## INDEPENDENT AUDITOR'S REPORT

To the Village Council  
Village of Gratiot  
Licking County  
576 Main Street  
Gratiot, Ohio 43740

We have audited the accompanying financial statements of the village of Gratiot, Licking County, Ohio (the village) as of and for the years ended December 31, 2000 and 1999. These financial statements are the responsibility of the village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note one, the village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances of the Village of Gratiot, Licking county, Ohio, as of December 31, 2000 and December 31, 1999 and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note one.

In accordance with Government Auditing Standards, we have also issued a report dated May 23, 2001 on our consideration of the village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of management, the Village Council and other officials authorized to receive this report under Sec. 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Description of the Entity**

The Village of Gratiot, Licking County, Ohio is a body corporate and politic entitled to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly elected mayor, six – member council, and clerk – treasurer. The Village also has an appointed street commission and building commission. The major governmental services provided by the village are as follows:

- Street lighting
- Street repairs and paving
- They contract with the national trail volunteer fire department to provide fire and emergency services

The Village’s management believes these financial statements present all activities for which the Village is financially accountable.

**B. Basis of Accounting**

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are Recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

**C. Cash and Investments**

The Village holds no investments.

**D. Fund Accounting**

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

**1. General Fund**

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

**2. Special Revenue Fund**

This fund is used to account for proceeds from specific sources (other than from trusts or capital projects) that are restricted to expenditures for specific purposes. The Village has one Special Revenue Fund, the Street Construction, Maintenance and Repair Fund. This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village streets.

**E. Budgetary Process**

The Ohio Revised Code requires that each fund be budgeted annually.

**1. Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year – end.

**2. Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

**3. Encumbrances**

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year-end are canceled, and reappropriated in the subsequent year.

A summary of 2000 and 1999 budgetary activity appears in Note 3.

**F. Property, Plant and Equipment**

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

**4. RETIREMENT SYSTEMS**

All employees of the village are covered by the Federal Social Security program rather than by the State P.E.R.S. plan.

**5. PROPERTY TAX**

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as such. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owners. The property owners must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

**6. RISK MANAGEMENT**

The Village has obtained commercial insurance for the following risks:

- Property and general liability
- Public official's liability

**REPORT OF INDEPENDENT AUDITORS ON COMPLIANCE  
AND ON INTERNAL CONTROL REQUIRED BY  
GOVERNMENT AUDITING STANDARDS**

Village of Gratiot  
Licking County  
576 Main Street  
Gratiot, Ohio 43740

To the Village Council:

We have audited the accompanying financial statements of the Village of Gratiot, Licking County, Ohio (village), as of and for the years ended December 31, 2000 and 1999, and have issued our report thereon dated May 23, 2001. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Compliance**

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests noted one instance of noncompliance that is required to be reported under *Government Auditing Standards* which is described in the accompanying Schedule of Findings as item one. We also noted certain immaterial instances of noncompliance that we have reported to management of the Village in a separate letter dated May 23, 2001.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Village in a separate letter dated May 23, 2001.

This report is intended for the information and use of management, the Village council and the State Auditor's office and is not intended to be and should not be used by anyone other than these specified parties.

**SCHEDULE OF FINDINGS  
DECEMBER 31, 2000 AND 1999**

**FINDINGS RELATED TO THE FINANCIAL STATEMENTS  
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS**

**Finding Number One:**

Ohio Rev. Code Section 5705.41(D) states that no subdivision or taxing unit shall make any contract or order any expenditure of money unless there is attached thereto a certificate of the fiscal officer of the subdivision that the amount required to meet the same has been lawfully appropriated for such purpose and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrances. Every such contract made without such a certificate shall be null and void and no warrant shall be issued in payment of any amount due thereon.

The Village's fiscal officer did not certify availability of funds during the audit period.

We recommend the Village officials implement procedures to gain fiscal control over expenditures. Purchase orders should be utilized to certify availability of funds prior to commitments being incurred. Appropriations should then be encumbered and balances maintained of unencumbered appropriations. Additional purchase orders should be issued only after the fiscal officer determines that sufficient unencumbered appropriations exist in the amount of the requested purchase.

**VILLAGE OF GRATIOT  
LICKING COUNTY**

**CORRECTIVE ACTION PLAN  
DECEMBER 31, 2000 AND 1999**

**Finding Number One – Planned Corrective Action**

Clerk/Treasurer will attach a certificate to any contract or order for expenditure of money indicating if the amount required to meet the same has been lawfully appropriated for such purpose and is available and free from any previous encumbrances.

The Village will begin using prenumbered purchase orders to certify availability of funds prior to commitments being incurred. Appropriations will then be encumbered and balances maintained of unencumbered appropriations.
