#### **INDEPENDENT AUDITORS' REPORT**

Board of Trustees Claridon Township Marion County 2272 Caledonia-Climax Rd Caledonia, Ohio 43314

We have audited the accompanying financial statements of Claridon Township, Marion County, Ohio, (the Township) as of and for the years ended 2000 and 1999. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserve for encumbrances of Claridon Township, Marion County, as of December 31, 2000 and December 31, 1999, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 20, 2001 on our consideration of the Government's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the officials authorized to receive this report under Section 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: -

<u>Description of the Entity</u> – Claridon Township, Marion County, (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by three publicly elected Trustees. The Township provides general governmental services, including road maintenance and repair.

The Township's management believes these financial statements present all activities for which the Township is financially accountable

<u>Basis of Accounting</u> - These financial statements were prepared on the cash basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

<u>Cash and Investments</u> - Certificates of deposit are valued at cost.

**Fund Accounting** - The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

#### General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

#### Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

#### Gasoline Tax Fund

This fund receives gasoline tax money for constructing, maintaining and repairing township roads.

#### Motor Vehicle License Tax Fund

This fund receives motor vehicle license tax money for constructing, maintaining and repairing township roads.

#### Cemetery Fund

This fund receives fees for cemetery services and sales of cemetery lots.

**<u>Budgetary Process</u>** - The Ohio Revised Code requires that each fund be budgeted annually.

#### **Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: - (continued)

#### **Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The Marion County Budget Commission must also approve estimated resources.

#### **Encumbrances**

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when commitments are made.

A summary of 2000 and 1999 budgetary activity appears in Note 3.

<u>Property, Plant and Equipment</u> - Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements

<u>Unpaid Vacation</u> - Employees are entitled to cash payments for unused vacation in certain circumstances, such as upon leaving employment. Unpaid vacation is not reflected as a liability under the cash basis of accounting used by the Township.

#### NOTE 2 - EQUITY IN POOLED CASH AND INVESTMENTS: -

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	_	2000	_	1999
Deposits Certificates of deposit	\$	103,697 462,041	\$	218,168 414,063
Total Deposits	\$_	565,738	\$_	632,231

<u>Deposits</u> - The Townships deposits are insured by the Federal Depository Insurance Corporation and collateralized by the financial institution's public entity deposit pool.

The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20..

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

#### Report on Compliance and on Internal Control Required by Government Auditing Standards

Board of Trustees Claridon Township Marion County 2147 Whetstone River Road North Caledonia, Ohio 43314

We have audited the accompanying financial statements of Claridon Township, Marion County, Ohio (the Township), as of and for the years ended December 31, 2000 and December 31, 1999, and have issued our report thereon dated June 20, 2001. We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Compliance**

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances that are required to be reported under *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matter in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level of risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

We noted other matters involving compliance and internal control over financial reporting that we have reported to the Management of the Township in a separate letter dated June 20, 2001.

This report is intended for the information of the Board of Trustees and Clerk, and is not intended to be and should not be used by anyone other than these specified parties.
