## REPORT OF INDEPENDENT ACCOUNTANTS ON APPLYING AGREED-UPON PROCEDURES

Board of Commissioners  
Henry County  
660 North Perry Street  
Napoleon, Ohio 43545  
and  
The Director,  
Ohio Environmental Protection Agency

Other Independent Accountants have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the general-purpose financial statements of Henry County for the year ended December 31, 2000, and have separately issued an unqualified report thereon dated June 20, 2001.

In a letter to the Ohio Environmental Protection Agency dated October 30, 2001, the Auditor of Henry County specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below as agreed to by the Board of Commissioners and by the Ohio Environmental Protection Agency, solely to assist you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited general-purpose financial statements. The County's management is responsible for the information presented in the Letter. We followed the American Institute of Certified Public Accountants' attestation standards for agreed-upon procedures engagements. The sufficiency of the procedures is solely the responsibility of the addressees listed above. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Administrative Code Sections 3745-27-15(L)(3)(c), 3745-27-16(L)(3)(c) and 3745-27-18(L)(3)(c), we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 2, <u>Line No.</u>	
5	Total assured environmental costs
6	Total annual revenue

The amount on line 6 agreed to the general-purpose financial statements of Henry County, or can be computed from amounts appearing therein. The amount on line 5 differed from the general-purpose financial statements by \$104,000. Line 5 showed total assured environmental costs of \$2,696,006 and the general-purpose financial statement amount was \$2,592,006. Line 5 includes total assured environmental costs following Governmental Accounting Statement Number 18. We followed the definitions for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA.

We were not engaged to, and did not conduct an examination, the objective of which would be to express an opinion on the Letter. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that we would have reported to you.

This report is intended solely for the information and use of the addressees listed above and should not be used by anyone else.
