STATE OF OHIO OFFICE OF THE AUDITOR

JIM PETRO, AUDITOR OF STATE

111 Second Street, NW Fourth Floor Canton, Ohio 44702 Telephone 330-438-0617 800-443-9272 Facsimile 330-471-0001 www.auditor.state.oh.us

REPORT OF INDEPENDENT ACCOUNTANTS

Village of Doylestown Wayne County 24 Portage Street Doylestown, Ohio 44230

To the Village Council:

We have audited the accompanying financial statements of the Village of Doylestown, Wayne County, (the Village) as of and for the years ended December 31, 2001 and 2000. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Village as of December 31, 2001 and 2000, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2002 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audits.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Village of Doylestown, Wayne County, (the Village) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly-elected six-member Council. The Village provides general governmental services, including street maintenance, water and sewer utilities, park operations (leisure time activities), cemetery operations (public health services), and police services. Chippewa Township provides fire protection and emergency medical services to the Village.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Investments are included in the fund cash balances. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Certificates of deposit, overnight repurchase agreements, money market funds, and Federal Securities are valued at cost.

D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Fund Accounting (Continued)

2. Special Revenue Fund

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village has the following significant Special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village streets.

Income Tax Fund -This fund receives all income tax collections of the Village taxpayers. These monies are then distributed to the General and Capital Projects Funds.

3. Capital Projects Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Village has the following significant Capital Projects Fund:

Capital Improvement Fund - This fund receives a portion of income tax revenue which is used for the payment of capital improvements to the Village, including related debt payments.

4. Enterprise Funds

These funds account for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges. The Village has the following significant Enterprise Funds:

Water Fund - This fund receives charges for services from residents to cover the cost of providing this utility.

Sewer Fund - This fund receives charges for services from residents to cover the cost of providing this utility.

Wastewater Treatment Plant Fund - This fund received loan proceeds from the Ohio Water Development Authority to finance a utility plant expansion. The loan is being repaid from this fund.

Water Field Fund - This fund receives a portion of revenues generated from the water fund and is used towards the replacement of water lines, water tower and water plant improvements.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Fund Accounting (Continued)

5. Fiduciary Funds (Trust and Agency Funds)

Trust funds are used to account for resources restricted by legally binding trust agreements. If the agreement requires the Village to maintain the corpus of the trust, the fund is classified as a nonexpendable trust fund. Other trust funds are classified as expendable. Funds for which the Village is acting in an agency capacity are classified as agency funds. The Village has the following significant fiduciary fund:

Cemetery Expendable Trust Fund - This fund accounts for the resources that are restricted to capital improvements of the Chestnut Hill Cemetery.

Mayor's Court - This fund accounts for all revenue received from traffic violations within the Village limits. These monies are then distributed to the appropriate governmental agency and to the Village's General Fund.

E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. The Village did not encumber all commitments required by Ohio law.

A summary of 2001 and 2000 budgetary activity appears in Note 3.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Village's basis of accounting.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Village maintains a cash and investment pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

		2001	 2000
Demand deposits Certificates of deposit	\$	290,398 600,000	\$ 75,346 800,000
Total deposits		890,398	 875,346
Repurchase Agreement Money Market Funds Treasury Note(s) Federal Home Loan Mortgage Corporation Federal Home Loan Bank		491,154 128,957 25,000 49,815 49,969	 499,198 35,349 75,664 50,547 81,136
Total investments		744,895	 741,894
Total deposits and investments	\$1	,635,293	\$ 1,617,240

Deposits: Deposits are either insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

Investments: Money Market Funds, U.S. Treasury Notes, Federal Home Loan Mortgage Corporation and Federal Home Loan Bank investments are held in book-entry form by the Federal Reserve, in the name of the Village's financial institution. The financial institution maintains records identifying the Village as owner of these securities. The Village's agent holds securities collateralizing repurchase agreements. The securities are not in the Village's name.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

4. NONCOMPLIANCE

Contrary to Ohio Rev. Code Section 5705.41(D), during 2001 and 2000, the Village did not always certify the availability of funds for its expenditures.

5. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

6. LOCAL INCOME TAX

The Village levies a municipal income tax of 1.5 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

7. DEBT

Debt outstanding at December 31, 2001 was as follows:

	Principal	Interest Rate
Ohio Water Development Authority Loan I	\$2,053,611	5.00%
Ohio Water Development Authority Loan II	19,220	7.51%
Ohio Public Works Commission	207,463	0.00%
General Obligation Notes	52,781	6.75%
Total	\$2,333,075	

The Ohio Water Development Authority (OWDA) Loan I relates to a wastewater treatment plant constructed by the Village. The OWDA has provided \$3,591,543 in loans to the Village for this project. The loans will be repaid in semiannual installments of \$143,073, including interest, over 20 years. Property and revenue of the utility facilities have been pledged to repay this debt.

The Ohio Water Development Authority (OWDA) Loan II is for the cost associated with the rearrangement of Village owned utility facilities as part of a Ohio Department of Transportation highway improvement project.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

7. DEBT (Continued)

The Ohio Public Works Commission (OPWC) loan relates to the elevated water tank replacement project. This zero percent interest loan is being repaid in semiannual installments of \$5,763, over 20 years.

Proceeds from the general obligation notes were used to construct and install water and sewer lines.

During 2001, the Village paid off general obligation bonds that were used for street and water system improvements.

Year ended December 31:	OW Loa	/DA an I	OW Loa		OPV Loa		General C Not	•

Total	\$2,053,611	\$521,698	\$19,220	\$7,195	\$207,463	\$0	\$52,781	\$28,173

Amortization of the above debt, including interest, is scheduled as follows:

8. **RETIREMENT SYSTEMS**

The Village's full time law enforcement officers belong to the Ohio Police and Fire Pension Funds (OP&F). Other full-time employees and part time law enforcement officers belong to the Public Employees Retirement System (PERS) of Ohio. OP&F and PERS are cost-sharing, multiple-employer plans. These plans provide retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2001 and 2000, OP&F participants contributed 10% of their wages. The Village contributed an amount equal to 19.5% of police participant wages. PERS members contributed 8.5% of their wages. The Village contributed an amount equal to 13.55% of PERS participants' gross salaries through June 30, 2000. PERS temporarily reduced employer contributions to 8.13% effective July 1, 2000 through December 2000. The Village has paid all contributions required through December 31, 2001.

9. RISK MANAGEMENT

Risk Pool Membership

The Village belongs to the Ohio Municipal Joint Self-Insurance Pool (the Pool) an unincorporated nonprofit association available to municipal corporations and their instrumentalities. Pursuant to Section 2744.081 of the Ohio Revised Code, the Plan is deemed a separate legal entity. The Pool provides a program of property and casualty insurance for its members. The Plan pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

9. RISK MANAGEMENT (Continued)

Casualty excess-of-loss contracts at December 31, 2000 and 1999 generally protect against individual losses over \$150,000 (\$100,000 for policies issued after March 31, 2000).

Property coverage contracts protect against losses, subject to a deductible of \$50,000 per occurrence, limited to an annual aggregate loss of the greater of \$300,000 or 1% of total coverage.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and retained (deficit) earnings at December 31, 2000 (the latest information available):

	<u>2000</u>	<u>1999</u>
Assets	\$2,958,827	\$4,151,450
Liabilities	3,863,373	3,461,914
Retained (deficit) earnings	<u>(\$904,546)</u>	\$689,536

The Pool assumes the risk of loss up to the limits of the Village's policy. The following risks are covered by the Pool:

- General liability and casualty;
- Commercial inland marine coverage;
- Public official's liability;
- Police professional liability;
- Employee benefits liability; and
- Automobile liability.

The Village also provides health insurance and dental coverage to full-time employees through the Wayne County Insurance Pool.

10. CONTINGENT LIABILITIES

The Village is defendant or plaintiff in several lawsuits. Although the outcome of these suits is not presently determinable, management believes that the resolution of these matters will not materially adversely affect the Village's financial condition.

Amounts received from grantor agencies are subject to audit and adjustment by the grantor, principally the federal government. Any disallowed costs may require refunding to the grantor. Amounts which may be disallowed, if any, are not presently determinable. However, based on prior experience, management believes such refunds, if any, would not be material.

STATE OF OHIO OFFICE OF THE AUDITOR

JIM PETRO, AUDITOR OF STATE

111 Second Street, NW Fourth Floor Canton, Ohio 44702 Telephone 330-438-0617 800-443-9272 Facsimile 330-471-0001 www.auditor.state.oh.us

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Doylestown Wayne County 24 South Portage Street Doylestown, Ohio 44230

To the Village Council:

We have audited the accompanying financial statements of the Village of Doylestown, Wayne County, (the Village) as of and for the years ended December 31, 2001 and 2000, and have issued our report thereon dated March 27, 2002. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards* which are described in the accompanying Schedule of Findings as item 2001-30985-001.

We also noted immaterial instances of noncompliance that we have reported to management of the Village in a separate letter dated March 27, 2002.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the Village's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. The reportable condition is described in the accompanying Schedule of Findings as item 2001-30985-002.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we consider item 2001-30985-002 to be a material weakness.

Village of Doylestown Wayne County Report of Independent Accountants on Compliance and on Internal Control Required By *Government Auditing Standards* Page 2

We also noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Village in a separate letter dated March 27, 2002.

This report is intended solely for the information and use of management and Village Council, and is not intended to be and should not be used by anyone other than these specified parties.

Jim Petro Auditor of State

March 27, 2002

SCHEDULE OF FINDINGS DECEMBER 31, 2001 AND 2000

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

FINDING NUMBER 2001-30985-001

Noncompliance

Ohio Rev. Code Section 5705.41(D) requires no orders or contracts involving the expenditure of money are to be made unless there is a certificate of the fiscal officer that the amount required for the order or contract has been lawfully appropriated and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrances.

The following exceptions to this basic requirement are provided by statute:

- A. Then and Now Certificate: This exception provides that, if the fiscal officer can certify that both at the time that the contract or order was made and at the time that he is completing his certification, sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance, the taxing authority can authorize the drawing of a warrant. The taxing authority has 30 days from the receipt of such certificate to approve payment by resolution or ordinance. If approval is not made within 30 days, there is no legal obligation on the part of the subdivision or taxing district to make payment.
- B. Amounts of less than \$1,000 may be paid by the Clerk-Treasurer without such affirmation of the taxing authority upon completion of the "then and now" certificate, provided that the expenditure is otherwise lawful. This does not eliminate any otherwise applicable requirements for approval of expenditures by the taxing authority.

During the audit period, 73% of the transactions tested were not certified by the Clerk-Treasurer prior to incurring the obligation. In addition, neither of the two exceptions were utilized. Failure to certify the availability of funds prior to entering into the commitment could result in making commitments in excess of available funds. The Village should establish procedures to ensure that all expenditures are certified prior to their obligation. These procedures could include the implementation of the use of Then and Now certificates and Blanket Certificates as further permitted by Ohio Rev. Code Section 5705.41.

A similar matter was reported in our audits of the December 31, 1999 and 1998 financial statements.

Wayne County Schedule of Findings Page 2

FINDING NUMBER 2001-30985-002

Material Weakness

All public offices should maintain an accounting system and accounting records sufficient to enable the public office to identify, assemble, analyze, classify, record and report its transactions, maintain accountability for the related assets, and document compliance with finance-related legal and contractual requirements. **Ohio Admin. Code Section 117-2-02(C)(2)** provides in part that purchase orders may be used to effectively maintain the accounting and budgetary records of the local public office and to provide sufficient documentation of purchase transactions.

During our testing of cash disbursements, it was noted the Village did not utilize purchase orders for approximately 73% of the transactions examined. Not using purchase orders to establish the terms of sale with vendors and to encumber funds could result in disputes and in the Village incurring obligations without available funds. We recommend the Village use purchase orders for all non-payroll disbursements to assist management and Council in effectively monitoring Village budgetary activities and in making management decisions. Additionally, we recommend purchase orders be used to approve purchase commitments and to encumber funds against the applicable appropriation account(s), as required by Section 5705.41(D) of the Revised Code. Purchase orders should not be deemed effective unless the fiscal officer's certificate of available funds is attached. The certificate should be attached at the time a commitment to purchase goods or services is made.

A similar matter was reported in our audits of the December 31, 1999 and 1998 financial statements.

SCHEDULE OF PRIOR AUDIT FINDINGS DECEMBER 31, 2001 AND 2000
