Ohio 45601

We have audited the accompanying financial statements of South Central Ohio Regional Juvenile Detention Center, Ross County, Ohio (the Center), as of and for the years ended December 31, 1999 and December 31, 1998, and have issued our report thereon dated March 31, 2000. We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audits, we considered Center's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted another matter involving the internal control over financial reporting that does not require inclusion in this report, that we have reported to management of the Center in a separate letter dated March 31, 2000.
