## **REPORT OF INDEPENDENT ACCOUNTANTS**

Arcanum Joint Ambulance District Darke County 208 South Main Street, PO Box 177 Arcanum, Ohio 45304

To the Board of Trustees:

We have audited the accompanying financial statements of Arcanum Joint Ambulance District, Darke County, (the District) as of and for the years ended December 31, 2001 and 2000. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the District prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances of the District, as of December 31, 2001 and 2000, and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 15, 2002 on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the audit committee, management, the Board of Trustees and other officials authorized to receive this report under § 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2001 AND 2000

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## A. Description of the Entity

Arcanum Joint Ambulance District, Darke County, (the District) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The District is directed by an appointed eleven-member Board of Trustees. One board member is appointed by each political subdivision within the District. Those subdivisions are the Townships of Butler, Neave, Twin, Franklin, Monroe, and Van Buren, and the Villages of Ithaca, Castine, Gordon, Arcanum, and Pitsburg. The District provides rescue services within the District.

The District's management believes these financial statements present all activities for which the District is financially accountable.

## B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

## C. Cash and Investments

Certificates of deposit are valued at cost.

## D. Fund Accounting

The District uses fund accounting to segregate cash and investments that are restricted as to use. The District classifies its fund as the following fund type.

## **General Fund**

The General Fund is the general operating fund. It is used to account for all financial resources.

## E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

## 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund level, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2001 AND 2000 (Continued)

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

## 3. Encumbrances

The Ohio Revised Code requires the District to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2000 and 2001 budgetary activity appears in Note 3.

## F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

## 2. EQUITY IN POOLED CASH AND INVESTMENTS

The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 follows:

	2001	2000
Demand deposits	\$58,403	\$106,419
Certificates of deposit	100,000	125,000
Total deposits	\$158,403	\$231,419

**Deposits:** Deposits are either (1) insured by the Federal Depository Insurance Corporation, (2) collateralized by securities specifically pledged by the financial institution to the District.

# 3. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2001 and 2000 follows:

2001 Budgeted vs. Actual Receipts					
	Budgeted	Actual			
Fund Type	<b>Receipts</b>	<b>Receipts</b>	<u>Variance</u>		
General	\$287,000	\$306,721	\$19,721

# 4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the District.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the District.

## 5. RISK MANAGEMENT

The District has obtained commercial insurance for errors and omission of the Clerk.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2001 AND 2000 (Continued)

# 6. SUBSEQUENT EVENTS

The Texas Eastern Transmission Corporation was overcharged for property taxes by Darke County in prior years. This resulted in the District collecting \$298.69 in property taxes to which it was not entitled. The District began to repay the overcharge in 1998 by receiving \$55.74 less in property tax revenue and will continue to do so each year through 2002.

## REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Arcanum Joint Ambulance District Darke County 208 South Main Street, PO Box 177 Arcanum, Ohio 45304

To the Board of Trustees:

We have audited the accompanying financial statements of Arcanum Joint Ambulance District, Darke County, (the District) as of and for the years ended December 31, 2001 and 2000, and have issued our report thereon dated April 15, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

## Compliance

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted certain immaterial instances of noncompliance that we have reported to management of the District in a separate letter dated April 15, 2002.

# Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted a matter involving the internal control over financial reporting that does not require inclusion in this report, that we have reported to management of the District in a separate letter dated April 15, 2002.
