REPORT OF INDEPENDENT ACCOUNTANTS

Pease-Colerain Township Fire District #1 Belmont County P.O. Box 228 Lansing, Ohio 43934

To the Board of Trustees:

We have audited the accompanying financial statements of the Pease-Colerain Township Fire District #1, Belmont County, Ohio (the Fire District), as of and for the years ended December 31, 2001 and 2000. These financial statements are the responsibility of the Fire District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Fire District prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balance of the Pease-Colerain Township Fire District #1, Belmont County, as of December 31, 2001 and 2000, and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 17, 2002, on our consideration of the Fire District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Pease-Colerain Township Fire District #1, Belmont County (the Fire District), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Fire District is directed by an appointed two-member Board of Trustees. One board member is appointed by each political subdivision within the Fire District. Those subdivisions are Pease Township and Colerain Township. The Fire District provides fire protection and rescue services within the Fire District and by contract to areas outside the Fire District.

The Fire District's management believes these financial statements present all activities for which the Fire District is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Budgetary Process

The Ohio Revised Code requires the Fire District to adopt an annual budget.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Fire District to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year. The Fire District did not encumber all commitments required by Ohio law.

A summary of 2001 and 2000 budgetary activity appears in Note 3.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. CASH

The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31 follows:

	<u>2001</u>	<u>2000</u>
Demand deposits	<u>\$27,206</u>	<u>\$18,757</u>

Deposits: Deposits are insured by the Federal Deposit Insurance Corporation.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2001 and 2000, follows:

2001 Budgeted vs. Actual Receipts			
	Budgeted	Actual	
	Receipts	<u>Receipts</u>	<u>Variance</u>
	<u>\$54,500</u>	<u>\$57,755</u>	<u>\$3,255</u>

	Appropriation	Budgetary	
	<u>Authority</u>	Expenditures Property of the Expenditures	<u>Variance</u>

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Fire District.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Fire District.

5. RETIREMENT SYSTEMS

The Fire District's Trustees and the Clerk belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2001 and 2000, PERS members contributed 8.5% of their gross salaries. The Fire District contributed an amount equal to 13.55% of participants' gross salaries for 2001 and from January 1, 2000 through June 30, 2000. PERS temporarily reduced employer contributions to 8.13% effective July 1, 2000 through December 31, 2000. The Fire District has paid all contributions required through December 31, 2001.

6. RISK MANAGEMENT

Commercial Insurance

The Fire District has obtained commercial insurance for the following risks:

· Public officials' liability

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Pease-Colerain Township Fire District #1 Belmont County P.O. Bo 228 Lansing, Ohio 43934

To the Board of Trustees:

We have audited the accompanying financial statements of the Pease-Colerain Township Fire District #1, Belmont County, Ohio (the Fire District), as of and for the years ended December 31, 2001 and 2000, and have issued our report thereon dated June 17, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Fire District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards* which is described in the accompanying Schedule of Findings as item 2001-41007-001. We also noted a certain immaterial instance of noncompliance that we have reported to management of the Fire District in a separate letter dated June 17, 2002.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Fire District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Fire District in a separate letter dated June 17, 2002.

SCHEDULE OF FINDINGS DECEMBER 31, 2001 AND 2000

FINDING RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

FINDING NUMBER 2001-41007-001

Noncompliance Citation

Ohio Rev. Code Section 5705.41(D) states that no subdivision or taxing unit shall make any contract or order any expenditure of money unless there is attached thereto a certificate of the fiscal officer of the subdivision that the amount required to meet the same has been lawfully appropriated for such purpose and is in the treasury or in the process of collection to the credit of an appropriate fund, free from any previous encumbrances. Every such contract made without such a certificate shall be null and void and no warrant shall be issued in payment of any amount due thereon. This section also provides two "exceptions" to the above requirements:

- A. Then and Now Certificate This exception provides that, if the fiscal officer can certify that both at the time the contract or order was made and at the time that he/she is completing his/her certification, sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any encumbrance, the taxing authority can authorize the drawing of a warrant. The taxing authority has 30 days from the receipt of such certificate to approve payment by resolution or ordinance. If approval is not made within 30 days, there is no legal liability on the part of the subdivision or taxing district.
- B. Amounts of less than \$1,000 may be paid by the fiscal officer without such affirmation of the taxing authority upon completion of the "then and now" certificate, provided that the expenditure is otherwise lawful. This does not eliminate any otherwise applicable requirement for approval of expenditures by the taxing authority.

All the obligations paid by the Fire District had a statement attached indicating the purchase was lawfully appropriated or in the process of collection to the credit of the appropriate fund, free from any previous encumbrance. This certification was not always issued prior to incurring the obligation for 30% of transactions tested in 2000.

We recommend the Fire District monitor the use of purchase orders more carefully to ensure that the certification of available funds is done prior to incurring the obligation.
