# AUDIT REPORT

**JANUARY 1, 2001 – DECEMBER 31, 2002** 

Auditor of State Betty Montgomery

Board of Trustees Keene Township

We have reviewed the Independent Auditor's Report of Keene Township, Coshocton County, prepared by Wolfe, Wilson & Phillips, Inc. for the audit period January1, 2001 through December 31, 2002. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Keene Township is responsible for compliance with these laws and regulations.

Betty Montgomery

BETTY MONTGOMERY Auditor of State

#### **INDEPENDENT AUDITORS' REPORT**

Board of Trustees Keene Township Keene, Ohio

We have audited the accompanying financial statements of Keene Township as of and for the years ended December 31, 2002 and 2001. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the cash basis, which is a comprehensive basis of accounting prescribed or permitted by the Auditor of State, other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Keene Township as of December 31, 2002 and 2001, and its combined cash receipts and disbursements for the years then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued a report dated March 18, 2003, on our consideration of Keene Township's internal control structure over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the officials authorized to receive this report under Section 117.26, Ohio Revised Code and is not intended to be and should not be used by anyone other than these specified parties.

# NOTES TO THE FINANCIAL STATEMENTS

### 1. Summary of Significant Accounting Policies

## A. <u>Description of the Entity</u>

Keene Township (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly elected three-member Board of Trustees. The Township provides general governmental services, including maintenance of Township roads, cemeteries, and fire protection. The Township contracts with the Tuscarawas Township to provide fire protection.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

## B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and cash disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report expenditures when a commitment is made (i.e., when an encumbrance is approved.) These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

### C. Cash and Investments

All cash is maintained in a pooled checking account. The Township has no investments.

### D. Fund Accounting

The Township uses fund accounting to segregate cash that is restricted as to use. The Township classifies its funds into the following types:

### **General Fund**

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

### **Special Revenue Funds**

These funds are used to account for proceeds from specific sources that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

# NOTES TO THE FINANCIAL STATEMENTS

### D. Fund Accounting (Continued)

### **Special Revenue Funds (Continued)**

**Motor Vehicle License Tax Fund** – This fund receives motor vehicle tax receipts for constructing, maintaining and repairing Township roads.

**Gasoline Tax Fund** – This fund receives gasoline tax receipts for maintaining and repairing Township roads.

**Cemetery Fund** – This fund generates money through the selling of cemetery lots and donations from the general public. This money is disbursed for the maintenance and upkeep of Township cemeteries.

**Fire Fund (Special Levy)** – This fund receives real estate tax for the cost associated with the fire protection contract with Tuscarawas Township.

**Road Repair & Maintenance (Special Levy)** – This fund receives real estate money for the construction, repair, and maintenance of Township roads and bridges.

**Road and Bridge Fund** - This fund receives real estate and personal property tax money for the construction, repair and maintenance of Township roads and bridges.

**Permissive Motor Vehicle License Fund** – This fund receives county motor vehicle license tax money for the construction, repair and maintenance of Township roads and bridges.

### E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

# NOTES TO THE FINANCIAL STATEMENTS

### E. Budgetary Process (Continued)

### **Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

### **Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

#### **Encumbrances**

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A Summary of 2002 and 2001 budgetary activity appears in Note 3.

### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets in the accompanying financial statements.

#### 2. Equity in Pooled Cash

The Township maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 was as follows:

	2002			2001		
Demand deposits	<u>\$</u>	189,450	<u>\$</u>	282,574		

### **Deposits**:

Deposits are insured by the Federal Depository Insurance Corporation, and collateralized by securities specifically pledged by the financial institution to the township.

### 4. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

### 5. <u>Retirement Systems</u>

The Township's Trustees, Clerk and part-time employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including post-retirement health care, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2002 and 2001, members of PERS contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries. The Township has paid all contributions required through December 31, 2002.

### 6. Risk Management

The Township maintains insurance coverage through Ohio Risk Management that provides the following coverages:

- Comprehensive property and general liability
- Vehicles
- Errors and omissions

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS.

Board of Trustees Keene Township Keene, Ohio

We have audited the financial statements of Keene Township as of and for the years ended December 31, 2002 and 2001, and have issued our report thereon dated March 18, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether Keene Township's combined financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted certain immaterial instances of noncompliance that we have reported to the management of Keene Township in a separate letter dated March 18, 2003.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Keene Township internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the combined financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts the would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted certain immaterial matters concerning the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted certain immaterial matters concerning the internal control structure and its operation that we have reported to the management of Keene Township in a separate letter dated March 18, 2003.
