## INDEPENDENT ACCOUNTANTS' REPORT

Eden Township Licking County 10749 Eden Church Road St. Louisville, Ohio 43071

To the Board of Trustees:

We have audited the accompanying financial statements of Eden Township, Licking County, Ohio, (the Township) as of and for the years ended December 31, 2002, and December 31, 2001. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than accounting principals generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Township as of December 31, 2002, and December 31, 2001, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 24, 2003, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Description of the Entity

Eden Township, Licking County, (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides road and bridge maintenance and contracts with Newton Township and Mary Ann Township to provide fire protection and emergency medical services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

#### B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

#### C. Cash

Investments are reported as assets. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Certificates of deposit are valued at cost.

#### D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

#### 1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

#### 2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

*Gasoline Tax Fund* – This fund receives gasoline tax money to pay for constructing, maintaining, and repairing Township roads.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### D. Fund Accounting (Continued)

#### 2. Special Revenue Funds (Continued)

*Road and Bridge Fund* - This fund receives property tax money for constructing, maintaining and repairing Township roads and bridges.

*Fire Levy Fund* - This fund receives taxes levied to provide fire protection and emergency medical services to the Township.

#### 3. Fiduciary Funds (Trust Fund)

This fund is used to account for resources restricted by legally binding trust agreements. The Township had the following significant Fiduciary Fund:

*Cemetery Bequest Fund* - Non-expendable trust fund in which interest earnings are used for expenditures related to the Township's Cemetery.

#### E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

#### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function and object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made.

A summary of 2002 and 2001 budgetary activity appears in Note 3.

#### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001 (Continued)

## 2. EQUITY IN POOLED CASH

The Township maintains a cash pool used by all funds except the non-expendable trust fund which is invested in a certificate of deposit. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 was as follows:

	2002	2001
Demand deposits	\$137,299	\$176,245
Certificates of deposit	36,217	36,217
Total deposits	\$173,516	\$212,462

**Deposits:** Deposits are either insured by the Federal Depository Insurance Corporation, or collateralized by the financial institution's public entity deposit pool.

#### 3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2002 and December 31, 2001 follows:

#### 4. **PROPERTY TAX**

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

#### 5. RETIREMENT SYSTEM

Employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a costsharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2002 and 2001, members of PERS contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries for 2002 and 2001. The Township has paid all contributions required through December 31, 2002.

#### 6. DEBT

Debt outstanding at December 31, 2002 was as follows:

	Principal	Interest Rate
General Obligation Note	\$17,504	5%

The general obligation note was issued in 1999 to finance the purchases of a backhoe. The notes are collateralized solely by the Township's taxing authority.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001 (Continued)

#### 6. DEBT (Continued)

Amortization of the above debt, including interest, is scheduled as follows:

	General Obligation Note
Year ending December 31:	
2003	\$9,671
2004	9,211
Total	\$18,882

#### 7. RISK MANAGEMENT

#### **Risk Pool Membership**

The Township belongs to the Ohio Government Risk Management Plan (the "Plan"), an unincorporated non-profit association with approximately 600 governmental entity members providing a formalized, jointly administered self-insurance risk management program and other administrative services.

Pursuant to Section 2744.081 of the Ohio Revised Code, the Plan is deemed a separate legal entity. The Plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverage, modified for each member's needs. The Plan pays judgments, settlements and other expenses resulting from covered claims that exceed the member's deductible.

The Plan uses conventional insurance coverages and reinsures these coverages. Effective September 1, 2002, the Plan retains 5% of the premium and losses on the first \$500,000 casualty treaty (up to \$25,000 of a loss) and 5% of the first \$1,000,000 property treaty (up to \$50,000 of a loss). The Plan also participates in a loss corridor in its first \$500,000 casualty reinsurance. The corridor includes losses paid between 55% and 65% or premiums earned under this treaty. (Reinsurance coverage would resume after a paid loss ratio of 65% is exceeded.) The individual members are only responsible for their self-retention (deductible) amounts, which vary from member to member.

#### 8. SUBSEQUENT EVENT

On February 7, 2003, the Board of Tax Appeals of the State of Ohio remanded to the Licking County Budget commission with orders to make an allocation of the 1997-2002 Undivided Local Government Fund (ULGF) and the 1997-2002 Undivided Local Government Revenue Assistance Fund (ULGRAF) in compliance with provisions of Ohio Revised Code Sections 5747.51 and 5747.62. In summary, the Board of Tax Appeals found that no alternative apportionment or formula allowed under Ohio Revised Code 5747.53 and 5747.63 was legally effective.

The County Budget Commission plans to appeal the ruling and the effect on future local government distributions cannot be determined at this time.

We have audited the accompanying financial statements of Eden Township (the Township) as of and for the years ended December 31, 2002, and December 31, 2001, and have issued our report thereon dated July 24, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted certain immaterial instances of noncompliance that we have reported to management of the Township in a separate letter dated July 24, 2003.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.
