REPORT OF INDEPENDENT ACCOUNTANTS

Village of Newtown Hamilton County 3536 Church Street Newtown, Ohio 45244

To the Village Council:

We have audited the accompanying financial statements of the Village of Newtown, Hamilton County, Ohio (the Village), as of and for the years ended December 31, 2001 and 2000. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Village as of December 31, 2001 and 2000, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 19, 2002 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Village of Newtown, Hamilton County, Ohio (the Village) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly-elected six-member Council. The Village provides general governmental services, park operations (leisure time activities) and police and fire services

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Investments are included in fund cash balances. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Money market mutual funds (including STAR Ohio) and federal securities are recorded at share values reported by the mutual fund.

D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Special Revenue Fund

These funds are used to account for proceeds from specific sources (other than for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant special revenue Fund:

Fire Fund – This fund receives real estate and personal property tax revenue and Homestead Rollback monies for providing fire protection services.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Debt Service Fund

This fund is used to accumulate resources for the payment of bonds and note indebtedness. The Village had the following debt service fund:

Debt Service Fund – This fund received bond proceeds to pay for the Village's leasepurchase agreement for the purchase of fire truck.

4. Capital Projects Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects. The Village had the following significant capital projects funds:

Church Street Grant Construction Fund - This fund receives proceeds from the Ohio Public Works Commission and Cincinnati Water Works. The proceeds are used to improve Church Street.

E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2001 and 2000 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Village's basis of accounting.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Village maintains a cash and investment pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	2001	2000
Demand deposits	\$566,582	\$274,753
Investments: US Treasury Money Market Fund Federal Securities US Treasury Mutual Fund STAR Ohio	8,092 691,981 580,733 <u>586,868</u>	20,322 645,303 553,860 563,517
Total investments	<u>1,867,674</u>	<u>1,783,002</u>
Total deposits and investments	<u>\$2,434,256</u>	<u>\$2,057,755</u>

Deposits: Deposits are either (1) insured by the Federal Depository Insurance Corporation, or (2) collateralized by the financial institution's public entity deposit pool.

Investments: Federal Securities and the U.S. Treasury Mutual Fund are held in book-entry form by the Federal Reserve, in the name of the Village's financial institution. The financial institution maintains records identifying the Village as owner of these securities. Investments in STAR Ohio and mutual funds are not evidenced by securities that exist in physical or book-entry form.

During 2001 and 2000, the Village held repurchase agreements collateralized by securities held by the fiscal agent, but not I the Village's name. At December 31, 2001 and 2000, the Village held no repurchase agreements. The Village's agent held securities collateralizing repurchase agreements.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

3. **BUDGETARY ACTIVITY (Continued)**

Contrary to Ohio law, budgetary expenditures exceeded appropriation authority in the Income Tax Fund and the Drug Education Fund by \$482,659 and \$10,735, respectively, for the year ended December 31, 2001. Budgetary expenditures exceeded appropriation authority in the Church Street Grant Construction Fund by \$30,080 for the year ended December 31, 2000.

4. **PROPERTY TAX**

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

5. LOCAL INCOME TAX

The Village levies a municipal income tax of one percent on substantially all earned income arising from employment, residency or business activities within the Village as well as certain income of residents earned outside the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

The Village contracts with the Regional Income Tax Agency (RITA) to collect income taxes on behalf of the Village. RITA charges a flat rate of three percent of gross receipts collected.

6. DEBT

In 1996, a lease purchase agreement was entered into for the purchase of a Village fire truck. Principal and interest payments are made annually. The lease was paid off in 2001.

7. RETIREMENT SYSTEMS

The Village's law enforcement officers and firefighters belong to the Ohio Police and Fire Pension Funds (OP&F). Other full-time employees belong to the Public Employees Retirement System (PERS) of Ohio. OP&F and PERS are cost-sharing, multiple-employer plans. These plans provide retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

7. RETIREMENT SYSTEMS (Continued)

Contribution rates are also prescribed by the Ohio Revised Code. For 2001 and 2000, OP&F participants contributed 10% of their wages. The Village contributed an amount equal to 19.5% of police participant and 24% of fire participant wages. PERS members contributed 8.5% of their gross salaries. The Village contributed an amount equal to 13.55% of PERS participants' gross salaries for 2001 and from January 1, 2000 through June 30, 2000. PERS temporarily reduced the employer contribution rate to 8.13% effective July 1, 2000 through December 31, 2000. The Village has paid all contributions required through December 31, 2001.

8. RISK MANAGEMENT

The Village belongs to the Ohio Government Risk Management Plan (the "Plan"), an unincorporated non-profit association with over 600 governmental entity members providing a formalized, jointly administered self-insurance risk management program and other administrative services.

Pursuant to Section 2744.081 of the Ohio Revised Code, the Plan is deemed a separate legal entity. The Plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverage, modified for each member's needs. The Plan pays judgments, settlements and other expenses resulting from covered claims that exceed the member's deductible.

The Plan uses conventional insurance coverage and reinsures these coverages 100%, rather than using a risk pool of member funds to pay individual and collective losses. Therefore, the individual members are only responsible for their self-retention (deductible) amounts which vary from member to member.

9. CONTINGENT LIABILITIES

Amounts received from grantor agencies are subject to audit and adjustment by the grantor, principally the federal government. Any disallowed costs may require refunding to the grantor. Amounts which may be disallowed, if any, are not presently determinable. However, based on prior experience, management believes such refunds, if any, would not be material.

10. CONSTRUCTION COMMITMENTS

As of December 31, 2001, the Village had the following commitments with respect to capital projects:

Capital Project	Remaining Construction <u>Commitment</u>	Expected Date of <u>Completion</u>
Town Hall Renovations	\$41,950	2002
Road Improvement Project	2,372,000	2003

The Village will pay for the Road Improvement Project with monies received from the Ohio Public Works Commission and the Cincinnati Water Works. The Village's required local share is \$339,000.

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Newtown Hamilton County 3536 Church Street Newtown, Ohio 45244

To the Village Council:

We have audited the accompanying financial statements of the Village of Newtown, Hamilton County, Ohio (the Village), as of and for the years ended December 31, 2001 and 2000, and have issued our report thereon dated June 19, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards* which is described in the accompanying schedule of findings as item 2001-30431-001.

We also noted an immaterial instance of noncompliance that we have reported to management of the Village in a separate letter dated June 19, 2002.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Village in a separate letter dated June 19, 2002.

This report is intended solely for the information and use management and the Village Council and is not intended to be and should not be used by anyone other than these specified parties.
