INDEPENDENT ACCOUNTANTS' REPORT

Barnesville Hutton Memorial Library Belmont County 308 East Main Street Barnesville, Ohio 43713

To the Board of Trustees:

We have audited the accompanying financial statements of the Barnesville Hutton Memorial Library, Belmont County, Ohio (the Library), as of and for the years ended December 31, 2002 and December 31, 2001. These financial statements are the responsibility of the Library's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Library prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves of encumbrances of the Barnesville Hutton Memorial Library, Belmont County, as of December 31, 2002 and 2001, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2003 on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Barnesville Hutton Memorial Library, Belmont County (the Library), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of Ohio. The Library is directed by a seven-member Board of Trustees appointed by the Board members of the Barnesville Exempted Village School District. The Library provides the community with various educational and literary resources. The Library is involved with the SOLO Regional Library which is defined as a jointly governed organization. Additional information concerning the jointly governed organization is presented in note 8.

The Library's management believes these financial statements present all activities for which the Library is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Fund Accounting

The Library uses fund accounting to segregate cash and investments that are restricted as to use. The Library classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Library had the following significant Special Revenue Funds:

The Gates Foundation Fund - This fund was established for monies which were received to purchase two computers and other similar equipment for public use.

3. Debt Service Funds

The debt service fund is used to accumulate resources for the payment of bonds and note indebtedness. The Library had the following significant debt service fund:

C. Fund Accounting (Continued)

3. Debt Service Funds (Continued)

Note Retirement Fund - This fund receives state tax money to pay outstanding debt that was issued for renovations. This debt was issued by the Village of Barnesville on behalf of the Library. All debt of the Library was fully retired as of February 15, 2001.

4. Capital Project Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Library had the following significant capital project funds:

Building Fund - This fund receives proceeds of notes. The proceeds are being used for the Library Renovation and Expansion Project.

Equipment Fund - This fund receives donations and general fund transfers to make equipment purchases.

5. Fiduciary Funds (Trust Funds)

Trust funds are used to account for resources restricted by legally binding trust agreements. If the agreement requires the Library to maintain the corpus of the trust, the fund is classified as a nonexpendable trust fund. Other trust funds are classified as expendable.

The Library had the following expendable Trust Fund:

Hutton Fund - This fund receives proceeds from the Hutton family estate to be used for the benefit of the Library's patrons.

D. Budgetary Process

The Ohio Administrative Code requires appropriating for each fund annually.

1. Appropriations

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures (that is, disbursements and encumbrances may not exceed appropriations at the fund, function, and object level of control.

2. Encumbrances

The Ohio Administrative Code does not require the Library to reserve (encumber) appropriations when commitments are made, effective January 1, 2001. The Library has elected to continue the practice of using encumbrance accounting. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Budgetary Process (Continued)

A summary of 2002 and 2001 budgetary activity appears in Note 3.

E. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

F. Unpaid Vacation and Sick Leave

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the cash basis of accounting used by the Library.

2. EQUITY IN POOLED CASH

The Library maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31 follows:

	2002	2001
Demand deposits	\$194,728	\$169,351

Deposits: Deposits are either (1) insured by the Federal Deposit Insurance Corporation, and/or (2) collateralized by securities specifically pledged by the financial institution to the Library.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2002 and 2001 follows:

3. BUDGETARY ACTIVITY (Continued)

4. GRANTS-IN-AID AND TAX RECEIPTS

The primary source of revenue for Ohio public libraries is the State Library and Local Government Support Fund (LLGSF). The LLGSF is allocated to each county based on the county's prior intangibles tax of LLGSF revenues, and its population. The County Budget Commission allocates these funds to the Library based on its needs such as for the construction of new library buildings, improvements, operation, maintenance, or other expenses. The Budget Commission cannot reduce its allocation of these funds to the Library based on of any additional revenues the Library receives.

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the taxing authority of the subdivision to whose jurisdiction the Library is subject. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Other Governments Grants In Aid. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the taxing district.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Library.

5. DEBT

On September 14, 1994, the Library entered into an open-end mortgage and security agreement with the Village of Barnesville. The Village of Barnesville agreed to loan the Library an amount up to \$600,000 for library expansion, and the Library agreed to grant the mortgage as security for the payment of its obligation under the agreement.

As of December 31, 2002, the Library has retired all of its outstanding debt. Payments were submitted to the Village of Barnesville prior to the due date of the annual principal and interest payments.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Barnesville Hutton Memorial Library Belmont County 308 East Main Street Barnesville, Ohio 43713

To the Board of Trustees:

We have audited the accompanying financial statements of the Barnesville Hutton Memorial Library, Belmont County, Ohio (the Library), as of and for the years ended December 31, 2002 and 2001, and have issued our report thereon dated March 31, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Library's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Library's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.
