INDEPENDENT ACCOUNTANTS' REPORT

Harrison Township
Perry County
309 Elizabeth Street
Crooksville, Ohio 43731

To the Board of Trustees:

We have audited the accompanying financial statements of Harrison Township, Perry County, Ohio (the Township), as of and for the years ended December 31, 2002 and 2001. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Harrison Township, Perry County, as of December 31, 2002 and 2001, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 21, 2003 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Harrison Township, Perry County (the Township), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides road and bridge maintenance, cemetery maintenance, fire protection and emergency medical services. The Township contracts with the Village of Roseville and the Village of Crooksville to provide fire services and ambulance services.

The Township is also affiliated with the Harrison Township Union Cemetery. The Board of Trustees of the Union Cemetery is appointed by the Village of Crooksville and Harrison Township. Taxes levied by Harrison Township for cemetery maintenance are collected by Perry County, and distributed to the Township, which then distributes the proceeds to the Union Cemetery. The Union Cemetery is a legally-separate entity that prepares and files its own financial statements. The financial activity of the Union Cemetery is not included in the accompanying financial statements. Independent audits of the Union Cemetery are performed by the Auditor of State.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

2. Special Revenue Funds (Continued)

Gasoline Tax Fund - This fund receives gasoline tax money to pay for constructing, maintaining and repairing Township roads.

Fire Fund - This fund receives property tax money to pay for the fire protection services provided to the Township through contracts with the Village of Crooksville and the Village of Roseville.

D. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the function level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year.

A summary of 2002 and 2001 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Township's basis of accounting.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

| | | |
|-----------------|----------|----------|
| | 2002 | 2001 |
| Demand deposits | \$84,290 | \$93,234 |

Deposits: Deposits are either insured by the Federal Deposit Insurance Corporation, or collateralized by the financial institution's public entity deposit pool.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2002 and 2001, follows:

| 2002 Budgeted vs. Actual Receipts | | | |
|-----------------------------------|----------------------|--------------------|----------|
| Fund Type | Budgeted Receipts | Actual Receipts | Variance |

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. RETIREMENT SYSTEMS

The Township's elected officials and employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2002 and 2001, PERS members contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries. The Township has paid all contributions required through December 31, 2002.

6. RISK MANAGEMENT

Risk Pool Membership

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty Coverage

OTARMA retains casualty risks up to \$250,000 per claim, including loss adjustment expenses. Claims exceeding \$250,000 are reinsured with APEEP up to \$1,750,000 per claim and \$5,000,000 in the aggregate per year. Governments can elect additional coverage, from \$2,000,000 to \$10,000,000, from the General Reinsurance Corporation.

If losses exhaust OTARMA's retained earnings, APEEP covers OTARMA losses up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

**HARRISON TOWNSHIP
PERRY COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001
(Continued)**

6. RISK MANAGEMENT (Continued)

Risk Pool Membership (Continued)

Property Coverage

OTARMA retains property risks, including automobile physical damage, up to \$10,000 on any specific loss with an annual aggregate of \$700,000 for 2001 and \$1,250,000 for 2002. The Travelers Indemnity Company reinsures losses exceeding \$10,000 if the annual aggregate is reached and all specific losses exceeding \$100,000. APEEP's Operating Fund and Guarantee Fund pay for losses and loss adjustment expenses should they exceed operating contributions.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Financial Position

OTARMA's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31:

| <u>Casualty Coverage</u> | <u>2002</u> | <u>2001</u> |

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Harrison Township
Perry County
309 Elizabeth Street
Crooksville, Ohio 43731

To the Board of Trustees:

We have audited the accompanying financial statements of the Harrison Township, Perry County, Ohio (the Township), as of and for the years ended December 31, 2002 and 2001, and have issued our report thereon dated August 21, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance that are required to be reported under *Government Auditing Standards* which are described in the accompanying Schedule of Findings as items 2002-001 and 2002-002. We also noted certain immaterial instances of noncompliance that we have reported to management of the Township in a separate letter dated August 21, 2003.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. A reportable condition involves a matter coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the Township's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. The reportable condition is described in the accompanying Schedule of Findings as item 2002-003.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe the reportable condition described above is not a material weakness. We also noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Township in a separate letter dated August 21, 2003.

This report is intended solely for the information and use of management and the Board of Trustees, and is not intended to be and should not be used by anyone other than these specified parties.

FINDINGS RELATED TO THE FINANCIAL STATEMENTS
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

FINDING NUMBER 2002-001

Noncompliance Citation

Ohio Rev. Code § 5705.41(B) states that no subdivision or taxing unit shall expend any money unless it has been properly appropriated.

Actual expenditures exceeded appropriations at December 31, 2002, as follows:

| <u>Fund</u> | <u>2002 Appropriations vs. Expenditures</u> | | |
|---------------------------|---|---|-----------------|
| | <u>Appropriation</u> <u>Authority</u> | <u>Budgetary</u> <u>Expenditures</u> | <u>Variance</u> |
| General | \$21,609 | \$46,788 | (\$25,179) |
| Motor Vehicle License Tax | \$4,500 | \$11,601 | (\$7,101) |
| Gasoline Tax | \$23,358 | \$52,572 | (\$29,214) |
| Road and Bridge | \$6,450 | \$21,603 | (\$15,153) |
| Cemetery | \$7,420 | \$16,815 | (\$9,605) |
| Fire | \$22,041 | \$53,464 | (\$31,423) |
| EMS | \$12,650 | \$30,404 | (\$17,754) |
| Joint Cemetery | \$10,000 | \$20,114 | (\$10,114) |

We recommend the Clerk deny payment requests where expenditures would exceed appropriations.

FINDING NUMBER 2002-002

Noncompliance Citation

Ohio Rev. Code § 5705.41(D) states that no subdivision or taxing unit shall make any contract or give any order involving the expenditure of money unless there is attached thereto a certificate of the fiscal officer of the subdivision that the amount required to meet the obligation has been lawfully appropriated for such purpose and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrances. This certificate need be signed only by the fiscal officer (Township Clerk).

Every contract made without such a certificate shall be void, and no warrant shall be issued in payment of any amount due thereon. This section also provides for two "exceptions" to the above requirements:

- A. Then and Now Certificate - This exception provides that, if the fiscal officer can certify that both at the time that the contract or order was made and at the time the certification is being completed, sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance, the taxing authority (Board of Trustees) may authorize the drawing of a warrant. The taxing authority has 30 days from the receipt of such certificate to approve payment by resolution or ordinance. If approval is not made within 30 days, there is no legal liability on the part of the Township.

- B. If the amount involved is less than \$1,000 (which was increased to \$3,000 on April 7, 2003), the fiscal officer may authorize it to be paid without the affirmation of the taxing authority, upon completion of the then and now certificate, provided that the expenditure is otherwise lawful.

The Township did not obtain the Clerk's prior certification for 15 percent of the transactions tested in 2001 and 22 percent of the transactions tested in 2002, and there was no evidence of a "Then and Now" certificate being used by the Clerk in these instances.

We recommend the Township obtain the Clerk's certification prior to incurring Township obligations.

FINDING NUMBER 2002-003

Reportable Condition - Monitoring Budgetary and Financial Activity

The small size of the Township's staff did not allow for an adequate segregation of duties; the Clerk performed all accounting functions. It is therefore important the Board of Trustees function as a finance and audit committee to monitor financial activity closely and to follow up on any audit findings. While the Trustees approved all vouchers for payment and signed all checks which were issued, there was no documentation of the extent to which Trustees reviewed financial information to monitor the financial activity of the Township.

Without formally reviewing financial reports and records, the Board may not be fully aware of the financial status of the Township, condition of financial records, or the untimely performance of budgetary requirements. Had proper monitoring controls been established, the noncompliance conditions reported herein could have been prevented or detected in a timely manner.

We recommend the Clerk prepare monthly financial reports which include budget vs. actual information for expenditures and disbursements, as well as reconciliations and fund balances. The Board should formally review and approve these monthly reports, and note the Board's approval in the Board's minutes. Monthly financial reports should be signed by the Board members to indicate each member's review and approval. In addition, we recommend the Board periodically review the Township's books to ensure they are posted up to date and are in balance. Furthermore, the Board should verify that all budgetary measures requiring adoption by the Board are indeed adopted by the Board in a timely manner and subsequently posted to the Township's ledgers.
