#### REPORT OF INDEPENDENT ACCOUNTANTS

Village of Deshler Henry County 101 East Main Street Deshler, Ohio 43516

### To the Village Council:

We have audited the accompanying financial statements of the Village of Deshler, Henry County, Ohio, (the Village) as of and for the years ended December 31, 2000 and 1999. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Village as of December 31, 2000 and 1999, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 6, 2001 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

## NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2000 AND 1999

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Description of the Entity

The Village of Deshler, Henry County, (the Village) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly-elected six-member Council. The Village provides general governmental services, including water and sewer utilities, park operations (leisure time activities), and police services

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

# **B.** Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

#### C. Cash

Certificates of deposit are valued at cost

#### D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

#### 1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

#### 2. Special Revenue Fund

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant Special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village streets.

### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2000 AND 1999 (Continued)

*Memorial Field Recreation Fund* - This fund receives property tax revenue, donations and general fund transfers to fund construction of the Park.

*Permissive Motor Vehicle License Tax Fund* - This fund receives permissive motor vehicle tax revenue for constructing, maintaining and repairing Village streets, bridges and viaducts.

### 3. Capital Project Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Village had the following significant capital project funds:

Swimming Pool Construction Fund - This fund receives property tax revenue for capital improvements at the Village swimming pool.

### 4. Enterprise Funds

These funds account for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges. The Village had the following significant Enterprise Funds:

Water Operating Fund - This fund receives charges for services from residents to cover the cost of providing this utility.

*Electric Operating Fund* - This fund receives charges for services from residents to cover the cost of providing this utility.

#### 5. Fiduciary Funds ( Agency Funds)

Funds for which the Village is acting in an agency capacity are classified as agency funds. The Village had the following significant fiduciary funds:

*Income Tax Fund* - Receives .5% tax from residents and businesses of the Village to be used for various capital and general operating needs of the Village. This is an Agency Fund and the Village distributes collections by transfer upon Council approval.

# E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the object level of control, and appropriations may not exceed estimated resources. The Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

## NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2000 AND 1999 (Continued)

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. The Village did not certify all commitments required by Ohio law. No material unrecorded encumbrances were outstanding at December 31.

A summary of 2000 and 1999 budgetary activity appears in Note 3.

#### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### G. Unpaid Vacation and Sick Leave

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the cash basis of accounting used by the Village.

#### 2. EQUITY IN POOLED CASH

The Village maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31 was as follows:

|                         | <u>2000</u> | <u>1999</u> |
|-------------------------|-------------|-------------|
| Demand deposits         | \$904,424   | \$884,028   |
| Certificates of deposit | 519,769     | 519,769     |
| Total deposits          | \$1,424,193 | \$1,403,797 |

Deposits are either (1) insured by the Federal Depository Insurance Corporation, or (2) collateralized by securities specifically pledged by the financial institution to the Village.

## 3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2000 and 1999 follows:

### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2000 AND 1999 (Continued)

Contrary to Ohio Administrative Code § 117-5-10, the Village did not report estimated resources in its fiscal year 2000 financial statements. In fiscal year 1999, estimated revenues reported in the financial statements in the General Fund did not agree with the Amended Certificates approved by Council and filed with the County Auditor. The budgetary financial note correctly reflects approved budgeted resources.

#### 4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

#### 5. DEBT

Debt outstanding at December 31, 2000 was as follows:

|   |       | Principal           | Interest Rate |
|---|-------|---------------------|---------------|
| Ohio Public Works Commission Loan Federal Signal Corp. Fire Truck Lease |       | \$151,391<br>71,222 | 4%<br>5.70%   |
|   | Total | \$222,613           |               |

The Ohio Public Works Commission Loan related to a sanitary sewer improvement project. The Federal Signal Corporation Fire Truck lease is a Lease Purchase agreement. The lease will be paid in full in fiscal year 2001 with the Village assuming the title of the truck.

Amortization of the above debt, including interest, is scheduled as follows:

| Year ending December 31: | OPWC<br>Loan | Federal Signal Corporation Truck Lease |
|--------------------------|--------------|--|
| 2001                     | \$7,311      | \$75,281                               |
| 2002                     | 14,623       |  |
| 2003                     | 14,622       |  |
| 2004                     | 14,623       |  |
| 2005                     | 14,622       |  |
| Subsequent               | 131,601      |  |
| Total                    | \$197,402    | \$75,281                               |
|                          |              |  |

## NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2000 AND 1999 (Continued)

#### 6. ELECTRIC SYSTEM NOTE

The Village has Electric System Improvement Bond Anticipation Notes with American Municipal Power-Ohio Inc. (AMP-Ohio) for \$1,250,000. AMP-Ohio renewed the Notes in July 10 of 2000. The Village will be required to pay AMP-Ohio once all construction has been completed. As of the report date construction had not yet commenced. After construction completion and at the subsequent maturity of the notes, Deshler will pay AMP-Ohio all interest due on the Notes plus an amount of principal equal to the amount of principal which would be due in the corresponding year on a loan in the original principal amount of such series, for a term of twenty years at the interest rate borne by the Notes. AMP-Ohio will use its best efforts to refinance the remaining principal of the Notes. If AMP-Ohio is unable to refinance the Notes, it shall give the Village thirty (30) days' notice of such inability, and the Village shall pay to AMP-Ohio all amounts necessary to retire the notes at maturity. The Village could obtain the necessary financing from other sources.

#### 7. RETIREMENT SYSTEMS

The Village's law enforcement officers belong to the Ohio Police and Fire Pension Fund (OP&F). Other full-time employees belong to the Public Employees Retirement System (PERS) of Ohio. OP&F and PERS are cost-sharing, multiple-employer plans. These plans provide retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2000 and 1999, members of OP&F contributed 10% of their wages to the OP&F. The Village contributed an amount equal to 19.5% of their wages. PERS members contributed 8.5% of their gross salaries. The Village contributed an amount equal to 13.55% for fiscal year 1999 and 10.84% for fiscal year 2000 of participants' gross salaries. The Village had a \$12,939 contribution still outstanding to the OP&F at December 31, 2000.

#### 8. RISK MANAGEMENT

The Village has obtained commercial insurance for the following risks:

- Comprehensive Municipal Liability;
- Wrongful Acts Liability;
- Law Enforcement Professional Liability;
- Fleet Liability;
- Fleet Physical Damage;
- · Buildings and Content;
- Scheduled and Unscheduled Property;
- Electronic and Data Processing Equipment;
- Valuable Papers and Records;
- · Broad Form Crime;
- Comprehensive Equipment Breakdown;
- · Public Official and Employee Bond; and
- Airport Liability.

The Village also provides health insurance coverage to full-time employees through a private carrier.

### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2000 AND 1999 (Continued)

### 9. PENDING LITIGATION

The Village is a party to a legal preceding which seeks damages, although the outcome of this suit is not presently determinable. The Village legal council believes the resolution of the matter will not materially effect the Village's financial condition.

### 10. PRIOR PERIOD ADJUSTMENT

Certain financial activity related to the Village's summer youth program was previously omitted from the Village's financial statements. The effect of this prior period adjustment on the fund balance of the Special Revenue Fund type is as follows:

|  | Beginning<br>Fund Balance |
|--|---------------------------|
| Special Revenue Fund                               |                           |
| Amount as previously reported at December 31, 1998 | \$51,634                  |
| Adjustment   | 5,055                     |
| Amount at January 1, 1999                          | \$56,689                  |

This adjustment had no material effect on the excess of cash receipts over disbursements as previously reported.

# REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Deshler Henry County 101 East Main Street Deshler, Ohio 43516

To the Village Council:

We have audited the accompanying financial statements of the Village of Deshler, Henry County, Ohio, (the Village) as of and for the years ended December 31, 2000 and 1999, and have issued our report thereon dated April 6, 2001. We conducted our audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

## Compliance

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance that are required to be reported under Government Auditing Standards which are described in the accompanying schedule of findings as items 2000-30153-001 and 2000-30153-002. We also noted certain immaterial instances of noncompliance that are not required to be reported under *Government Auditing Standards* that we have reported to management of the Village in a separate letter dated April 6, 2001.

### **Internal Control Over Financial Reporting**

In planning and performing our audits, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Village in a separate letter dated April 6, 2001.

Ohio Revised Code § 5705.41(D) states that no subdivision shall make any contract or order any expenditure of money unless the certificate of the fiscal officer is attached. The fiscal officer must certify that the amount required to meet such a commitment has been lawfully appropriated and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrance. Every contract made without such a certificate shall be void, and no warrant shall be issued in payment of any amount due thereon.

Should this requirement not be met, the section provides two exceptions which could prevent the contract from being void:

- A. Concerning contracts where the amount in question is \$1,000 or greater, the fiscal officer should present to the taxing authority of the subdivision or taxing unit a certificate stating that, at both the time the contract was made and at the time of the issuance of said certificate, a sufficient sum had been appropriated and was in the treasury or in the process of being collected and that money was free from any encumbrances. Within thirty days from the receipt of the certificate, the legislative authority may authorize a warrant for the payment of the amount due.
- B. Concerning amounts less than \$1,000, the fiscal officer must issue a certificate stating the same as in the first exception. However, the fiscal officer does not need to seek the approval of the legislative authority in order to authorize the payment of the contract.

This code section states that fiscal officers may prepare so-called "regular blanket" certificates not exceeding \$5,000 against any specific line item account over a period not exceeding three months or running beyond the current fiscal year. The regular blanket certificates may, but need not, be limited to a specific vendor. Only one regular blanket certificate may be outstanding at one particular time for any one particular line item appropriation.

In addition to regular blanket certificates, a subdivision's fiscal officer may also issue so-called "super blanket" certificates for amounts over \$5,000 for expenditures and contracts from a specific line-item appropriation account in a specified fund for most professional services, fuel, oil, food items and any other specific recurring and reasonably predictable operating expense. This certification is not to extend beyond the fiscal year. More than one super blanket certificate may be outstanding at one particular time for a particular line-item appropriation account.

The Clerk-Treasurer did not make the proper certification of funds for 47 percent of the transactions tested during the audit period. We recommend that the Clerk-Treasurer certify all expenditures at the point when the contract is entered into or orders for goods or services are placed by Village officials. The certification can also be made through the use of "regular blanket", "then and now" or "super blanket" certificates.

Ohio Administrative Code § 117-5-10 (replaced by Ohio Administrative Code § 117-2-02, as of July 1, 2000) states each village shall maintain a receipts ledger which shall contain a separate sheet for each account established by the village. The Village shall post to each receipts account the estimated amount of money to be received into the account as specified by the county budget commission in its official estimate of balances and receipts set forth in the certificate of estimated resources.

In 2000, no estimated revenue amounts were posted to the revenue history reports (the receipts ledger). In 1999, estimated revenues on the revenue history reports in the General Fund did not agree with the Amended Certificates approved by Council and filed with the County Auditor by \$130,000 (21%.) The budgetary financial note correctly reflects amounts from the certificate of estimated resources for 2000 and 1999.

Inaccurate budget to actual comparisons could cause management to draw incorrect conclusions regarding fiscal position.

We recommend the taxes revenue and total other sources revenue amounts posted to the revenue history reports should be reconciled with the taxes revenue and total other sources revenue amounts officially approved on the Amended Certificates of Estimated Resources.
