We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the general purpose financial statements of the City of Brooklyn (the City) for the year ended December 31, 2001, and have separately issued our unqualified report thereon dated May 24, 2002

In a letter to the Ohio Environmental Protection Agency dated May 24, 2002 (the Letter), Gale Fisk, Director of Finance of the City of Brooklyn's Sanitary Landfill specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below as agreed to by the City and by the Ohio Environmental Protection Agency, solely to assist you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited general-purpose financial statements. The City's management is responsible for the information presented in the Letter. We followed the American Institute of Certified Public Accountants' attestation standards for agreed-upon procedures engagements. The sufficiency of the procedures is solely the responsibility of the addressees. Line 7 includes total assured environmental costs following Governmental Accounting Standards Board Statement Number 18.
