## **REPORT OF INDEPENDENT ACCOUNTANTS**

Multi-County Juvenile Attention System Stark County 815 Faircrest Street S.W. Canton, Ohio 44706

To the Board of Trustees:

We have audited the accompanying financial statements of Multi-County Juvenile Attention System, Stark County, (the Attention System) as of and for the year ended December 31, 2001. These financial statements are the responsibility of the Attentions System's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Attention System prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Attention System as of December 31, 2001, and its combined cash receipts and disbursements for the year then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 13, 2002 on our consideration of the Attention System's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of management, the Board and other officials authorized to receive this report under section 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### A. Description of the Entity

The Multi-County Juvenile Attention System, Stark County, (the Attention System) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Attention System is directed by an appointed nineteen-member Board of Trustees from Carroll, Columbiana, Holmes, Stark, Tuscarawas and Wayne Counties. The Attention System provides facilities for juveniles for training, treatment and rehabilitation as directed by the Juvenile Courts.

The Attention System's management believes these financial statements present all activities for which the Attention System is financially accountable.

## B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

## C. Cash and Investments

The Stark County Auditor acts as the fiscal agent for the Attention System, and the County Treasurer maintains a cash and investment pool, including all funds for which the County Auditor is the fiscal agent.

#### D. Fund Accounting

The Attention System uses fund accounting to segregate cash and investments that are restricted as to use. The Attention System classifies its funds into the following types:

#### 1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

#### 2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Attention System has the following significant Special Revenue Fund:

USDA Fund - This fund receives monies from the United States Department of Agriculture for reimbursement of lunches served to students at the Attention System.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **D.** Fund Accounting (Continued)

#### 3. Capital Projects Fund

This fund is used to account for receipts that are restricted for the acquisition or construction of major capital projects. The Attention System has the following significant Capital Projects Fund:

Construction Fund - This fund receives monies from member counties and the State for the construction of additional treatment and detention facilities for juveniles.

#### E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

#### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Attention System to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2001 budgetary activity appears in Note 3.

#### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the basis of accounting used by the Attention System.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 (Continued)

### 2. EQUITY IN POOLED CASH AND INVESTMENTS

The Stark County Treasurer maintains a cash and investment pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was \$1,188,912.

**Deposits:** Deposits are either insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

## 3. BUDGETARY ACTIVITY

This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2001, PERS members contributed 8.5% of their gross salaries. The Attention System contributed an amount equal to 13.55% of participants' gross salaries for 2001. The Attention System has paid all contributions required through December 31, 2001.

## REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Multi-County Juvenile Attention System Stark County 815 Faircrest Street S.W. Canton, Ohio 44706

To the Board of Trustees:

We have audited the accompanying financial statements of Multi-County Juvenile Attention System, Stark County, (the Attention System) as of and for the year ended December 31, 2001, and have issued our report thereon dated May 13, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

## Compliance

As part of obtaining reasonable assurance about whether the Attention System's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted certain immaterial instances of noncompliance that we have reported to management of the Attention System in a separate letter dated May 13, 2002.

## Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Attention System's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Attention System in a separate letter dated May 13, 2002.
