REPORT OF INDEPENDENT ACCOUNTANTS

Lake County Agricultural Society Lake County 1301 Mentor Avenue Painesville, Ohio 44077

To the Board of Directors:

We have audited the accompanying financial statement of the Lake County Agricultural Society, Lake County, Ohio, (the Society) as of and for the year ended November 30, 2001. This financial statement is the responsibility of the Society's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Society prepares its financial statement on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash balance of the Society as of November 30, 2001, and its cash receipts and disbursements for the year then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 26, 2002 on our consideration of the Society's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENT NOVEMBER 30, 2001

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Lake County Agricultural Society, Lake County, Ohio, (the Society) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Society is a County agricultural society corporation formed under Chapter 1711 of the Ohio Revised Code. The Society was founded in 1840 direct the operation of an annual agricultural fair. The Society sponsors the week-long Lake County Fair during August. During the fair, harness races are held, culminating in the running of the Harness Racing Speed Program. Lake County is not financially accountable for the Society. The responsibility for management of the affairs of the Society is vested in the Board of Directors. The Board is made up of 17 directors serving staggered three-year terms, elected from the membership of the Society. Members of the Society must be residents of Lake County and pay an annual membership fee to the Society.

Reporting Entity

The reporting entity includes all activity occurring on the fairgrounds. This includes the annual fair and harness racing during fair week and other year round activities at the fairgrounds including facility rental, track and stall rental, and community events including horse shows and garage sales. The reporting entity does not include any other activities or entities of Lake County, Ohio.

The financial activity of the Junior Fair Board and the Junior Livestock Sale Committee are included in the financial statements of the Society.

The Society's management believes this financial statement presents all activities for which the Society is financially accountable.

B. Basis of Accounting

This financial statement follows the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

This statement includes adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Investments are included in cash balances. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

D. Budgetary Process

The Board of Directors annually prepares an operating budget, including estimated receipts and disbursements. The Board approves the budget in its final form during the first six months of each fiscal year. The Board reviews the budget throughout the year and compares it with actual results.

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Lake County Agricultural Society Lake County 1301 Mentor Avenue Painesville, Ohio 44077

To the Board of Directors:

We have audited the financial statement of the Lake County Agricultural Society, Lake County, Ohio, (the Society) as of and for the year ended November 30, 2001, and have issued our report thereon dated June 26, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Society's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Society's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatement in amounts that would be material in relation to the financial statement being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted a matter involving the internal control over financial reporting that does not require inclusion in this report, that we have reported to management of the Society in a separate letter dated June 26, 2002.
