REPORT OF INDEPENDENT ACCOUNTANTS

Northern Ohio Educational Computer Association Erie County 2900 Columbus Avenue Sandusky, Ohio 44870-5554

To the Association Assembly:

We have audited the accompanying financial statements of the Northern Ohio Educational Computer Association (the Association) as of and for the years ended June 30, 2001 and 2000. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the Association prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balance and reserve for encumbrances of the Association as of June 30, 2001 and 2000, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 30, 2001 on our consideration of the Association's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audits.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2001 AND 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Northern Ohio Educational Computer Association (the Association) is a jointly governed organization composed of member school districts. As June 30, 2001, there are forty-one member school districts. The basic geographic service area includes Erie, Ottawa, Huron, Sandusky, Seneca, Wood, and Crawford counties. The purpose of the Association is to develop and implement a computer system efficiently and effectively for the needs of the member school districts. The Association is governed by an Association Assembly which consist of the superintendent (or his designate) of each member school district. Each of the member school districts supports the Association based upon fees charged for services utilized. The Association Assembly is responsible for approving the fee schedule. In general, the fees are based on a per pupil charge and/or dependent upon the software package or service utilized. In the event of dissolution of the Association, all current members will share in net obligations or asset liquidations in a ratio proportionate to their last twelve months financial contributions. The degree of control exercised by any participating school district is limited to its representation on the Association Assembly. In accordance with the Governmental Accounting Standards Board's Statement No. 14, none of the member school districts have an equity interest in the Association as the residual interest in the net resources of an organization upon dissolution is not equivalent to an equity interest.

The Erie-Huron-Ottawa Educational Service Center (the ESC) serves as fiscal agent and custodian, however, it is not accountable for the operation of the Association; therefore the operations of the ESC have been excluded from the Association's financial statements.

The Association's management believes these financial statements present all activities for which the Association is financially accountable for.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

As required by Ohio Revised Code, the Association's cash is held and invested by the Treasurer of the Erie-Huron-Ottawa Educational Service Center (the ESC), who is the custodian for Association monies. The Association's assets are held in the ESC's cash and investment pool, and are valued at the Treasurer's reported carrying amount.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2001 AND 2000 (Continued)

D. Fund Accounting

The Association uses fund accounting to segregate cash and investments that are restricted as to use. The Association classifies its funds into the following type:

Enterprise Funds

Enterprise funds are financed and operated in a manner similar to private business enterprises where the intent is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

E. Budgetary Process

The Constitution of the Association provides that the Association Assembly approve an annual budget based on the recommendations of the Board of Directors.

1. Appropriations

The Assembly annually approves appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of July 1.

3. Encumbrances

The Association reserves (encumbers) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2001 and 2000 budgetary activity appears in Note 2.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

G. Unpaid Vacation and Sick Leave

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the basis of accounting used by the Association.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2001 AND 2000 (Continued)

3. BUDGETARY ACTIVITY

Budgetary activity for the years ending June 30, 2001 and 2000 follows:

2001 Budgeted vs. Actual Receipts					
		Budgeted	Actual		
Fund Type		Receipts	Receipts	Variance	
Enterprise		\$2,263,871	\$2,514,523	\$250,652	
	2001 Budgeted vs.	Actual Budgetary	/ Basis Expenditur	es	
		Appropriation	Budgetary		
Fund Type		Authority	Expenditures	Variance	
Enterprise		\$4,241,974	\$2,495,768	\$1,746,206	
	2000 Bu	idgeted vs. Actua	l Receipts		
		Budgeted	Actual		
Fund Type		Receipts	Receipts	Variance	
Enterprise		\$3,241,583	\$2,243,750	(\$997,833)	
2000 Budgeted vs. Actual Budgetary Basis Expenditures					
		Appropriation	Budgetary		
Fund Type		Authority	Expenditures	Variance	

3. RETIREMENT SYSTEMS

The Association's employees belong to the School Employees Retirement System (SERS) of Ohio. SERS is a cost-sharing, multiple-employer public employee retirement plan. This plan provides retirement benefits, including post-retirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For fiscal years ended June 30, 2001 and 2000, SERS members contributed 9% of their gross salaries. The Association contributed an amount equal to 14% of participants' gross salaries. The Association has paid all contributions required through June 30, 2001.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2001 AND 2000 (Continued)

4. RISK MANAGEMENT

The Association has obtained commercial insurance for the following risks:

- · Comprehensive property and general liability; and
- Vehicles.

The Association is uninsured for the following risks:

· Errors and omissions.

The Association also provides health insurance and dental and vision coverage to full-time employees through a private carrier.

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Northern Ohio Educational Computer Association Erie County 2900 Columbus Avenue Sandusky, Ohio 44870-5554

To the Association Assembly:

We have audited the accompanying financial statements of the Northern Ohio Educational Computer Association (the Association) as of and for the years ended June 30, 2001 and 2000, and have issued our report thereon dated November 30, 2001. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the Association's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to the management of the Association in a separate letter dated November 30, 2001.
