INDEPENDENT AUDITORS' REPORT

Board of Directors Youngstown/Mahoning County Convention and Visitor's Bureau Youngstown, Ohio

We have audited the accompanying Statements of Financial Position of Youngstown/Mahoning County Convention and Visitor's Bureau, (a Not-for-Profit Corporation) as of December 31, 2001 and 2000 and the related Statements of Activities and Cash Flows for the years then ended. These financial statements are the responsibility of Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Youngstown/Mahoning County Convention and Visitor's Bureau, as of December 31, 2001 and 2000, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have issued our report dated May 7, 2002, on our consideration of Youngstown/Mahoning County Convention and Visitor's Bureau's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

A. ACCOUNTING POLICIES

Nature of Activities

The Youngstown/Mahoning County Convention and Visitor's Bureau (Bureau) is a nonprofit organization established by the Mahoning County Board of Commissioners to promote and encourage tourism in Mahoning County.

The authority to form the Bureau is provided under the Ohio Revised Code which permits the County to levy an excise tax on lodgings furnished to transient guests and expend the receipts of the tax on a convention and visitor's bureau.

Program Services

For financial statement purposes, the Corporation has one program service which is to promote and encourage tourism in the Mahoning County.

Program Revenue and Restriction Policies

A majority of revenues are received from Mahoning County through excise taxes levied on lodgings furnished to transient guests of Mahoning County hotels and motels. These monies are treated as unrestricted net assets because the monies are to be used at the discretion of the Corporation, as long as it's to be used to promote tourism in the Mahoning County as required by state law. The Corporation receives no monies which need to be classified as temporary or permanently restricted net assets.

The Corporation recognizes revenues at the point the Mahoning County receives the excise tax from the Mahoning County hotels and motels. At both year-ends, the County submitted all monies due to the Corporation; therefore no amounts were due from the County.

Accounting Method

The financial statements are prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation

The Corporation adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, the Corporation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

A. ACCOUNTING POLICIES (CONTINUED)

Liquidity of Assets and Liabilities

The presentation of assets and liabilities in the Statement of Financial Position is generally in the order of liquidity.

Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the Corporation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Marketable Investments

The Corporation has adopted SFAS No. 124, "Accounting for Certain Investments Held by Notfor-Profit Organizations." Under SFAS No. 124, investments with readily determinable fair values are reported at their fair values in the Statements of Financial Position. Unrealized gains and losses are included in the change in net assets. Market value at the end of the year is based on the quoted stock exchange values.

Property and Equipment

It is the Corporation's policy to capitalize all expenditures for property and equipment over \$500. The equipment is being depreciated using the straight-line method over years ranging from three to ten years.

Income Taxes

The Corporation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(6) of the Internal Revenue Code.

Expense Allocations

For financial statement purposes, the Corporation charges to program services only expenses that can be directly related to the program services. Management, general and support services expenses include those expenses that provide overall support and direction of the Corporation.

Advertising and Promotion

The Corporation uses advertising to promote and encourage tourism in the Mahoning County. The costs of advertising and promotion are at the time of the expenditures, since the Bureau does not know what period the expenditures will benefit.

B. <u>CERTIFICATES OF DEPOSIT</u>

The Corporation has six certificates of deposit at December 31, 2001 with interest rates ranging from 3.50% to 6.79% and maturity dates ranging from February 2002 to June 2004. At December 31 2000, the Corporation had eight certificates of deposit with interest rates ranging from 6.16% to 7.10% and maturity dates ranging from September 2001 to September 2002. Because the maturity dates are in excess of three months from the dates of purchase, the certificates do not meet the criteria of cash equivalents.

C. INVESTMENTS

The Corporation's investments, recorded at market value are summarized as follows:

	Market Value December 31, 2000					realized Gain	Market Value December 31, 2001		
Stock – United Community Financial Corp.	\$ 66,704		\$	2,524	\$	69,228

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Youngstown/Mahoning County Convention and Visitor's Bureau Youngstown, Ohio

We have audited the financial statements of Youngstown/Mahoning County Convention and Visitor's Bureau, (a Not-for-Profit Corporation) for the year ended December 31, 2001, and have issued our report thereon dated May 7, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Youngstown/Mahoning County Convention and Visitor's Bureau's, financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Youngstown/Mahoning County Convention and Visitor's Bureau's, internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted certain matters involving the internal control structure and its operation that we consider being reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the organization's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. Following are the reportable conditions we noted:

Segregation of Duties

It is basic that sound internal control structure embraces segregation of duties. Incompatible functions for control purposes are those that place any person in a position both to perpetrate and to conceal errors or irregularities in the normal course of their duties. Anyone who records transactions or has access to assets ordinarily is in a position to perpetrate errors and irregularities. Accordingly, control necessarily depends largely on the elimination of opportunities for concealment. (For example, anyone who deposits monies should not prepare bank reconciliations and record transactions in the books and records.)

In Youngstown/Mahoning County Convention and Visitor's Bureau, as is the case in most organizations of its approximate size, the limited number of accounting and record-keeping personnel make adequate segregation of duties impracticable or impossible. In such organizations, the Executive Director and Board of Directors should continue to be vigilant in safeguarding assets, checking the accuracy and reliability of accounting data, promoting operational efficiency and encouraging adherence to prescribed managerial policies. This extra care by the Executive Director and Board of Directors is necessary to counterbalance the internal control deficiencies caused by too limited personnel.

Bank Reconciliations

Bank reconciliations were not being properly prepared on the cash accounts. The bank reconciliation balance did not agree with the general ledger balances. Adjustments were needed at year-end to agree the bank reconciliations to the general ledger. Proper preparation of bank reconciliations that agree to the general ledger is an important task that is needed for proper internal control. Bank reconciliations should be prepared timely (monthly) and agree to the general ledger. Differences should be pursued immediately before any subsequent month's activity is inputted into the system.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. However, we consider the above items to be a material weakness. We also noted other matters involving the internal control over financial reporting that we reported to management of Youngstown Mahoning County Convention and Visitor's Bureau in a separate letter dated May 7, 2002.

This report is intended solely for the information of management and is not intended to be nor should it be used by anyone other than these specified parties.
